

MANAGEMENT INFORMATION CIRCULAR

(As of March 9, 2022, except as indicated)

This management information circular (this “Circular”) is being furnished in connection with the solicitation, by management of Xigem Technologies Corporation (the “Corporation”), of proxies for the special meeting (the “Meeting”) of shareholders (the “Shareholders”) of the Corporation to be held virtually through the platform of AGM Connect (www.agmconnect.com/xigm2022/) to facilitate an interactive meeting and live online voting for Registered Shareholders on Wednesday, April 13, 2022 at 10:00am (Toronto time), and at any adjournment thereof for the purposes set forth in the enclosed notice of meeting (the “Notice”).

Unless otherwise indicated, the information contained in this Circular is given as at March 9, 2022.

Unless otherwise indicated, all references to “dollars” or “\$” means Canadian dollars.

SOLICITATION OF PROXIES

Although, it is expected that management’s solicitation of proxies for the Meeting will be made primarily by mail, proxies may be solicited by directors, officers and employees of the Corporation personally or by telephone, fax, email or other similar means of communication. **This solicitation of proxies for the Meeting is being made by or on behalf of the directors and management of the Corporation and the Corporation will bear the costs of this solicitation of proxies for the Meeting.**

In accordance with National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”), arrangements have been made with the transfer agent, investment dealers, intermediaries, custodians, depositories and depository participants and other nominees to forward solicitation materials to the beneficial owners of the common shares (the “Shares”) of the Corporation. The Corporation will provide, without any cost to such person, upon request to the Chief Executive Officer of the Corporation, additional copies of the foregoing documents for this purpose.

REGISTERED SHAREHOLDERS VOTING BY PROXY

Enclosed with this Circular is a form of proxy. The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **Every Shareholder of the Corporation has the right to appoint a person (who need not be a shareholder of the Corporation) other than the persons already named in the enclosed form of proxy to represent such shareholder of the Corporation at the virtual Meeting by striking out the printed names of such persons and inserting the name of such other person AND an email address for contact in the blank space provided therein for that purpose.** In order to be valid, a proxy must be received by AGM Connect, Suite 2704, 401 Bay Street, Toronto ON M5H 2Y4 by 10:00 am on April 11, 2022, or in the event of an adjournment or postponement of the Meeting, no later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays in Ontario) before the time for holding the adjourned or postponed Meeting.

Shareholders may also elect to vote electronically in respect of any matter to be acted upon at the Meeting. Votes cast electronically are in all respects equivalent to and will be treated in the exact same manner as, votes cast via a paper form of proxy. To vote electronically, registered shareholders are asked to go to the website shown on the form of proxy and follow the instructions on the screen. Please note that each shareholder exercising the electronic voting option will need to refer to the Voter ID and Meeting Code indicated on their proxy form to identify themselves in the electronic voting system; a valid email address will also be required for verification. Shareholders should also refer to the instructions on the proxy form for information regarding the deadline for voting Shares electronically. If a Shareholder votes electronically he or she is asked not to return the paper form of proxy by mail.

In order to be effective, a form of proxy must be executed by a shareholder exactly as his or her name appears on the register of shareholders of the Corporation. Additional execution instructions are set out in the notes to the form of proxy. The proxy must also be dated where indicated. If the date is not completed, the proxy will be deemed to be dated on the day on which it was mailed to shareholders.

The management representatives designated in the enclosed form of proxy will vote the Shares in respect of which they are appointed proxy in accordance with the instructions of the shareholder as indicated on the proxy and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

In the absence of such direction, such Shares will be voted by the management representatives named in such form of proxy in favour of each of the matters referred to in the Notice and will be voted by such representatives on all other matters which may come before the Meeting in their discretion.

THE ENCLOSED FORM OF PROXY OR VOTER INSTRUCTION FORM, WHEN PROPERLY SIGNED, CONFERS DISCRETIONARY VOTING AUTHORITY ON THOSE PERSONS DESIGNATED THEREIN WITH RESPECT TO AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING.

