

Xigem Technologies Retains Additional Investor Relations Advisors

Reaffirming Commitment to Creating Shareholder Value

TORONTO, June 17, 2021 – Xigem Technologies Corporation (CSE:XIGM) (FSE:2C1) (“**Xigem**” or the “**Company**”), a technology provider for the emerging remote economy, today announced that it has retained the services of investor relations and communications firms (“**IR Parties**”) to provide services for the Company. The IR Parties are arms-length to the Company.

Vancouver-based Whoa Is Media Inc., dba SmallCap Communications, is providing social media and communications services to the Company for an indefinite term, for a one-time fee of US\$30,000. SmallCap Communications offers fully managed social media programs designed to help public companies reach and connect with an investor audience.

JBN Partners, LLC, based in South Carolina, is providing investor relations and corporate financial public relations services for an initial term of six months, for a fee of US\$100,000. The contract may be renewed for additional six-month terms by agreement of the parties.

Xigem also announced the cancellation of 200,000 warrants to purchase common shares of the Company, the issuance of which was previously announced [on June 2, 2021](#). Xigem further advises that the Finder Warrants, issued in conjunction with the private placement that was announced on June 2, 2021, were common share purchase warrants.

About Xigem Technologies Corporation

Established in Toronto, Ontario, Xigem Technologies Corporation (CSE:XIGM) (FSE:2C1) is positioned to become a leading SaaS technology platform for the emerging near trillion dollar remote economy, with software capable of improving the capacity, productivity, and overall remote operations for businesses, consumers and other organizations. Beginning with “iAgent,” the Company’s patented technology, Xigem’s portfolio will provide organizations, businesses and consumers with the tools necessary to thrive in a vast array of remote working, learning and treatment environments.
