## NEWS RELEASE

### CREST RESOURCES INC. APPOINTS DIRECTOR

**Vancouver, B.C. – October 21, 2019** - Crest Resources Inc. (CSE: CRES) (the “Company”) is pleased to announce that Mr. Jason K. McLaughlin, P.Geo. has been appointed to the Board of Directors of the Company.

Mr. McLaughlin is a professional geologist with over 20 years of field-based geological practice in mineral exploration ranging from grass-roots prospecting to resource definition and production with a focus on copper and gold. He works as an exploration manager and has a depth of experience as a mining-exploration executive and director throughout North America and overseas. Mr. McLaughlin holds a Bachelor of Science in Geology from the University of British Columbia and is a registered member of the Engineers and Geoscientists of British Columbia.

President and CEO Michael Collins comments, “We are pleased to welcome Jason to the Board of Directors where we expect he will bring his technical competence to the negotiation and analysis of significant projects as we work to grow Crest Resources into a successful project developer”.
