

GlobeX Data Partners With ABC Affiliate News Radio Technology Program TECH Zone with Paul Amadeus Lane

May 11 2020 – Toronto, Ontario, GlobeX Data Ltd. (OTCQB:SWISF) (CSE:SWIS) (“GlobeX” or the “Company”), the leader in Swiss hosted cyber security and Internet privacy solutions for secure data management and secure communications, is pleased to announce that it has launched a new partnership with technology guru, Paul Amadeus Lane and his radio and TV technology show TECH Zone with Paul Amadeus Lane.

Paul Amadeus Lane is the host of "TECH Zone with Paul Amadeus Lane" on ABC News Radio Affiliate KMET-AM which also serves as Bureau Chief. Lane also is an accessibility consultant with the focus on gaming. Assistive and adaptive technologies. He has been a respective member of the media for many years. He has been a wheelchair user for over 25 years due to an automobile accident that left him a quadriplegic. This has inspired many colleagues and individuals he has interviewed and have come in contact with over the years. The tech world is his way of life. Tech Zone is widely distributed through iHeart RADIO, Spotify, iTunes and many more channels.

The Company is offering TECH Zone with Paul Amadeus Lane and all its viewers and listeners a promotional pricing for its DigitalSafe Secure Swiss Hosted Cloud Solution, through a landing page to be hosted on GlobeX Data’s Swiss secure servers and accessible through www.paulamadeuslane.com.

DigitalSafe is the Company’s Swiss hosted secure document management and collaboration cloud business tool, which comes with a data backup and recovery, secure file share, collaboration tool, a password manager and a secure email all in one. DigitalSafe’s Secure Email uses a proprietary technology called SecureSend in order to eliminate BEC attacks and email phishing and hacking. DigitalSafe will be available to all of Paul Amadeus Lane’s and TECH Zone’s audience by the first week of June 2020.

Paul Lane, host of TECH Zone said: “Globex Data is an amazing company that is way before its time when it comes to keeping our data & privacy safe. Whether you are a Fortune 500 company to an individual they have a solution and protection for everyone. They are always on top of what's going on when it comes to cyber threats and how everyone can stay protected. I am honored to be partnered with this amazing company to not only share with the world about their amazing solutions but also educating the world when it comes to cyber security and keeping safe to the threats.”

Alain Ghiai, CEO of GlobeX Data said: “We are thrilled to partner with Paul Amadeus Lane and TECH Zone. I have had the honor of being interview a few times by Paul and appear on his amazing show. There is so much good information that Paul brings to his viewers and listeners. The partnership will permit the TECH Zone’s audience to benefit from the special promotional offer we are bringing exclusively in that partnership. Partnering with a technology media show is another way for GlobeX Data to tell its story to the consumer and business markets in the USA.”