At the time of printing of this Circular, management of the Corporation know of no such amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice and this Circular. **However, if any matters which are not now known to management of the Corporation should properly come before the Meeting, the Shares represented by proxies in favour of the Management Nominees will be voted on such matters in accordance with the best judgement of the Management Nominee.**

ADVICE TO NON-REGISTERED (BENEFICIAL) SHAREHOLDERS

Only Registered shareholders of the Corporation, or the persons they appoint as their proxies, are entitled to attend and vote at the Meeting. However, in many cases, Shares beneficially owned by a person (a “**Non-Registered Shareholder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Shareholder deals in respect of the Shares (Intermediaries include, among others, banks, trust companies, investment dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited, in Canada, and the Depository Trust Company, in the United States) of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Notice, this Circular and its form of proxy (collectively, the “**Meeting Materials**”) to the Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form which must be completed and returned by the Non-Registered Shareholder in accordance with the directions printed on the form (in some cases, the completion of the voting instruction form by telephone, facsimile or over the Internet is permitted) or
- (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with AGM Connect, Suite 2704, 401 Bay Street, Toronto ON M5H 2Y4.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided and a valid email. In the case of a voting instruction form, follow the directions indicated on the form. If you are a Non-Registered Shareholder, and we or our agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the VIF or the proxy is to be delivered.

REVOCATION OF PROXIES

A registered shareholder of the Corporation who has submitted a proxy may revoke it by:

- (a) depositing an instrument in writing signed by the registered shareholder or by an attorney authorized in writing or, if the registered shareholder is a company, by a duly authorized officer or attorney, either:
 - (i) at the office of AGM Connect, 2704-401 Bay Street, Box 4, Toronto, Ontario, M5H 2Y4, by 11:00 am (Eastern Time) on April 11, 2022, or in the event of an adjournment or postponement of the Meeting, no later than 48 hours (excluding Saturday, Sunday and holidays in Ontario) before the time for holding the adjournment or postponement Meeting; or
 - (ii) with the Chair of the Meeting prior to commencement of the Meeting on the day of the Meeting;
- (b) transmitting, by telephonic (1-855-839-3715) or electronic means (email to voteproxy@agmconnect.com), a revocation that complies with (i) or (ii) above and that is signed by electronic signature provided that the means of electronic signature permit a reliable determination that the document was created or communicated by or on behalf of the registered shareholder or the attorney, as the case may be; or
- (c) in any other manner permitted by law.

A Non-Registered Shareholder who has submitted voting instructions to an Intermediary should contact their Intermediary for information with respect to revoking their voting instructions.

NOTICE-AND-ACCESS

The Corporation is not sending the Meeting materials to shareholders using “notice-and-access”, as defined under NI 54-101.

SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR BEFORE VOTING.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as set out herein, no person who has been a Director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year, no proposed nominee of management of the Corporation for election as a Director of the Corporation and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of Directors or the appointment of auditor.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Shares. Each Share entitles the holder of record to notice of and one vote on all matters to come before the Meeting. No group of shareholders has the right to elect a specified number of directors nor are there cumulative or similar voting rights attached to the Shares of the Corporation.

The directors of the Corporation have fixed March 9, 2022 as the record date (the “Record Date”) for determination of the persons entitled to receive notice of the Meeting. Shareholders of record as of the Record Date are entitled to vote their Shares except to the extent that they have transferred the ownership of any of their Shares after the Record Date, and the transferees of those Shares produce properly endorsed share certificates or otherwise establish that they own the Shares, and demand, not later than ten (10) days before the Meeting, that their name be included in the shareholder list before the Meeting, in which case the transferees are entitled to vote their Shares at the Meeting.

As of the date of this Circular 152,276,205 Shares are issued and outstanding.

To the knowledge of the Directors and executive officers of the Corporation no person beneficially owns, controls or directs, directly or indirectly, Shares carrying 10% or more of the voting rights attached to all Shares of the Corporation.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

1. Presentation of Financial Statements

The Shareholders will receive and consider the audited financial statements of the Corporation for the fiscal years ended December 31, 2021, and December 31, 2020, together with the auditor’s report thereon.

2. Fix Number of Directors

The term of office for each director is from the date of the Meeting at which he or she are elected until the next following annual meeting or until his or her successor is elected or appointed. At the Meeting, it is proposed that the number of directors of the Corporation be fixed at five. At the Meeting, Shareholders will be asked to vote on the following resolution, with or without variation:

“BE IT RESOLVED that the number of directors of the Corporation be fixed at five.”

It is the intention of the persons named in the enclosed form of proxy, if not expressly directed to the contrary in such form of proxy, to vote such proxies FOR the number of directors to be fixed at four.

