INFORMATION CIRCULAR

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “Notice”) and is furnished to shareholders holding common shares in the capital of GlobeX Data Ltd. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “Meeting”) of the shareholders to be held at 10:00 a.m. (Vancouver time) on March 1, 2021 at Suite 704, 595 Howe Street, Vancouver, British Columbia or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is January 28, 2021. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of January 27, 2021 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH

PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, National Securities Administrators Ltd. (the "Transfer Agent") at their offices located at 777 Hornby Street, Suite 760, Vancouver, British Columbia, V6Z 1S4 by mail or fax, no later than forty eight (48) hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or adjournment thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING OF PROXIES

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder’s name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., being the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms. **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

Regulatory polices require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “NOBOs”) or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or “OBOs”).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a “VIF”), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the “Meeting Materials”) directly to the NOBOs and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder’s shares on the Beneficial Shareholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions (“Broadridge”) in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value. As of the record date, being the close of business on January 27, 2021, a total of 68,617,713 common shares were issued and outstanding. Each common share carries the right to one vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, other than as set forth below, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, common shares carrying more than 10% of the voting rights attached to the outstanding common shares of the Company.

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the shareholders.

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at three (3). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at three (3).

Management recommends the approval of the resolution to set the number of directors of the Company at three (3).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed Form of Proxy will be voted for the nominees listed in the Form of Proxy, all of whom are presently members of the Board of Directors.

Management of the Company proposes to nominate the persons named in the table below for election by the shareholders as directors of the Company. Information concerning such persons, as furnished by the individual nominees, is as follows:

Cease Trade Orders

Other than as disclosed below, no director or executive officer of the Company, is or has been, within the ten years preceding the date of this Information Circular, a director, chief executive officer, chief financial officer of any company that:

For the purposes of this Information Circular, an “order” means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to an exemption under securities legislation, and such order was in effect for a period of more than 30 consecutive days.

Scott Davis was Chief Financial Officer of Future Fam Technologies Inc. (“Future Farms”) in June 2017 when it became subject to a management cease trade order of the BCSC for failing to file audited financial statements as required by Multilateral Instrument 51-105. On August 2, 2017 the required records were filed and the order was lifted.

On December, 2019 the required records were filed and the order was lifted.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This discussion describes the Company's compensation program for each person who has acted as Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO") and the three most highly compensated executive officers (or three most highly compensated individuals acting in a similar capacity), other than the CEO and CFO, whose compensation was more than \$150,000 during the financial year ended December 31, 2019 (each a "Named Executive Officer").

Significant Elements

The significant elements of compensation awarded to the Named Executive Officers are management fees and stock options. The Company does not presently have a long-term incentive plan for its Named Executive Officers. There is no policy or target regarding allocation between cash and non-cash elements of the Company's compensation program. The Board of Directors is solely responsible for determining compensation to be paid to the Company's Named Executive Officers. In addition, the Board of Directors reviews annually the total compensation package of each of the Company's executives on an individual basis.

Cash Salary

The Company's compensation payable to the Named Executive Officers is based upon, among other things, the responsibility, skills and experience required to carry out the functions of each position held by each Named Executive Officer and varies with the amount of time spent by each Named Executive Officer in carrying out his or her functions on behalf of the Company.

In particular, the Chief Executive Officer's compensation will be determined by time spent on: (i) the Company's distribution strategy; (ii) reviewing potential license and marketing partners that the Company may acquire and negotiating, on behalf of the Company; and (iii) new business ventures. The Chief Financial Officer's compensation is primarily determined by time spent in reviewing the Company's financial statements.

Option-Based Awards

The Company's Stock Option Plan is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives. Stock option grants are based on the total of stock options available under the Stock Option Plan. In granting stock options, the Board of Directors reviews the total of stock options available under the Stock Option Plan and recommends grants to newly retained executive officers at the time of their appointment and considers recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding options held by an executive are taken into account when determining whether and how new option grants should be made to the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance to the Company's Stock Option Plan.

As of the date hereof, the Company has granted 5,260,000 options to its directors and officers.

Stock Option Plan

The Directors of the Company adopted a stock option plan on April 30, 2018 (the “Stock Option Plan”). The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees, management company employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire Common Shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs. The Stock Option Plan provides that, subject to the requirements of the Exchange, the aggregate number of securities reserved for issuance will be 10% of the number of the Company’s Common Shares issued and outstanding at the time such options are granted. The Stock Option Plan is administered by the Company’s Board of Directors, which will have full and final authority with respect to the granting of all options thereunder.

