The Investor must return to the Lender an equal number of Shares as Lent Shares received by it (subject to certain exceptions set out in the Share Lending Agreement) on the maturity date of the Share Lending Agreement, being the later of: (a) the date on which all the Debentures in the amount of the total commitment under the Issuance Agreement have been issued during the commitment period and all such Debentures having been converted, (b) in the event that the commitment is renewed or extended, the date on which all the Debentures in the amount of the additional commitment have been issued during the new commitment period and all such Debentures having been converted, and (c) the expiration of the forty eight (48) month anniversary of twenty (20) business days from the date of the Share Lending Agreement.