Notwithstanding the foregoing resolution, the directors may, between annual general meetings, appoint one or more additional directors of the Corporation to serve until the close of the next annual meeting, but the total number of additional directors shall not at any time exceed one third (1/3) of the number of directors elected at the Meeting.

3. Election of the Board of Directors

The Board of Directors of the Corporation presently consists of five (5) directors. The persons named in the enclosed form of proxy intend to vote for the election as directors of the Corporation, the five (5) nominees of Management whose names are

set forth below. Management does not contemplate that any of the nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion. Each director elected will hold office until the next annual meeting of Shareholders or until his/her successor is duly elected, unless his/her office is earlier vacated in accordance with the by-laws of the Corporation. The following table and notes thereto state the names of all the persons proposed to be nominated for election as directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments and the number of Shares beneficially owned, directly or indirectly, or over which control or direction is exercised, by each of them as of March 9, 2022. The information as to shares beneficially owned has been furnished to the Board of Directors by the respective nominees.

No proposed Director is to be elected under any arrangement or understanding between the proposed Director and any other person or company, except the Directors and executive officers of the Corporation acting solely in such capacity.

Except as set out below, to the knowledge of the Corporation, no proposed Director:

- (a) is, as at the date of the Information Circular, or has been, within 10 years before the date of the Information Circular, a Director, chief executive officer ("CEO") or chief financial officer ("CFO") of any company (including the Company) that:
- (i) was the subject, while the proposed Director was acting in the capacity as Director, CEO or CFO of such company, of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days; or
 - (ii) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after the proposed Director ceased to be a Director, CEO or CFO but which resulted from an event that occurred while the proposed Director was acting in the capacity as Director, CEO or CFO of such company; or
- (b) is, as at the date of this Information Circular, or has been within 10 years before the date of the Information Circular, a Director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement, or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed Director; or

- (e) has been subject to any penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed Director.

Brian Kalish served as CEO and a director of Gemoscan Canada Inc. (“Gemoscan”), a vertically integrated healthcare company which he reorganized and led through a series of capitalizations and public listings. Gemoscan made an assignment into bankruptcy on January 8, 2016 as it became unable to service its obligations and was unable secure additional financing. Mr. Kalish resigned as CEO of Gemoscan on October 21, 2015 and as a director on January 8, 2016. Scott Wilson was also a director of Gemoscan. Mr. Wilson resigned from his role as director on January 8, 2016.

Stephen Coates is a director of International Zeolite Corp., which was issued a cease trade order on November 2, 2018 by the British Columbia Securities Commission for failure to file its annual financial statements in a timely manner. The order was revoked on December 12, 2018 after the company filed the outstanding documents.

4. Appointment of Auditor

The persons named in the enclosed form of proxy intend to vote for the re appointment Clearhouse LLP, as auditor of the Corporation to hold office until the next annual meeting of Shareholders and to authorize the directors of the Corporation to fix the auditor’s remuneration.

On the representations of the said auditors, neither that firm nor any of its partners has any direct financial interest nor any material indirect financial interest in the Corporation or any of its subsidiaries nor has had any connection during the past three years with the Corporation or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee.

Management recommends that Shareholders appoint Clearhouse LLP, as the Corporation’s auditor and to authorize the Board of Directors to fix their remuneration.

5. Share Consolidation

The Board of Directors of the Corporation (the “**Board**”) has proposed the submission to Shareholders for consideration of a special resolution approving the consolidation of the Corporation’s issued and outstanding Shares (the “**Consolidation Resolution**”). If the Consolidation Resolution is approved, the Board will have authority to consolidate the Shares at a ratio of up to ten (10) to one (1) (the “**Consolidation**”). The Board will be permitted without further shareholder approval to select a lower consolidation ratio if it deems appropriate. Approval of the Consolidation by the Shareholders would give the Board authority to implement the Consolidation at any time. If the Shareholders approve the Consolidation, the Board may implement the Consolidation as soon as reasonably practical following the Meeting, subject to the approval of the Canadian Securities Exchange (the “**CSE**”). In addition, and notwithstanding approval of the Consolidation by the Shareholders, the Board, in its sole discretion, may revoke the Consolidation Resolution and abandon the Consolidation without further approval, action by, or notice to Shareholders.

