### ARTICLE V

For business not specified in a notice of meeting to be properly introduced by a shareholder at a meeting of shareholders, such shareholder must have given timely notice thereof in writing to the Secretary of the Corporation. A shareholder's notice must be delivered or mailed to the Secretary of the Corporation, either by personal delivery or by United States mail, postage prepaid. With respect to an annual meeting of shareholders, to be timely, notice must be received not less than 60, no more than 90 days prior to such meeting. With respect to meetings of shareholders for which less than 70 days notice of the date of the meeting is given, to be timely, notice must be received no later than the close of business on the tenth day following the earlier of the day notice of the meeting was mailed, or the day public disclosure of the meeting was made. A shareholders' notice must set forth as to each matter the shareholder proposes to

bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and record address of the shareholder proposing such business, (iii) the class, series and number of shares of stock which are beneficially owned by the shareholder, and (iv) any material interest of the shareholder in such business. The chairman of the meeting may refuse to acknowledge any shareholder who attempts to introduce business without compliance with the foregoing procedure.

## ARTICLE VI

Except as otherwise required by law, the Corporation shall not be required to hold a special meeting of shareholders of the Corporation unless (in addition to any requirements of law) (i) requested in writing by the holders of not less than 50 percent of all the votes entitled to be cast on any issue proposed or to be considered at the proposed special meeting; (ii) called by the Board of Directors pursuant to a resolution approved by a majority of the entire Board of Directors; or (iii) called by the Chairman of the Board of Directors, President of the Corporation, or the Corporation's Chief Executive Officer.

## ARTICLE VII

A. *Number of Directors.* The number of directors shall not be less than one (1) nor more than fifteen (15), and the exact number of directors shall be fixed from time to time in the manner provided in the Corporation's Bylaws.

B. *Term of Office.* The Board of Directors shall be divided into three classes, designated as Class I, Class II and Class III. The number of directors in each class shall be determined by the Board of Directors and shall consist of as nearly equal a number of directors as practicable. The term of the Class I directors initially shall expire at the next ensuing annual meeting of shareholders; the term of Class II directors initially shall expire at the annual meeting of shareholders held two years thereafter; and the term of Class III directors initially shall expire at the annual meeting of shareholders held three years thereafter. In the case of each class, the directors shall serve until their respective successors are duly elected and qualified or until his or her earlier resignation, death, incapacity or removal from office. At each annual meeting of shareholders, directors of the respective class whose term expires shall be elected, and the directors chosen to succeed those whose terms shall have expired shall be elected to hold office for a term to expire at the third ensuing annual meeting of shareholders after their election, and until their respective successors are elected and qualified or until their earlier resignation, death, incapacity or removal from office.

C. *Vacancies.* A director may resign at any time by giving written notice to the Corporation, the Board of Directors or the Chairman of the Board of Directors. Such resignation shall take effect when the notice is delivered unless the notice specifies a later effective date, in which event the Board of Directors may fill the pending vacancy before the effective date if they provide that the successor does not take office until the effective date. Any vacancy occurring in the Board of Directors due to death, resignation, retirement, disqualification, removal and any directorship to be filled by reason of an increase in the size of the Board of Directors shall be filled by the affirmative vote of a majority of the current directors though less than a quorum of

the Board of Directors, or may be filled by an election at an annual or special meeting of the shareholders called for that purpose, unless otherwise provided by law. A director elected to fill a vacancy shall be elected for the unexpired term of his predecessor in office, or until the next election of one or more directors by shareholders if the vacancy is caused by an increase in the number of directors.

D. *Removal.* A director may be removed from office, with or without cause, only by the affirmative vote of holders of not less than 75% of the issued and outstanding shares of Common Stock of the Corporation

