Vancouver, British Columbia, Canada – December 4, 2020 – Cross River Ventures Corp. Each FT Unit will consist of one common share of the Company that will qualify as a “flow-through share” within the meaning of subsection 66(15) the Income Tax Act (Canada) (“**FT Common Share**”) and one-half of one common share (“**Common Share**”) purchase warrant (each whole warrant, a “**Warrant**”). The Company will renounce such CEE to the purchasers of the FT Units with an effective date of no later than December 31, 2020.

The FT Units to be issued under the Offering will be offered by way of private placement in each of the provinces of Canada, and such other jurisdictions as may be determined by the Company, in each case, pursuant to applicable exemptions from the prospectus requirements under applicable securities laws.

The Offering is scheduled to close prior to December 31, 2020, or such date as agreed upon between the Company and the Agent (the “**Closing**”) and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the Exchange. The FT Units and securities underlying the Compensation Options to be issued under the Offering will have a hold period of four months and one day from Closing.

In connection with the Offering, the Agents will receive a cash commission. In addition, the Company will grant the Agents, on the date of Closing, non-transferable compensation options (the “**Compensation Options**”). Each Compensation Option will entitle the holder thereof to purchase one unit of the Company (a “**Unit**”) at an exercise price equal to the Offering Price for a period of 36 months following the Closing. Each Unit shall consist of one Common Share and one-half of one Warrant.