Background and Reasons for Consolidation

The Board believes that it is in the best interests of the Corporation to provide the Board with the flexibility to elect to reduce the number of outstanding Shares by way of the Share Consolidation. Some of the potential benefits of the Share Consolidation include:

- **Increased Investor Interest.** The current share structure of the Corporation may make it more difficult for the Corporation to attract additional equity financing that may be required or desirable to maintain the Corporation or to further develop its business. The Share Consolidation may have the effect of raising, on a proportionate basis, the price of the Shares, which could appeal to certain investors that find shares valued above certain prices to be more attractive from an investment perspective.
- **Reduced Volatility.** The higher anticipated price of the post-consolidation Shares may result in less volatility as a result of small changes in the share price of the Shares. For example, a nominal price movement will result in a less significant change (in percentage terms) in the market capitalization of the Corporation.

Accordingly, Shareholders will be asked to approve the Consolidation Resolution to consolidate the issued and outstanding Shares of the Corporation on the basis of one (1) new Share for up to ten (10) old Shares. The Consolidation Resolution will also grant the Board the authority to: (i) use their discretion to adjust the consolidation ratio, (ii) use their discretion with respect to the timing to implement the Consolidation Resolution, and (iii) use their discretion to revoke the Consolidation Resolution.

Principal Effects of the Share Consolidation

If approved and implemented, the Consolidation will occur simultaneously for all the Shares and the Consolidation ratio will apply equally for all such Shares. The Consolidation will affect all holders of the Corporation’s Shares uniformly. However,

there may be a minimal effect on some Shareholder's percentage ownership interest in the Corporation resulting from the proposed treatment of fractional Shares (see "Effect on Fractional Shares"). No fractional Share will be issued in connection with the Consolidation. Each Share outstanding post-Consolidation will be entitled to one vote and will be fully paid and non-assessable.

The principal effects of the Consolidation would be that:

the number of Shares of the Corporation issued and outstanding will be reduced from 152,276,205 Shares as of the date hereof to approximately 15,227,621 Common Shares if the maximum consolidation ratio of ten (10) to one (1) is used; and

- (a) the exercise or conversion price and/or the number of Shares issuable under any of the Corporation's outstanding convertible securities, stock options and warrants would be proportionally adjusted after giving effect to the Consolidation based on the Consolidation ratio.

Effect on Fractional Shares

No fractional Shares will be issued if, as a result of the Consolidation, a Shareholder would otherwise be entitled to a fractional Share. Instead, if, as a result of the Consolidation, a Shareholder is entitled to a fractional Share, such fractional Share that is less than $\frac{1}{2}$ of one (1) post-Consolidation Share will be cancelled and each fractional Share that is at least $\frac{1}{2}$ of one (1) post-Consolidation Share will be rounded up to one (1) whole post-Consolidation Share.

Effect on Non-Registered Holders

Non-Registered Shareholders holding their Shares through an Intermediary should note that such Intermediary may have different procedures for processing the Consolidation than those that will be put in place by the Corporation for registered shareholders. If you are a Non-Registered Shareholder and you have questions or concerns in this regard, you are encouraged to contact your Intermediary.

Effect on Convertible Securities and Stock Options

The exercise or conversion price and/or the number of Shares issuable under any of the Corporation's outstanding convertible securities including under outstanding stock options, warrants, rights, restricted share units and any other similar securities will be proportionally adjusted upon the implementation of the Consolidation, in accordance with the terms of such securities, based on the Consolidation ratio.

Effect on Shares Held in Book-Entry Form

Certain Non-Registered Shareholders may own Shares in book-entry form. Non-Registered Shareholders will not have share certificates evidencing their ownership of such Shares and therefore do not need to take any additional actions to exchange their pre-Consolidation book-entry Shares, if any, for post-Consolidation Shares. Upon the effective date of the Consolidation, each then existing book-entry account will be adjusted to reflect the number of post-Consolidation Shares to which the Non-Registered Shareholder is entitled in accordance with the Consolidation ratio.

Effect on Share Certificates

If the Consolidation is approved by Shareholders and subsequently implemented, those registered Shareholders who will hold at least one post-consolidation Share will be required to exchange the share certificates representing pre-consolidation Shares for share certificates representing post-consolidation Shares following the Consolidation or, alternatively, a Direct Registration System ("**DRS**") Advice/Statement representing the number of post-consolidation Shares they hold following the Consolidation. The DRS is an electronic registration system which allows Shareholders to hold Shares in their name in book-based form, as evidenced by a DRS Advice/Statement, rather than a physical share certificate.