### ARTICLE VIII

Nominations for the election of directors may be made by the Board of Directors or by any shareholder entitled to vote for the election of directors. For the nomination of a director not specified in a notice of meeting to be properly introduced by a shareholder at a meeting of shareholders, such shareholder must have given timely notice thereof in writing to the Secretary of the Corporation. A shareholder's notice must be delivered or mailed to the Secretary of the Corporation, either by personal delivery or by United States mail, postage prepaid. With respect to an annual meeting of shareholders, to be timely, notice must be received not less than 60, nor more than 90 days prior to such meeting. With respect to meetings of shareholders for which less than 70 days notice of the date of the meeting is given, to be timely, notice must be received no later than the close of business on the tenth day following the earlier of the day notice of the meeting was mailed, or the day public disclosure of the meeting was made. With respect to a special meeting at which directors are to be elected, to be timely, notice must be received not less than 60 days prior to the date the Corporation begins to print and mail its proxy materials. A shareholder's notice of any nomination for election of director must set forth (i) the name, date of birth, business and residence address of the person or persons to be nominated, (ii) the principal occupation or employment during the past five years of such person or persons, (iii) the number of shares of stock of the Corporation that are beneficially owned by such person or persons, (iv) whether such person or persons are or have been during the past five years directors, officers or beneficial owners of 5% or more of any class of capital stock, partnership interests or other equity interest of any person and, if so, a description of that position or ownership, (v) any directorships or similar positions, and/or beneficial ownership of 5% or more of any class of capital stock, partnership interests or other equity interest held by such person or persons in any company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934 as amended (the "Exchange Act"), or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended, (vi) whether, in the last five years, such person or persons are or have been convicted in a criminal proceeding or have been subject to a judgment, order, finding or decree of any federal, state or other government, regulatory or self-regulatory entity, concerning any violation of federal, state or other law, or any proceeding in bankruptcy, (vii) the consent of each such person to serve as a director, if elected, and (viii) any other information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act.

In addition, the shareholder's notice must set forth, (i) the name and business address and the record name and record address of the shareholder proposing such nomination, and (ii) the class, series and number of shares of stock which are beneficially owned by the shareholder. The chairman of the meeting may refuse to acknowledge any shareholder who attempts to introduce business without compliance with the foregoing procedure.

#### ARTICLE IX

To the full extent permitted by Nevada law, directors and officers of the Corporation shall have no personal liability to the Corporation or its shareholders for damages for breach of their fiduciary duty as a director or officer, except for damages resulting from (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of the law or (ii) the unlawful payment of distributions in violation of section 78.300 of the Nevada Revised Statutes, as it may be amended for time to time, or any successor statute thereto. Any repeal or modification of this Article shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director or officer of the Corporation for acts or omissions prior to such repeal or modification.

#### ARTICLE X

A. *Right to Indemnification.* Each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter, a "proceeding"), by reason of the fact that he or she is or was an officer or director of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise (hereinafter, an "entity"), including service with respect to employee benefit plans (hereinafter, an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as an officer or director or in any other capacity while serving as a director, officer, employee or agent of any such other corporation or entity, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by Nevada law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader or more extensive indemnification rights than such law permitted the Corporation to provide prior to such amendment) against all expense, liability, damage, claim and loss (including attorneys' fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith, and such indemnification shall continue as to an indemnitee who has ceased to be such a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators; provided, however, that, except as provided in paragraph B hereof with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors. The right to indemnification conferred in this Article shall be a contract right and shall include the right to be paid by the Corporation the expenses (including attorney's fees) incurred in defending any claim, action, suit or proceeding (with respect to which a right to indemnification is conferred by this Article) in advance of its final disposition; provided,

however, that, if Nevada law or the Corporation's by-laws require, the payment of such expenses incurred by any such indemnitee in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this paragraph or otherwise.

B. *Right of Indemnitee to Bring Suit.* If a claim under paragraph A of this Article is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation, except in the case of a claim for expenses incurred in defending a proceeding in advance of its final disposition, in which case the applicable period shall be twenty (20) days, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount or the claim. If successful in whole or in part in any such suit or in a suit brought by the Corporation to recover payments by the Corporation of expenses incurred by an indemnitee in defending, in his or her capacity as a director, a proceeding in advance of its final disposition, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such claim. In any action brought by the indemnitee to enforce a right to indemnification hereunder or by the Corporation to recover payments by the Corporation of expenses incurred by an indemnitee in defending, in his or her capacity as an officer or director, a proceeding in advance of its final disposition, the burden of proving that the indemnitee is not entitled to be indemnified under this Article or otherwise shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct under Nevada law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such an action brought by the indemnitee, be a defense to the action.

