

## **GlobeX Data Ltd. Now Inter-listed on the OTCQB Venture Market**

**November 05 2019 – Toronto, ON and New York, NY. GlobeX Data Ltd. (OTCQB: SWISF) and (CSE: SWIS, SWISF.WT) (“GlobeX” or the “Company”)**, is pleased to announce that its common shares are trading on the OTCQB Venture Market today with the trading symbol SWISF. The Company continues trading its common shares on the Canadian Securities Exchange (“CSE”) with the trading symbol SWIS.

“We are thrilled to be listed on the OTCQB Venture market and have our shares trading on that platform. We have been looking forward to tell our story to the world, and having our shares trading on the OTCQB Venture market will facilitate and expand our presence in the U.S. and international investment markets. The team at OTC Markets Group has been amazing to work with and everyone at GlobeX is grateful for their professionalism, efficiency and kindness.” said Alain Ghiai, Founder and CEO of GlobeX.

The OTCQB Venture Market offers transparent trading for Companies that are current in their financial reporting and regulatory requirements as well as management certification. It is owned and operated by the OTC Markets Group, Inc. OTC Markets Group is an American financial market providing price and liquidity information for over 10,000 U.S. and International securities. A wide range of companies are quoted on OTC Markets, including firmly established foreign firms, mostly through American depository receipts (ADRs). The group has its headquarters in New York City. OTC-traded securities are organized into three markets to inform investors of opportunities and risks: OTCQX, OTCQB and Pink.

### **Forward Looking Information**

**This news release contains certain forward-looking information within the meaning of applicable Canadian securities laws ("forward-looking statements"). All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "project" and similar words, including negatives thereof, suggesting future outcomes or that certain events or conditions "may" or "will" occur. These statements are only predictions. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. GlobeX cautions that all forward-looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond GlobeX's control. Such factors include, among other things: risks and uncertainties relating to the future of the Company's**

business; the success of marketing and sales efforts of the Company; the projections prepared in house and projections delivered by channel partners; the Company's ability to complete the necessary software updates; increases in sales as a result of investments software development technology; consumer interest in the Products; future sales plans and strategies; reliance on large channel partners and expectations of renewals to ongoing agreements with these partners; anticipated events and trends; the economy and other future conditions; and other risks and uncertainties, including those described in GlobeX's prospectus dated May 8, 2019 filed with the Canadian Securities Administrators and available on [www.sedar.com](http://www.sedar.com). Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, GlobeX undertakes no obligation to publicly update or revise forward-looking information.

On behalf of the Board of Directors
