3. News Release

A news release relating to the material changes described herein was released via the facilities of the CSE on April 16, 2021.

4. Summary of Material Change

The Corporation settled a total of \$330,000 in outstanding debt through the issuance to certain creditors of 825,000 common shares (the "**Shares**"), at a deemed issue price of \$0.40.

5. Full Description of Material Change

5.1 Full Description of Material Change

The Corporation settled a total of \$330,000 in outstanding debt through the issuance to certain creditors of 825,000 Shares, at a deemed issue price of \$0.40 (the "**Debt Settlement**").

The securities issued in connection with the Debt Settlement (collectively, the "**Offerings**") will be subject to a 4 month hold period in accordance with applicable securities laws in Canada. Additionally, the Shares are restricted shares pursuant to the laws in United States under the Securities Act of 1933.

The Shares were issued in reliance upon the exemption from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (the "**Securities Act**").

Cautionary Statement Regarding Forward-Looking Statements

This material change report contains forward-looking statements, which are based on current expectations, estimates, and projections about the Corporation's business and prospects, as well as management's beliefs, and certain assumptions made by management. Words such as "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," "may," "should," "will" and variations of these words are intended to identify forward-looking statements. Such statements speak only as of the date hereof and are subject to change. The Corporation undertakes no obligation to publicly revise or update any forward-looking statements for any reason, except as required under applicable securities laws. Readers are cautioned that any such forward-looking

statements are not guarantees of future business activities and involve risks and uncertainties, and that the Corporation's future business activities may differ materially from those in the forward-looking statements as a result of various factors, including, but not limited to, fluctuations in market prices, the potential impact on the market for its securities, expansion and business strategies, anticipated growth opportunities, equity market conditions including without limitation, the impact of the COVID-19 pandemic, general economic, market or business conditions, the amount of fundraising necessary to perform on its business objectives, fluctuations to gas prices from SASB, unforeseen securities regulatory challenges, operational and geological risks, the ability of the Corporation to raise necessary funds for exploration, the outcome of commercial negotiations, changes in technical or operating conditions, the cost of extracting gas and oil may be too costly so that it is uneconomic and not profitable to do so and other factors discussed from time to time in the Corporation's Securities and Exchange Commission filings and those risks set out in the Corporation's public documents filed on SEDAR, including the most recently filed Annual Report on Form 10-K and subsequent reports on Forms 10-Q and 8-K. Such statements are not guarantees of future performance and are subject to certain risks, uncertainties, and assumptions that are difficult to predict. Accordingly, actual results could differ materially and adversely from those expressed in any forward-looking statements as a result of various factors. There can be no assurances that such information will prove accurate and, therefore, readers are advised to rely on their own evaluation of such uncertainties.
