This Information Circular is being furnished in connection with the solicitation of proxies by the management of Etruscus Resources Corp. (the “**Company**”) for use at the Annual and Special meeting (the “**Meeting**”) of the holders of its common shares (the “**Common Shares**”) to be held on **Thursday, November 28, 2024 at 10:00 am** Pacific Standard Time and at **Suite #1400 – 1125 Howe St., Vancouver, British Columbia, V6Z 2K8** for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof.

Cautionary Note Regarding Forward Looking Statements

This Information Circular includes “forward-looking statements” within the meaning of Canadian securities laws. All statements, other than statements of historical facts, included in this Information Circular that address activities, events or developments that the Company expects or anticipates will or may occur in the future are forward-looking statements. When used in this Information Circular, the words “estimate”, “plan”, “anticipate”, “expect”, “intend”, “believe” and similar expressions are intended to identify forward-looking statements.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, you should not place undue reliance on forward-looking statements.

The forward-looking statements contained in this Information Circular are expressly qualified in their entirety by this cautionary statement. Such forward-looking statements are made as of the date of this Information Circular and, except as required under applicable securities laws, the Company does not undertake any obligation to publicly update such forward-looking statements to reflect new information, subsequent events or otherwise.

General

In this Information Circular, references to “**Beneficial Shareholders**” means shareholders who do not hold Common Shares in their own name; and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders. Unless otherwise indicated herein, all references to currency are to Canadian dollars.

No person has been authorized to give any information or to make any representation in connection with any matter described in this Information Circular other than those contained herein and, if given or made, any such information or representation should be considered not to have been authorized by the Company. This Information Circular does not constitute the solicitation of an offer to purchase any securities or the solicitation of a proxy by any person in any jurisdiction in which such solicitation is not authorized or in which the person making such solicitation is not qualified to do so or to any person to whom it is unlawful to make such solicitation. The information contained in this Information Circular should not be construed as legal, tax or financial advice.

PROXY INFORMATION

GENERAL PROXY INFORMATION

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. In accordance with National Instrument 54-101 of the Canadian Securities Administrators, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the voting common shares in the capital of the Company (the “**Shares**”) held on a record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy are directors, officers or other representatives of the Company. A shareholder entitled to vote at the Meeting has the right to appoint a person or company, who need not be a shareholder, to attend and act for the shareholder on the shareholder's behalf at the Meeting other than either the persons or company designated in the accompanying form of proxy, and may do so either by inserting the name of that other person in the blank space provided in the accompanying form of proxy or by completing and delivering another suitable form of proxy. Submitting a proxy by mail, by hand or by fax are the only methods by which a shareholder may appoint a person as proxy other than a director or officer of the Company named on the form of proxy.

Voting by Proxyholder

On a poll the nominees named in the accompanying form of proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. If the shareholder has specified a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. The proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;

- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the proxy, the nominees named in the accompanying form of proxy will vote the Shares represented by the proxy at their own discretion for the approval of such matter.

Registered Shareholders

Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting. Registered shareholders electing to submit a proxy may do so by choosing one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1; or
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (c) log onto Computershare's website at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number.

Registered Shareholders must ensure the proxy is received by COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ON M5J 2Y1 at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof, unless otherwise provided in the instructions accompanying the proxy. Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person.

Advice to Beneficial Holders of Shares

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that they follow the instructions of their broker to ensure their instructions respecting the voting of their Shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its

own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Services ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of the form of proxy provided by the Company. The voting instruction form will name the same persons as the proxy to represent the Beneficial Shareholder at the Meeting. A Beneficial Shareholder has the right to appoint a person (who need not be a Beneficial Shareholder of the Company) other than the persons designated in the voting instruction form, to represent the Beneficial Shareholder at the Meeting. To exercise this right, the Beneficial Shareholder should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use it to vote Shares directly at the Meeting - the voting instruction form must be returned to Broadridge, as the case may be, well in advance of the Meeting in order to have the Shares voted. Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, Beneficial Shareholders may request in writing that their broker send to them a legal proxy which would enable them to attend at the Meeting and vote their Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to the Company, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a proxy may be revoked by the registered shareholder personally by attending the Meeting and voting the registered shareholder's Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has

any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board of Directors of the Company (the “**Board**”) has fixed **October 18, 2024** as the record date (the “**Record Date**”) for determining persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of **October 18, 2024**, there were **53,270,361 Common Shares** issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares. As of October 18, 2024, the Company had no other class of securities.

To the knowledge of the directors and executive officers of the Company, other than as described herein, no person or company beneficially owns, directly or indirectly, or controls or directs shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

FINANCIAL STATEMENTS

The comparative audited financial statements of the Company for the year ended March 31, 2024 and the report of the auditor thereof will be placed before the Meeting. The audited financial statements, the report of the auditor, together with the management's discussion and analysis can be found on www.sedarplus.ca.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to approve the resolutions described herein. A special resolution is a resolution passed by a majority of not less than **two-thirds (2/3rds)** of the votes cast by the shareholders who, being entitled to do so, voted in person or by proxy at the Meeting. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The number of directors on the Board is currently set at **four (4)**, and the Board proposes that the number of directors remain at **four (4)**. Shareholders will therefore be asked to approve, by ordinary resolution, that the number of directors elected be fixed at **four (4)**.

Management of the Company recommends that you vote **FOR** fixing the number of directors at **four (4)**. Unless instructed otherwise, the individuals named as proxy holders in the enclosed form of proxy intend to vote any Shares represented thereby as recommended.