C. *Non-Exclusivity of Rights.* The rights to indemnification and to the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, these Amended and Restated Articles of Incorporation, by-law, agreement, vote of shareholders or disinterested directors or otherwise.

D. *Insurance.* The Corporation may purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust, enterprise or entity against any expense, liability, damage, claim or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability, damage, claim or loss under Nevada law.

E. *Indemnification of Employees and Agents of the Corporation.* The Corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification, and to be paid by the Corporation expenses incurred in defending any proceeding in advance of its final disposition, to an employee or agent of the Corporation, to the

fullest extent of the provisions of this Article with respect to the indemnification of and advancement of expenses to officers and directors of the Corporation.

#### ARTICLE XI

The Board of Directors is specifically granted by these Amended and Restated Articles of Incorporation all powers permitted to be vested in the governing board of a Corporation by the applicable provisions of the laws of the State of Nevada now or hereafter existing. In furtherance, and not in limitation of the powers conferred by the laws of the State of Nevada, the Board of Directors is expressly authorized to make, amend and repeal the Corporation's Bylaws.

#### ARTICLE XII

The Corporation reserves the right to amend, alter, change or repeal any provision contained in these Articles, in the manner now or hereafter prescribed by statute or these Articles, and all rights conferred upon shareholders herein are granted subject to this reservation. These Articles may be amended as provided by law; provided, however, that, notwithstanding any other provisions of these Articles or the Bylaws of this Corporation (and notwithstanding the fact that some lesser percentage may be specified by law, these Articles or the Bylaws of this Corporation), the affirmative vote of the holders of not less than 66-2/3% of the issued and outstanding shares of Common Stock of the Corporation shall be required to alter, amend or repeal any provision contained in these Articles.

#### ARTICLE XIII

---

The Corporation shall continue in existence perpetually unless sooner dissolved according to law.

IN WITNESS WHEREOF, the undersigned, for the purpose of amending and restating the Corporation's Articles of Incorporation pursuant to the laws of the State of Nevada, has executed these Amended and Restated Articles of Incorporation as of NOVEMBER 18, 2014.

B. Rank. The Series A Preferred Stock shall rank (i) prior to the Company's common stock, par value \$.0001 per share (the "Common Stock"); (ii) prior to any class or series of capital stock of the Company hereafter created that does not, by its terms, rank senior to or pari passu with the Series A Preferred Stock (each security described in (i) through (ii), a "Junior Security" and collectively, the "Junior Securities"); (iii) pari passu with any class or series of capital stock of the Company hereafter created that, by its terms, ranks on parity with the Series A Preferred Stock (the "Pari Passu Securities"); and (iv) junior to any class or series of capital stock of the Company hereafter created that, by its terms, ranks senior to the Series A Preferred Stock (collectively, the "Senior Securities"), in each case as to distribution of assets upon liquidation, dissolution or winding up of the Company, whether voluntary or involuntary. For purposes of this Certificate of Designation, "Issuance Date" means, with respect to any share of the Company's capital stock, the date such share was originally issued by the Company regardless of the number of transfers of such share recorded on the stock records maintained by or for the Company and regardless of the number of certificates that may be issued to evidence such share.

F. Liquidation Rights. In the event of any liquidation, dissolution or winding up of the affairs of the Company, whether voluntary or involuntary (each of which is hereinafter referred to as a "Liquidation Event"), and before any distribution shall be made to the holders of any shares of any Junior Security of the Company, the holders of shares of Series A Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Company available for distribution to its shareholders an amount per share equal to the Stated Value of the Series A Preferred Stock. If, upon a Liquidation Event, the assets of the Company, or proceeds thereof, to be distributed among the holders of the Series A Preferred Stock are insufficient to permit payment in full to such holders of the aggregate amount that they are entitled to be paid by their terms, then the entire assets, or proceeds thereof, available to be distributed to the Company's shareholders shall be distributed to the holders of the Series A Preferred Stock ratably in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full.

G. Conversion Rights. The holders of Series A Preferred Stock shall have the following rights with respect to the conversion of the Series A Preferred Stock into shares of Common Stock:

1. Optional Conversion. Each share of Series A Preferred Stock shall be convertible at the option of the holder into ten (10) shares of Common Stock (the "Conversion Rate"). A holder may effect a

conversion under this Section at any time after the Issuance Date of the Series A Preferred Stock. The Conversion Rate is subject to adjustment as hereinafter provided, at any time or from time to time upon the terms and in the manner herein after set forth in this Section G.