Options may be granted under the Stock Option Plan to such the directors, officers, employees, management or consultants of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise price of option grants will be determined by the Board of Directors, but after listing on the Exchange will not be less than the closing market price of the Common Shares on the Exchange less allowable discounts at the time of grant. The Stock Option Plan provides that the number of Common Shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares, if the individual is a director, officer, employee or consultant, or 1% of the issued Common Shares, if the individual is engaged in providing investor relations services, on a yearly basis. All options granted under the Stock Option Plan will expire not later than the date that is ten years from the date that such options are granted. Options terminate earlier as follows: (i) immediately in the event of dismissal with cause; (ii) 90 days from date of termination other than for cause; or (iii) one year from the date of death or disability. Options granted under the Stock Option Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

At the meeting, disinterested shareholders of the Corporation will be asked to approve a resolution ratifying, confirming, and approving the amendment to the Corporation’s existing Option Plan increasing the rolling percentage to 15% of Common Shares reserved and available for issuance under the Option Plan. See “Approval of Amended Stock Option Plan”.

CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices as follows:

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of the Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

The Company's corporate governance practices are summarized below:

Board of Directors

The Board of Directors is currently comprised of three members. The rules of the Exchange do not have independent director requirements. An "independent" director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a director's independent judgment. Henry Sjoman and Amir Assar are independent directors of the Company, as, aside from Common Shares held by them, they have no ongoing interest or relationship with the Company other than serving as directors.

Alain Mehdi Ghiai-Chamlou cannot be considered an independent director because he is an officer of the Company.

Directorships

The following directors are directors of other reporting issuers:

Alain Mehdi Ghiai-Chamlou: None.

Henry Sjoman: None.

Amir Assar: None.

Orientation and Continuing Education

The Board of Directors provides an overview of the Company's business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company's records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board of Directors believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to shareholders. Generally, the Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

The Board of Directors is also responsible for applying governance principles and practices, tracking development in corporate governance, and adapting "best practices" to suit the needs of the Company. Certain of the directors of the Company may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with, and are subject to such other procedures and remedies as applicable under the BCA.

Nomination of Directors

The Board of Directors has not formed a nominating committee or similar committee to assist the Board of Directors with the nomination of directors for the Company. The Board of Directors considers itself too small to warrant creation of such a committee; and each of the directors has contacts he can draw upon to identify new members of the Board of Directors as needed from time to time.

The Board of Directors will continually assess its size, structure and composition, taking into consideration its current strengths, skills and experience, proposed retirements and the requirements and strategic direction of the Company. As required, directors will recommend suitable candidates for consideration as members of the Board of Directors.

Compensation

The Board of Directors reviews the compensation of its directors and executive officers annually. Compensation of directors and the Company's executive officers will be determined by the directors and the executive officers taking into account the Company's business ventures and the Company's financial position. See "Executive Compensation".

Other Board Committees

The Company has established an Audit Committee. There are no other committees of the Board of Directors.

Assessments

The Board of Directors has not implemented a process for assessing its effectiveness. As a result of the Company's small size and the Company's stage of development, the Board of Directors considers a formal assessment process to be inappropriate at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board of Directors does not formally assess the performance or contribution of individual Board members or committee members.

OTHER MATTERS

Other than the above, management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. However, if any other matters that are not known to management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

 - (ii) an amalgamation, merger, arrangement, business combination, consolidation or other reorganization of the Company with another entity or the sale or disposition of all or substantially all of the assets of the Company, as a result of either of which the Company ceases to exist, be publicly traded or the management of the Company or Board do not comprise a majority of the management or a majority of the board of directors, respectively, of the resulting entity,

and to permit Optionees to participate in any of the foregoing, the Board may make appropriate provision for the exercise of Options conditional upon the Shares so issued being taken-up and paid for pursuant to any of the foregoing.

Subject to the approval of the Exchange if the Optionee is a Consultant providing investor relations services for the Company, the Board may advance, at any time, the dates upon which any or all Options shall vest and become exercisable, regardless of the terms of vesting set out in this Plan or the agreement.

4.5 Exercise of Options if Specified Value Exceeds USD \$100,000. If the Optionee is subject to the tax laws of the United States of America that part of any Option entitling the Optionee to purchase Shares having a value of USD \$100,000 or less shall be treated as an 'Incentive Stock Option' under United States *Internal Revenue Code* (so that the Optionee may defer the payment of tax on such Shares until the year in which such Shares are disposed of by the Optionee). For the purposes hereof value is determined by multiplying the number of shares which are subject to the Option times the Market Price (at the time of granting of the Option). That part of any Option on Shares having a value in excess of USD \$100,000 shall be treated as a non-qualifying stock option for the purposes of the Code and shall not entitle the Optionee to such tax deferral.

