

AMERICAN AIRES PROVIDES NOTICE OF DEFAULT

Toronto, Ontario – April 29, 2022 – American Aires Inc. (CSE: WIFI) (“Aires” or the “Company”) announces that it anticipates being late in filing its audited annual financial statements (the “**Annual Financial Statements**”) and related management discussion and analysis (“**MD&A**”) for the year ended December 31, 2021, by the prescribed deadline of May 2, 2022.

The Company has experienced delays associated with the completion of its annual audit due to difficulties in obtaining third party shipping data from some of the Company’s fulfillment centres. The Company is working with its auditors and third-party fulfillment centres to conclude the process at the earliest possible time.

The Company has made an application with the applicable securities regulators under National Policy 12-203 – *Cease Trade Orders for Continuous Disclosure Defaults* (“**NP 12-203**”) requesting that a management cease trade order be imposed in respect of the anticipated late filing rather than an issuer cease trade order. The issuance of a management cease trade order does not affect the ability of persons who have not been directors, officers or insiders of the Company to trade in their securities.

The Company anticipates that it will in a position to prepare and file the Annual Financial Statements and related MD&A on or prior to May 31, 2022.

The Company confirms that it will satisfy the provisions of the alternative information guidelines under NP 12-203 by issuing bi-weekly default status reports in the form of news releases for so long as it remains in default of the filing requirements to file the Financial Statements, the Interim Financial Statements and related MD&A within the prescribed period of time. The Company confirms that there is no other material information relating to its affairs that has not been generally disclosed.

About American Aires Inc.

American Aires Inc. is Canadian-based nanotechnology company which has developed proprietary silicon-based microprocessors that reduce the harmful effects of electromagnetic radiation (EMR). The technology was developed by a team of highly accredited scientists and confirmed by independent third-party validation including peer reviewed studies and publications in scientific journals. Aires’ Lifetune products specifically target EMR emitted by consumer electronic devices such as cellphones, computers, baby monitors, Wi-Fi radiation, including the rapidly expanding next-generation high-speed 5G networks. Aires is listed on the CSE under ticker ‘WIFI’ and on the OTCQB under the symbol ‘AAIRF’. Learn more at www.airestech.com.

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Certain material assumptions regarding such forward-looking statements may be discussed in this news release and the Company's annual and quarterly management's discussion and analysis filed at www.sedar.com. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