2. Forced Conversion. If, ninety (90) days after the Issuance Date, all of the Series A Preferred Stock has not been converted into Common Stock, the Company may, at any time, deliver a notice to the holder (a "Forced Conversion Notice" to cause the holder to immediately convert all and not less than all of the Stated Value of the shares of Series A Preferred Stock held by such holder at the then-current Conversion Rate (a "Forced Conversion"). Upon delivery of the Forced Conversion Notice, the Company shall as promptly as possible deliver to each holder a form of letter of transmittal by which each holder shall exchange such holder's Series A Preferred Stock for shares of Common Stock. Notwithstanding such exchange, from and after the Forced Conversion Notice Date, each holder of Series A Preferred Stock shall be deemed for all purposes to hold the shares of Common Stock into which such Series A Preferred Stock shall be converted.

3. Conversion Procedures.

(a) In order to convert any share of Series A Preferred Stock, into shares of Common Stock, the holder thereof shall (i) surrender the certificate or certificates for such shares of Series A Preferred Stock, duly endorsed to the Company or in blank, to the Company at its principal office or at the office of the transfer agent maintained for such purposes, (ii) give written notice to the Company at such office that such holder elects to convert such shares of Series A Preferred Stock, in the same form as Exhibit I (the "Conversion Notice") and (iii) state in writing therein the name or names in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. Each conversion shall be deemed to have been effected at the close of business on the date on which the Company or such transfer agent shall have received such surrendered Series A Preferred Stock certificate(s), and the person or persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the record holder or holders of the shares represented thereby on such date (the "Conversion Date"). No fractional shares or scrip representing fractional shares will be issued upon any conversion.

(b) Upon receipt by the Company of copy of a properly completed Conversion Notice in the form as set forth in Exhibit I, (i) the Company shall as soon as practicable send, via email or facsimile, a confirmation of receipt of such Conversion Notice to such holder and the Company's transfer agent, which confirmation shall constitute an instruction to the transfer agent to process such Conversion Notice in accordance with the terms herein, and (ii) the Company or its designated transfer agent, as applicable, shall issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the holder or its designee, for the number of shares of Common Stock to which the holder shall be entitled. If the number of shares of Series A Preferred Stock represented by the Series A Preferred Stock Certificate(s) submitted for conversion is greater than the number of shares of Series A Preferred Stock being converted, then the Company shall, as soon as practicable after receipt of the Series Preferred Stock Certificate(s) and at its own expense, issue and deliver to the holder a new Series A Preferred Stock Certificate representing the number of shares of Series A Preferred Stock not converted.

(c) Notwithstanding anything in this Certificate of Designation to the contrary, the Company shall not be liable to the holder for damages of any kind for any delay in the delivery of the shares of Common Stock upon conversion of the Series A Preferred stock, if such delay is due to causes that are beyond the reasonable control of the Company, including, but not limited to, acts of God, acts of civil or military authority, fire, flood, earthquake, hurricane, riot, war, terrorism, sabotage and/or governmental action.

4. Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Issuance Date effect a subdivision of the outstanding Common Stock without a corresponding subdivision of the Series A Preferred Stock, the Conversion Rate in effect immediately before that subdivision for the Series A Preferred Stock shall be proportionately increased. Conversely, if the

Company shall at any time or from time to time after the Issuance Date combine the outstanding shares of Common Stock into a smaller number of shares without a corresponding combination of the Series A Preferred Stock, the Conversion Rate in effect immediately before the combination for the Series A Preferred Stock shall be proportionately decreased. Any adjustment under this Section G.4. shall become effective at the close of business on the date the subdivision or combination becomes effective.

5. Adjustment for Common Stock Dividends and Distributions. If the Company at any time or from time to time after the Issuance Date makes, or fixes a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in shares of Common Stock, in each such event the Conversion Rate then in effect shall be proportionately adjusted; *provided, however*, that if such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Rate shall be recomputed accordingly as of the close of business on such record date and thereafter the Conversion Rate shall be adjusted pursuant to this Section G.5. to reflect the actual payment of such dividend or distribution.

