TransCanna Provides Video Tour of 196,000 Sq. Ft. Vertically Integrated Facility

Vancouver, British Columbia--(Newsfile Corp. - May 8, 2019) - **Transcanna Holdings Inc.** (CSE: TCAN) (FSE: TH8) ("TransCanna" or the "Company") is pleased to provide its shareholders and investors with an eight-minute video presented by its CEO, Jim Pakulis, as he describes the features and benefits of the acquisition of the 196,000-square-foot vertically integrated cannabis-focused facility.

"The TransCanna property is significant and takes in excess of 90 minutes for the complete tour. Our goal was to provide a glimpse of the size and scope of the facility through this video, which we believe will allow us to scale as we create and acquire 15 premium brands in California. Our objective is to grow TransCanna as expeditiously as possible, and we believe this facility is a huge step forward in achieving that goal," stated Jim Pakulis.

Shortly the company will be providing an update on our senior management search as we build out the team to oversee all operations of the multifaceted facility. We've been looking for individuals with deep knowledge of the cannabis or agriculture environment with experience in operating a large-scale revenue generating facility. The candidates are outstanding and we're extremely excited to be making announcements as they materialize.
