

LIONS BAY MINING

CORP. NEWS RELEASE

LIONS BAY ANNOUNCES RESIGNATION OF DIRECTOR

October 22, 2019 Vancouver, British Columbia – Lions Bay Mining Corp. ("Lions Bay" or the "Company") announces that Patrick Cussen has resigned as a director of the Company to pursue other endeavours.

Jeremy Poirier, Chief Executive Officer of Lions Bay, commented, "On behalf of the Company, I would like to sincerely thank Patrick for his service as a director of the Company and wish him all the best in his future endeavours."

About Lions Bay Mining Corp.

Lions Bay Mining Corp. is a mineral exploration and development company, primarily focused on mineral properties in North America. Its primary asset is the FLV lode mining claims located in Esmeralda County, Nevada, USA commonly referred to as the "Fish Lake Project", which are subject to an option agreement with First Divisions Ventures Inc. The Company also holds an interest in the mineral claims located in the Upper Hyland River area of eastern Yukon Territory of Canada and common referred to as the "Hy and Jay Property", as well as an interest in the mineral claims located in the Yukon Territory of Canada, commonly referred to as the "VM" and the "VBA" properties.

ON BEHALF OF THE BOARD

Cautionary Statements Regarding Forward Looking Information

This press release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking statements") within the meaning of applicable Canadian and United States securities legislation including the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, included herein, without limitation, statements relating the future operating or financial performance of the Company, are forward-looking statements.

Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Actual future results may differ materially. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number

of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, the results of any exploration activities and management's discretion to elect not proceed with exploration programs. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these times. Except as required by law, the Company does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