6. Adjustment for Recapitalization, Reclassification, Exchange or Substitution. If at any time or from time to time after the Issuance Date, the Common Stock issuable upon the conversion of the Series A Preferred Stock is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification or otherwise (other than a subdivision, combination, stock dividend, reorganization, merger, consolidation or sale of assets provided for elsewhere in Section G.), in any such event each holder of Series A Preferred Stock shall have the right thereafter to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change by a holder of the maximum number of shares of Common Stock into which such shares of Series A Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

7. Reorganizations, Mergers, Consolidations or Sales of Assets. If at any time or from time to time after the Issuance Date, there is a capital reorganization of the Common Stock (other than a subdivision, combination, stock dividend, recapitalization, reclassification, exchange or substitution of shares provided for elsewhere in Section G.), as a part of such capital reorganization, provision shall be made so that each holder of Series A Preferred Stock shall thereafter be entitled to receive upon conversion of its Series A Preferred Stock the number of shares of stock or other securities or property of the Company to which a holder of the maximum number of shares of Common Stock into which such shares of Series A Preferred Stock could have been converted immediately prior to such capital reorganization would have been entitled to receive upon such capital reorganization, all subject to further adjustment with respect to such stock or securities by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of Section G. with respect to the rights of the holders of Series A Preferred Stock after the capital reorganization to the end that the provisions of Section G. (including the adjustment of the Conversion Rate then in effect and the number of shares issuable upon conversion of the Series A Preferred Stock) shall be applicable after that event and be as nearly equivalent as practicable.

8. Certificate of Adjustment. In each case of an adjustment or readjustment of the Conversion Rate for the number of shares of Common Stock or other securities issuable upon conversion of the Series A Preferred Stock, the Company, at its expense, shall compute such adjustment or readjustment in accordance with the provisions hereof and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to each registered holder of Series A Preferred Stock at the holder's address as shown in the stock records of the Company. The certificate shall set forth such adjustment or readjustment, showing in detail the facts upon which such adjustment or readjustment is based.

9. Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of Series A Preferred Stock. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one share of Series A Preferred Stock by a holder thereof shall be aggregated for

purposes of determining whether the conversion would result in the issuance of any fractional share. If, after the aforementioned aggregation, the conversion would result in the issuance of any fractional share, the Company shall, in lieu of issuing any fractional share, round the number of shares to be issued to the nearest share.

10. Reservation of Common Stock Issuable Upon Conversion. The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock solely for the purpose of effecting the conversion of the Series A Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Series A Preferred Stock. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then-outstanding shares of Series A Preferred Stock, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

11. Payment of Taxes. The Company will pay all taxes (other than taxes based upon income) and other governmental charges that may be imposed with respect to the issue or delivery of shares of Common Stock upon conversion of shares of Series A Preferred Stock, excluding any tax or other charge imposed in connection with any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Series A Preferred Stock so converted were registered.

#### H. General Provisions.

1. Registration of Transfer. The Company shall keep at its principal office or at the office of the transfer agent maintained for such purposes a register for the registration of the Series A Preferred Stock. Subject to applicable federal and state securities law restrictions, upon the surrender of any certificate representing Series A Preferred Stock at such place, the Company shall, at the request of the record holder of such certificate, execute and deliver (at the Company's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares represented by the surrendered certificate. Each such new certificate shall be registered in such name and shall represent such number of shares as is requested by the holder of the surrendered certificate and shall be substantially identical in form to the surrendered certificate.

2. Replacement. Upon receipt of an affidavit of the registered holder or other evidence reasonably satisfactory to the Company of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Series A Preferred Stock, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Company, or in the case of any such mutilation upon surrender of such certificate, the Company shall (at the holder's expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of such class represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

3. No Reissuance of Series A Preferred Stock. No share or shares of Series A Preferred Stock acquired by the Company by reason of redemption, purchase, conversion or otherwise shall be reissued.

4. Notice. Any notice required by the provisions of this Certificate of Designation shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed email or facsimile if sent during normal business hours of the recipient, or if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) day after deposit with a nationally recognized overnight courier, specifying next day delivery, with verification of receipt. All notices to shareholders shall be addressed to each holder of record at the address of such holder appearing on the stock records of the Company.