The term of office of each of the current directors will expire at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) (the “**Act**”), each director elected will hold office until the

conclusion of the next annual meeting of the Company, or if no director is then elected, until a successor is elected.

APPOINTMENT OF AUDITOR

Manning Elliot LLP, of Vancouver, British Columbia, will be nominated at the Meeting for reappointment as the Company's auditor, until the next Annual Meeting of the Company, with remuneration to be fixed by the Board.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the Board of Directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices in Form 58-101F2, which disclosure is set out below.

Board of Directors

The mandate of the Board is to supervise the management of the Company and to act in the best interests of the Company. The Board acts in accordance with:

- (a) the *Business Corporations Act* (British Columbia);
- (b) the Company's articles of incorporation;
- (c) the charters of the Board and the Board committees; and
- (d) other applicable laws and Company policies.

The Board approves all significant decisions that affect the Company before they are implemented. The Board supervises their implementation and reviews the results.

Of the Company's proposed slate of four (4) directors, three (3) would be considered independent. A director is independent if he has no material relationship with the Company. A "material relationship" is a relationship which could, in view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgement. Certain types of relationships are by their nature considered to be material relationships.

The independent Board members are Michael Sikich, Gordon Lam and David Parker. The non-independent Board member is Fiore Aliperti, Chief Executive Officer of the Company.

The Board is responsible for determining whether or not each director is an independent director. The officers are not considered independent. None of the other director's work in the day-to-day operations of the Company, are party to any material contracts with the Company, or receive any fees from the Company except as disclosed in this Information Circular.

The Board is actively involved in the Company's strategic planning process. The Board discusses and reviews all materials relating to the strategic plan with management. The Board is responsible for reviewing and approving the strategic plan. At least one Board meeting each year is devoted to discussing and considering the strategic plan, which takes into account the risks and opportunities of the business. Management must seek the Board's approval for any transaction that would have a significant impact on the strategic plan.

The Board periodically reviews the Company's business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Company's internal control and management information systems. The Board also monitors the Company's compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board periodically discusses the systems of internal control with the Company's auditor.

The Board is responsible for choosing the President and CEO and appointing senior management and for monitoring their performance and developing descriptions of the positions for the Board, including the limits on management's responsibilities and the corporate objectives to be met by the management.

The Board approves all the Company's major communications, including annual and quarterly reports, financing documents and press releases. The Company communicates with its stakeholders through a number of channels including its website. The Board approved the Company's communication policy that covers the accurate and timely communication of all important information. It is reviewed annually. This policy includes procedures for communicating with analysts by conference calls.

The Board, through its audit committee ("Audit Committee"), examines the effectiveness of the Company's internal control processes and management information systems. The Board consults with the auditor and management of the Company to ensure the integrity of these systems. The auditor submits a report to the Audit Committee each year on the quality of the Company's internal control processes and management information systems.

Directorships

Fiore Aliperti is a director of Metallis Resources Inc. and Stuhini Exploration Ltd.
Michael Sikich is a director of Stuhini Exploration Ltd.

Orientation and Continuing Education

When new directors are appointed to the Board, they receive an orientation, commensurate with their previous experience, on the Company's business, technology and industry and on the responsibilities of directors.

Meetings of the Board may also include presentations by the Company's management to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid, and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Company had no arrangements, standard or otherwise, pursuant to which directors were compensated by the Company for their services in their capacity as directors, or for board participation, involvement in special assignments or for services as a consultant or expert during the financial year ended March 31, 2024 or subsequently, up to and including the date of this Circular with the exception of stock-based and restricted share unit ("**RSU**") compensation as detailed in this Circular.

In the Board's view, there is, and had been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers stock option and RSU grants to directors under their respective Plans from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of stock options and RSU's. Other than the Stock Option Plan and RSU Plan, as discussed above, the Company does not

offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

The Board believes that a compensation package for its executive officers including consulting fees and equity-based incentives is appropriate in achieving its objectives. The Company does not have any predetermined performance goals for its executive officers, but expects each executive officer to serve the Company and its shareholders to the best of his abilities.

Each of the executive officers who serve the Company in both full time or part time capacities are compensated primarily by a consulting fee that is negotiated between the Board and the executive officer. The rationale of providing a consulting fee is to reward the executive officer's time spent on the Company and its development, and provide a reasonable incentive for the executive office to focus his attention on the Company.

The Company provides a Stock Option Plan and a Restricted Share Units Plan to motivate its executive officers by providing them with the opportunity to acquire interests in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of stock options or restricted share units to its executive officers.

Stock options and RSU's may be granted to executive officers when the Board wishes to align such officers' interests with those of the shareholders. The number of stock options or RSU's granted to each executive officer is determined solely by the Board and is based on such factors as the executive officer's performance, his consulting fee, if any, and the Company's share price at the time such options are granted.

Other Board Committees:

Compensation Committee

The Compensation Committee is appointed by and assists the Board of Directors of the Company in carrying out its responsibilities relating to executive and director compensation. The Committee has overall responsibility for approving and evaluating all compensation plans, policies and programs of the Company as they affect the Executive Officers and Directors.

Health, Safety, Environment and Social Responsibility Committee

The Health, Safety, Environment and Social Responsibility Committee is a committee of the Board of Directors of the Company Its purpose is to assist the Board in fulfilling its responsibilities to provide global oversight and support of the Company's health, safety, environmental and social responsibility policies, programs, activities and initiatives.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and the audit committee.

All forfeited RSUs are available for future grants.
