Dear Sirs/Mesdames:

Re: **American Aires Inc. (the “Company”)
 Prospectus dated October 2, 2019 (the “Prospectus”)**

This letter is being filed as the consents of Dr. Larisa Rybina and Bogdan Alexandrov being named in the Prospectus and to the inclusion of reference to the study titled: *“Influence exerted by “AIRES” electromagnetic anomalies neutralizer on changes of EEG parameters caused by exposure to the electromagnetic field of a mobile telephone”* dated September 20, 2013 (the **“Study”**) in the Prospectus (including any document incorporated by reference in the Prospectus) and of the inclusion of extracts from or a summary of, the Study in the written disclosure contained therein.

We hereby confirm that we have read the Prospectus and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Study or that the Prospectus contains any misrepresentations of the information contained in the Study. Furthermore, we have no reason to believe that there are any misrepresentations contained in the Prospectus, within our knowledge, as a result of the services we provided in connection with the Study.

Pursuant to Section 10.1 of the National Instrument 41-101, we consent to the public filing of the Study and to extracts and summaries from the Study being included in the Prospectus as filed. We confirm that we have read the Prospectus and it fairly and accurately represents the information in the Study.

Dated October 2, 2019.