4.6 Expiry of Options. Each Option shall expire not later than 10 years from the day on which the Option is granted.

4.7 Expiry of Options during or immediately after Trading Blackout Periods. If an Option expires during, or within five trading days after, a Blackout Period then, notwithstanding Section 4.6 or the terms of the Option, the term of the Option shall be extended and the Option shall expire 10 trading days after the termination of the Blackout Period.

4.8 Death or Disability of Optionee. If an Optionee dies or suffers a Disability prior to the expiry of an Option, the Optionee's legal representatives, before the earlier of the expiry date of the Option and the first anniversary of the Optionee's death or Disability, may exercise that portion of an Option which has vested as at the date of death or Disability. For the purposes hereof "Disability" shall mean any inability of the Optionee arising due to medical reasons which the Board considers likely to permanently prevent or substantially impair Optionee being an Employee, Management Company Employee, Consultant, Officer or Director.

4.9 Cessation as an Optionee (With Cause). If an Optionee ceases to be a Director, Officer, Consultant, Employee or Management Company Employee by reason of termination or removal for cause any Option shall terminate immediately on such termination or removal and not be exercisable by the Optionee unless otherwise determined by the Board.

4.10 Cessation as an Optionee (Without Cause). If an Optionee ceases to be any of a Director, Officer, Consultant, Employee or Management Company Employee for any reason except as provided in sections 4.8 or 4.9, any Option shall be exercisable to the extent that it has vested and was exercisable as at the date of such cessation, unless further vesting is permitted by the Board, and must terminate on the earlier of the expiry date of the Option and:

- (a) the 90th day after the Optionee ceased to be any of a Director, Officer, Consultant, Employee or Management Company Employee, or such later date as may be reasonably determined by the Board; or
- (b) if the Optionee is subject to the tax laws of the United States of America, the earlier of the 90th day and the third month after the Optionee ceased to be an Employee or Officer.

4.11 No Assignment of Options. No Option or any right thereunder or in respect thereof shall be transferable or assignable otherwise than by will or pursuant to the laws of succession except that, if permitted by the rules and policies of the Exchange, an Optionee shall have the right to assign any Option (other than an 'Incentive Stock Option' under United States Internal Revenue Code) to a corporation wholly-owned by them.

4.12 Notice of Exercise of an Option. Options shall be exercised only in accordance with the terms and conditions of the agreements under which they are respectively granted and shall be exercisable only by notice in writing to the Company.

4.13 Payment on Exercise of an Option. Options may be exercised in whole or in part at any time prior to their lapse or termination. Shares purchased by an Optionee on exercise of an Option shall be fully paid for in cash or by certified cheque, bank draft or money order at the time of their purchase.

4.14 Condition to Issuance of Shares. The Board may require, as a condition of the issuance of Shares or delivery of certificates representing such Shares upon the exercise of any Option and to ensure compliance with any applicable laws, regulations, rules, orders and requirements that the Optionee or the Optionee's heirs, executors or other legal representatives, as applicable, make such covenants, agreements and representations as the Board deems necessary or desirable.

4.15 Withholding or Deductions of Taxes. The Company may deduct, withhold or require an Optionee, as a condition of exercise of an Option, to withhold, pay, remit or reimburse any taxes or similar charges, which are required to be paid, remitted or withheld in connection with the exercise of any Option.

5. RESERVATION OF SHARES FOR OPTIONS

5.1 Sufficient Authorized Shares to be Reserved. Whenever the constating documents of the Company limit the number of authorized Shares, a sufficient number of Shares shall be reserved by the Board to satisfy the exercise of Options. Shares that were the subject of Options that have lapsed or terminated shall thereupon no longer be in reserve and may once again be subject to an Option.

5.2 Maximum Number of Shares to be Reserved Under Plan. The aggregate number of Shares which may be subject to issuance pursuant to Options and any stock options granted under any other previous or current stock option plan or security compensation arrangement shall be 15% of the outstanding Shares at the time of granting the Options. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of such expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan.

5.3 Maximum Number of Shares Reserved for Insiders. All Options, together with all of the Company's other previously granted stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, shall not result, at the time of granting, in:

- (a) the number of Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the Shares outstanding;
- (b) the issuance to Insiders, within a one year period, of Shares totalling in excess of 10% of the Shares outstanding; or
- (c) the issuance to any one individual, within a one year period, of Shares totalling in excess of 5% of the Shares outstanding,

unless the disinterested shareholders have approved thereof.

