

## **AMERICAN AIRES ANNOUNCES NEW 5G PRODUCT LINE UP FOR 2020 RELEASE**

**JANUARY 7<sup>th</sup>, 2020 – Toronto, Ontario** – American Aires Inc. (CSE: WIFI) (the "Company" or "Aires") is pleased to announce that it has completed the design and development of four new key products designed specifically for the emergence of 5G cellular technology as consumers seek protection from the harmful effects of electromagnetic radiation. The new products will be available in Q2 of 2020.

The World Health Organization, an International Agency for Research on Cancer (IARC) has classified radiofrequency electromagnetic fields as possibly carcinogenic to humans (Group 2B), based on an increased risk for glioma, a malignant type of brain cancer, associated with wireless phone use. “With the emergence of 5G technology, consumers are becoming increasingly aware of the possible negative and harmful effects of electromagnetic radiation. Aires’s, rapidly growing global brand, is pleased to be offering consumers protection with its new product line up for 2020 that specifically targets protection for its customers from the negative effects of 5G technology. These products will be available for purchase on our global ecommerce platform in Q2 of 2020.” said the Company’s CEO, Dimitry Serov.

Statista Research Department has indicated that there are approximately 4.68 billion mobile phone users. In addition to mobile phones, Aires’ products can be effective with other electronic devices such as WIFI Routers, Baby Monitors, Tablets and Laptops just to name a few.