The Corporation has mailed with the proxy materials to each registered Shareholder a letter of transmittal in connection with the Consolidation. Each registered Shareholder must complete and sign the letter of transmittal after the Consolidation takes effect. **Registered Shareholders should delay sending in the Letter of Transmittal until the Consolidation Resolution has been approved and the Corporation announces the Consolidation has occurred.** The letter of transmittal contains instructions on how to surrender to the transfer agent the certificate(s) representing the registered Shareholder's pre-consolidation Shares. The transfer agent will send to each registered Shareholder who follows the instructions provided in the letter of transmittal a share certificate representing the number of post-consolidation Shares to which the registered Shareholder is entitled rounded down to the nearest whole number or, alternatively, a DRS Advice/Statement representing the number of post-consolidation Shares the registered Shareholder holds following the Consolidation. Beneficial Shareholders (i.e. non-registered Shareholders) who hold their Shares through intermediaries (securities brokers, dealers, banks, financial institutions, etc.) and who have questions regarding how the Consolidation will be processed should contact their intermediaries with respect to the Consolidation. See "Effect on Non-Registered Holders" above.

Until surrendered to the transfer agent, each share certificate representing pre-consolidation Shares will be deemed for all purposes to represent the number of post-consolidation Shares to which the registered Shareholder is entitled as a result of the Consolidation. Until registered Shareholders have returned their properly completed and duly executed letter of transmittal

and surrendered their share certificate(s) for exchange, registered Shareholders will not be entitled to receive any distributions, if any, that may be declared and payable to holders of record following the Consolidation.

Any registered Shareholder whose old certificate(s) have been lost, destroyed or stolen will be entitled to a replacement share certificate only after complying with the requirements that the Corporation and the transfer agent customarily apply in connection with lost, stolen or destroyed certificates.

The method chosen for delivery of share certificates and letters of transmittal to the Corporation's transfer agent is the responsibility of the registered Shareholder and neither the transfer agent nor the Corporation will have any liability in respect of share certificates and/or letters of transmittal which are not actually received by the transfer agent.

REGISTERED SHAREHOLDERS SHOULD NEITHER DESTROY NOR SUBMIT ANY SHARE CERTIFICATE UNTIL HAVING RECEIVED A LETTER OF TRANSMITTAL.

No Dissent Right

Under the *Canada Business Corporations Act* (the "CBCA"), Shareholders do not have dissent or appraisal rights with respect to the Consolidation.

Accounting Consequences

If the Consolidation is implemented, net income or loss per Share, and other per Share amounts, will be increased because there will be fewer Shares issued and outstanding. In future financial statements, net income or loss per Share and other per Share amounts for periods ending before the Consolidation took effect would be recast to give retroactive effect to such Consolidation.

CSE Approval

Assuming Shareholder approval is received at the Meeting, and assuming that the Board determines to proceed with the Consolidation, the Consolidation will be subject to acceptance by the CSE, and confirmation that, on a post- Consolidation basis, the Corporation would meet all of the CSE's applicable continuous listing requirements. If the CSE does not accept the Consolidation, the Corporation will not proceed with the Consolidation.

Risks Associated with the Consolidation

Reducing the number of issued and outstanding Shares through the Consolidation is intended, absent other factors, to increase the market price of the Shares. However, the market price of the Shares will also be affected by the Corporation's financial and operational results, its financial position, including its liquidity and capital resources, the development of its operations, industry conditions, the market's perception of the Corporation's business and other factors, which are unrelated to the number of Shares outstanding.

The market price of the Shares immediately following the implementation of the Consolidation is expected to be approximately equal to the market price of the Shares prior to the implementation of such Consolidation multiplied by the Consolidation ratio but there is no assurance that the anticipated market price immediately following the implementation of the Consolidation will be realized or, if realized, will be sustained or will increase. There is a risk that the total market capitalization of the Shares (the market price of the Shares multiplied by the number of Shares outstanding) after the implementation of the Consolidation may be lower than the total market capitalization of the Shares prior to the implementation of the Consolidation.