6. CAPITAL REORGANIZATIONS

6.1 Share Consolidation or Subdivision. If the Shares are at any time subdivided or consolidated, the number of Shares reserved for Options shall be similarly increased or decreased and the price payable for any Shares that are then subject to issuance shall be decreased or increased proportionately, as the case may require, so that upon exercising each Option the same proportionate shareholdings at the same aggregate purchase price shall be acquired after such subdivision or consolidation as would have been acquired before.

6.2 Stock Dividend. If the Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for Options and the price payable for any Shares that are then subject to issuance may be adjusted by the Board to such extent as they deem proper in their absolute discretion.

6.3 No Fractional Shares. No adjustment made pursuant to this Part shall require the Company to issue a fraction of a Share and any fractions of a Share shall be rounded up or down to the nearest whole number, with one-half a Share being rounded up to one Share.

6.4 No Adjustment for Cash Dividends or Rights Offerings. No adjustment shall be made to any Option pursuant to this Part in respect of the payment of any cash dividend or the distribution to the shareholders of the Company of any rights to acquire Shares or other securities of the Company.

7. EXCHANGE'S RULES & POLICIES GOVERN & APPLICABLE LAW

7.1 Exchange's Rules and Policies Apply. This Plan and the granting and exercise of any Options are also subject to such other terms and conditions as are set out in the rules and policies on stock options of the Exchange and any securities commission having authority and such rules and policies shall be deemed to be incorporated into and become a part of this Plan. If there is an inconsistency between the provisions of such rules and policies and of this Plan, the provisions of such rules and policies shall govern.

7.2 Compliance With Applicable Laws. Notwithstanding anything herein to the contrary, the Company shall not be obliged to cause any Shares to be issued or certificates evidencing Shares to be delivered pursuant to this Plan, where issuance and delivery is not, or would result in the Company not, being in compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities and the requirements of the Exchange. If any provision of this Plan, any Option or any agreement entered into pursuant to this Plan contravenes any applicable law, rule, regulation or order, or any policy, bylaw or regulation of the Exchange or any regulatory body having authority over the Company or this Plan, such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith, but the Company shall not be responsible to pay and shall not incur any penalty, liability or further obligation in connection therewith.

7.3 No Obligation to File Prospectus. The Company shall not be liable to compensate any Optionee and in no event shall it be obliged to take any action, including the filing of any prospectus, registration statement or similar document, in order to permit the issuance and delivery of any Shares upon the exercise of any Option in order to comply with any applicable laws, regulations, rules, orders or requirements of any securities regulatory authority.

7.4 Governing Law. This Plan shall be governed by, and construed in accordance with, the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

8. AMENDMENT OF PLAN & OPTIONS

8.1 Board May Amend Plan or Options. The Board may amend or terminate this Plan or any Options but no such amendment or termination, except with the written consent of the Optionees concerned or unless required to make this Plan or the Options comply with the rules and policies of the Exchange, shall affect the terms and conditions of Options which have not then been exercised or terminated.

8.2 Shareholder Approval. Approval by all holders of Shares, whether the holders are disinterested shareholders or not, is required for:

- (a) an increase in the number of Shares, or percentage of the outstanding Shares, reserved for issuance under this Plan; or
- (b) a change from a fixed number to a fixed percentage of the outstanding Shares, or from a fixed percentage to a fixed number, in the number of Shares reserved for issuance under this Plan.

No approval by any holders of Shares is required for:

- (a) an amendment to comply with applicable law or rules of the Exchange or of a 'housekeeping' nature required to correct typographical and similar errors;
- (b) a change to the vesting provisions;
- (c) a change to the termination provisions, other than an extension of an Option to a new expiry date that falls outside the maximum term currently permitted by this Plan when the Option was first granted; and

- (d) a reduction of the exercise price of an Option, including a reduction effected by cancelling an existing Option and granting a new Option exercisable at a lower price, or an extension of the exercise period, if the Optionee is not an Insider.

9. PLAN DOES NOT AFFECT OTHER COMPENSATION PLANS

9.1 Other Plans Not Affected. This Plan shall not in any way affect the policies or decisions of the Board in relation to the remuneration of Directors, Officers, Consultants, Employees and Management Company Employee.

10. OPTIONEE'S RIGHTS AS A SHAREHOLDER

10.1 No Rights Until Option Exercised. An Optionee shall be entitled to the rights pertaining to share ownership, such as to dividends, only with respect to Shares that have been fully paid for and issued to the Optionee upon exercise of an Option.

11. EFFECTIVE DATE & EXPIRY OF PLAN

11.1 Effective Date. This Plan has been adopted by the Board effective April 30, 2018 **as amended effective _____, 2021.**

11.2 Termination. This Plan shall terminate upon a resolution to that effect being passed by the Board. Any Options shall continue to be exercisable according to their terms after the termination of this Plan.
