

GlobeX Data Ltd. Launches New DigitalSafe Look and Branding Identity

August 20, 2019 – Vancouver, British Columbia. **GlobeX Data Ltd.** (“**GlobeX**” or the “**Company**”) (CSE:SWIS, SWIS.WT) is pleased to announce that it has launched the new look of its secure data management website DigitalSafe <https://digitalsafe.com> reflecting the new branding identity of the Company.

The DigitalSafe branding is part of a company wide branding alignment for all its secure data management and secure communications services such as DigitalSafe, PrivaTalk and other services and products being launched in the next few months.

“The team at GlobeX Data is very pleased to announce the new branding alignment for all its products and services. Starting with the new DigitalSafe look for desktops, laptops and mobile devices of all brands and operating systems, we are going to continue to improve user interface and user experience for our valuable clients worldwide. This is the beginning of a larger program that will include synchronized branding identity and more features per product.” said Alain Ghiai, founder and CEO of GlobeX.

The Company distributes a suite of secure cloud-based storage, document management and collaboration, encrypted emails, and secure communication tools. The main products or services are DigitalSafe (www.digitalsafe.com) and PrivaTalk (www.privatalk.com).

DigitalSafe is a secure data storage, collaboration, file share, password manager, and encrypted email all-in-one. PrivaTalk is a secure communications suite encompassing encrypted voice, video, chat with auto-destruct timer, file transfer of files up to 100MB. Both products include an encrypted email which includes 5GB of data transfer per email and auto-destruct timer. All data is securely stored in Switzerland through the Company’s exclusive partner in Switzerland, GlobeX Data S.A..

Forward Looking Information

This news release contains certain forward-looking information within the meaning of applicable Canadian securities laws (“forward-looking statements”). All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “anticipate”, “achieve”, “could”, “believe”, “plan”, “intend”, “objective”, “continuous”, “ongoing”, “estimate”, “outlook”, “expect”,

"project" and similar words, including negatives thereof, suggesting future outcomes or that certain events or conditions "may" or "will" occur. These statements are only predictions. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. GlobeX cautions that all forward-looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond GlobeX's control. Such factors include, among other things: risks and uncertainties relating to the future of the Company's business; the success of marketing and sales efforts of the Company; the projections prepared in house and projections delivered by channel partners; the Company's ability to complete the necessary software updates; increases in sales as a result of investments software development technology; consumer interest in the Products; future sales plans and strategies; reliance on large channel partners and expectations of renewals to ongoing agreements with these partners; anticipated events and trends; the economy and other future conditions; and other risks and uncertainties, including those described in GlobeX's prospectus dated May 8, 2019 filed with the Canadian Securities Administrators and available on www.sedar.com. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, GlobeX undertakes no obligation to publicly update or revise forward-looking information.