Although the Corporation believes that establishing a higher market price for the Shares could increase investment interest for the Shares in equity capital markets by potentially broadening the pool of investors that may consider investing in the Corporation, including investors whose internal investment policies prohibit or discourage them from purchasing stocks trading below a certain minimum price, there is no assurance that implementing the Consolidation will achieve this result.

If the Consolidation is implemented and the market price of the Shares (adjusted to reflect the Consolidation ratio) declines, the percentage decline as an absolute number and as a percentage of the Corporation's overall market capitalization may be greater than would have occurred if such Consolidation had not been implemented. Both the total market capitalization of a company and the adjusted market price of such company's shares following the Consolidation may be lower than they were before the Consolidation took effect. The reduced number of Shares that would be outstanding after the Consolidation is implemented could adversely affect the liquidity of the Shares.

The Consolidation may result in some Shareholders owning "odd lots" of fewer than 100 Shares on a post-consolidation basis. Odd lot Shares may be more difficult to sell, or may attract greater transaction costs per Share to sell, and brokerage commissions and other costs of transactions in odd lots may be higher than the costs of transactions in "round lots" of even multiples of 100 Shares.

Tax Considerations

SHAREHOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE CONSOLIDATION TO THEM, INCLUDING THE EFFECTS OF ANY CANADIAN OR U.S. FEDERAL, PROVINCIAL, STATE, LOCAL, FOREIGN AND/OR OTHER TAX LAWS.

Resolution for Approving the Consolidation

Upon approval of the Consolidation Resolution, following the obtaining of all necessary regulatory approvals, including the acceptance of CSE, the Corporation will promptly file articles of amendment with the required entity under the CBCA in the form prescribed by the CBCA to amend the Corporation's articles of incorporation. The Consolidation will become effective on the date shown in the certificate of amendment in connection therewith, or such other date as indicated in the articles of amendment.

The text of the Consolidation Resolution is as follows:

"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Corporation be, and it hereby is, authorized and empowered to file articles of amendment with the Director appointed under section 173 of the CBCA at any time after the date of this Amendment Resolution to amend the articles of the Corporation to consolidation the issued and outstanding Shares in the capital of the Corporation on the basis of one (1) post-Consolidation Share for up to every ten (10) Shares currently issued and outstanding and the directors of the Corporation are hereby authorized to select a lesser consolidation ratio at their sole discretion;

Pre-Approval Policies and Procedures

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services, but all such services will be subject to the prior approval of the audit committee.

Auditor Service Fees

The following table provides detail in respect of audit, audit related, tax and other fees billed to the Corporation by the external auditors for professional services provided to the Corporation and its subsidiaries:

Audit Fees: Audit fees were paid for professional services rendered by the auditors for the audit of the Corporation's annual financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees: Audit-related fees were paid for professional services rendered by the auditors and were comprised primarily of the reading of quarterly financial statements.

CORPORATE GOVERNANCE

The Corporation’s disclosure of corporate governance practices pursuant to National Instrument 58-101 – Disclosure of Corporate Governance Practices (“NI 58-101”) is set out below in the form required by Form 58-101F2 – Corporate Governance Disclosure (Venture Issuers).

Board of Directors

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could or could reasonably be perceived to materially interfere with the director’s ability to act with a view to the best interests of the Corporation, other than interests and relationships arising from holding shares or securities in the Corporation. In addition, where a company has a significant shareholder, NI 58-101 suggests that the board of directors should include a number of directors who do not have interests either the Corporation or the significant shareholder. The independent directors exercise their responsibilities for independent oversight of management and meet independently of management whenever deemed necessary.

The Corporation’s Board will facilitate its exercise of independent supervision over management through frequent meetings to obtain updates on significant corporate activities and plans, and by ensuring that all material transactions of the Corporation are subject to prior approval of the Corporation’s Board. To facilitate open and candid discussion among its independent directors, such directors are encouraged to communicate with each other directly to discuss ongoing issues pertaining to the Corporation. As the size of the Corporation Board is small, there are no formal procedures designed to facilitate the exercise of independent supervision over management, relying instead on the integrity of the individual members of its management team to act in the best interests of the Corporation. In addition, the Corporation’s Board has access to the Corporation’s external auditors, legal counsel, and the Corporation’s officers.

Orientation and Continuing Education

The Corporation's Board has not adopted formal steps to orient new board members. Their continuing education is typically derived from correspondence with their legal counsel to remain up to date with developments in relevant corporate and securities law matters.

Ethical Business Conduct

The Corporation's Board has not adopted formal guidelines to encourage and promote a culture of ethical business conduct but do promote ethical business conduct by nominating board members they consider ethical, by avoiding or minimizing conflicts of interest and by having a sufficient number of its board members independent of corporate matters.

Insider Trading Policy

The Corporation has adopted an insider trading policy that provides for black-out periods prohibiting directors, officers and employees of the Corporation from trading in its securities in respect of a given time period during the period of time beginning two weeks before the end of each fiscal quarter until the second trading day after the financial results have been disclosed by the Resulting Issuer by way of a news release. The insider trading policy restricts the activities of insiders and other persons who are subject to the policy from entering into derivative-based transactions that involve, directly or indirectly, securities of the Corporation. The insider trading policy also provides that the Corporation will not approve the grant of stock options or other forms of equity-based compensation awards during any black-out period.

Nomination of Directors

The Corporation's Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the nomination members, including both formal and informal discussions among nomination members.

Compensation

The Board decides on compensation for officers and directors based on industry standards and their financial situation.

Diversity Policy

The Issuer encourages diversity in the composition of the Board and requires periodic review of the composition of the Board as a whole to recommend, if necessary, measures to be taken so that the Board reflects the appropriate balance of diversity, knowledge, experience, skills and expertise required for the Board as a whole. The Issuer endorses the principle that the Board should have a balance of skills, experience and diversity of perspectives appropriate to the business.

The Board has not yet adopted a written policy or targets relating to the identification and nomination of designated groups (including women, Aboriginal peoples, persons with disabilities and members of visible minorities) to the Board. And while competence, skillset and experience remain the foremost qualifications for nomination, the Board does take into consideration a nominee's potential to contribute to diversity within the Board. Given that diversity is part of determining the overall balance, the Board has not yet adopted a gender specific policy target. The Board will review its structure and diversity annually and may set diversity aspirations regarding the Board's optimum composition as part of the identification and nomination of members of the Board. The Board will consider a number of factors, including gender, ethnic and geographic diversity, age, business experience, professional expertise, sexual identity, religion, family upbringing, neurodiversity, personal skills, personal experience and personal perspectives, when seeking and considering new members for nomination or evaluating Board nominees for re-election.

Notwithstanding the foregoing, recommendations concerning Board nominees are, foremost, based on merit and performance, with due regard to the overall effectiveness of the Board, with diversity being taken into consideration, as it is beneficial that a diversity of backgrounds, views and experiences be present at the Board and management levels. The Board has not currently adopted a policy on term limits or other forms of board renewal.

The Board is currently comprised of five male directors. Consistent with the Issuer's approach to diversity at the Board level, hiring practices include consideration of diversity across designated groups. The Board will, among other factors in the making of executive officer appointments, consider the level of representation of designated groups. In searches for new executive officers, the Board will consider the level of diversity in management as one of several factors used in its search

process. Notwithstanding the foregoing, all executive officer appointments will always be based on merit, having regard to the requirements of the Issuer.

The Issuer does not have a target number of executive officers from designated groups. Given the small size of the executive team, Management believes that implementing targets is not appropriate at this time. However, in the Issuer's hiring practices, it considers the level of representation of women in executive officer positions.

Other Broad Committees

The Issuer currently has no other Committees.

Assessments

The Corporation's Board does not feel it is necessary to establish a committee to assess the effectiveness of individual board members. Each board member of the Issuer has considerable experience in the management of companies or public companies, and this is sufficient to meet the current needs of the Corporation. On an annual basis, however, the Corporation's Board assesses the contributions of each of the individual directors and of the board as a whole, in order to determine whether each is functioning effectively.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

There is not as of the date hereof and has not been since the beginning of the Corporation's last completed financial year, any indebtedness owing to the Corporation by the directors and senior officers of the Corporation or any of their associates or affiliates, except as disclosed in this Circular.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Management of the Corporation is not aware of any material interests, direct or indirect, of any informed person of the Corporation, any proposed director of the Corporation, or any associate or affiliate of any informed person or proposed director, in any transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

MANAGEMENT CONTRACTS

No management functions of the Corporation or subsidiary are performed to any substantial degree by a person other than the Directors or executive officers of the Corporation or subsidiary.
