**NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS**

NOTICE IS GIVEN THAT an annual general meeting (the “**Meeting**”) of the holders of common shares (the “**Shareholders**”) of Flow Metals Corp. (“**Flow Metals**” or the “**Company**”) will be held at Suite 1890, 1075 West Georgia Street, Vancouver, British Columbia V6E 3C9, on Tuesday, September 24, 2024 at 10:00 a.m. (Pacific Time), for the following purposes:

1. to receive the Company’s audited financial statements of Flow Metals for the period ending July 31, 2023;
2. to set the number of directors at four (4);
3. to elect directors of the Company to hold office until the next annual general meeting of Shareholders;
4. to appoint Smythe LLP, Chartered Professional Accountants as Flow Metals’ auditor for the ensuing year and to authorize the Board of Directors to fix the remuneration to be paid to the auditor; and
5. to transact such other business as may be properly brought before the Meeting or any adjournment thereof.

The Company’s board of directors (the “**Board**”) has fixed August 9, 2024 as the record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment or postponement thereof. Each registered Shareholder at the close of business on that date is entitled to receive such notice and to vote at the Meeting in the circumstances set out in the accompanying Information Circular.

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Information Circular, the Company’s July 31, 2023 audited financial statements and the related management’s discussion and analysis, and any additional materials (collectively, the “**Meeting Materials**”) online. Shareholders will still receive this Notice of Meeting, a form of proxy and request for financial information form and may choose to receive a paper copy of the Meeting Materials.

The Company will not use the procedure known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Meeting Materials.

**PLEASE REVIEW THE INFORMATION CIRCULAR CAREFULLY IN FULL PRIOR TO VOTING IN RELATION TO THE RESOLUTIONS BEING PRESENTED, AS THE INFORMATION CIRCULAR HAS BEEN PREPARED TO HELP YOU MAKE AN INFORMED DECISION ON THE MATTERS. THE INFORMATION CIRCULAR IS AVAILABLE AT [HTTPS://FLOWMETALS.COM/](https://flowmetals.com/) AND UNDER THE COMPANY’S PROFILE ON SEDAR+ AT [WWW.SEDARPLUS.CA](http://www.sedarplus.ca). ANY SHAREHOLDER WHO WISHES TO RECEIVE A PAPER COPY ON THE MEETING MATERIALS (INCLUDING THE INFORMATION CIRCULAR) SHOULD CONTACT THE COMPANY AT 1075 WEST GEORGIA STREET, SUITE 1890, VANCOUVER, BRITISH COLUMBIA, V6E 3C9, BY FAX AT 604-687-3141, BY TELEPHONE TOLL FREE AT 1-888-787-0888 OR BY EMAIL AT [SCOTT@FLOWMETALS.COM](mailto:SCOTT@FLOWMETALS.COM). SHAREHOLDERS MAY ALSO USE THE TOLL FREE NUMBER NOTED ABOVE TO OBTAIN ADDITIONAL INFORMATION ABOUT THE NOTICE-AND-ACCESS PROVISIONS.**

If you are a registered Shareholder of Flow Metals and are unable to attend the Meeting in person, please complete, date and sign the accompanying form of proxy and deposit it with Flow Metals’ transfer agent, Endeavor Trust Corporation, 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, no later than 10:00 a.m. on Friday, September 20, 2024 or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

If you are a non-registered Shareholder and received this Notice of Meeting and accompanying materials through a broker, a financial institution, a participant, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds your securities on your behalf (the “**Intermediary**”), please complete and return the materials in accordance with the instructions provided to you by your Intermediary.

The Company encourages Shareholders to vote prior to the Meeting by proxy and to join the Meeting in person at Suite 1890, 1075 West Georgia Street, Vancouver, British Columbia, V6E 3C9.

Dated at Vancouver, British Columbia, this 9<sup>th</sup> day of August, 2024.

## **INFORMATION CIRCULAR**

### **SOLICITATION OF PROXIES**

Flow Metals Corp. (the "Company") is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the Annual General Meeting of the Shareholders of the Company (the "Meeting"), to be held on Tuesday, September 24, 2024, at the place and time and for the purposes set forth in the Notice of Annual General Meeting (the "Notice of Meeting") and at any adjournments thereof. This solicitation is being made primarily by mail, but proxies may also be solicited by directors, officers or employees of the Company. The cost of the solicitation of proxies will be borne by the Company.

### **APPOINTMENT OF PROXYHOLDERS**

The persons named in the enclosed form of proxy are directors and officers of the Company. **A shareholder has the right to appoint a person other than the persons named in the enclosed forms of proxy to attend and vote for him or her at the Meeting.** In order to do so, the shareholder may cross out the names printed in these forms of proxy and insert such person's name in the blank space provided thereon or complete another form of proxy. In either case, the duly completed forms of proxy must be delivered to the Company, c/o Endeavor Trust Corporation, Suite 702 – 777 Hornby Street, Vancouver, BC, V6Z 1S4, facsimile: (604) 559-8908, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the commencement of the Meeting or any adjournment thereof or the Secretary of the Meeting, on the day of the Meeting or any adjournment thereof. It is not necessary to be a shareholder in order to act as a proxy.

### **REVOCAION OF PROXIES**

A shareholder may revoke his proxy at any time, relating to any question for which the voting right granted by the proxy has not yet been exercised, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized. Such revocation must be deposited with the Company, c/o Endeavor Trust Corporation, Suite 702 – 777 Hornby Street, Vancouver, BC, V6Z 1S4, facsimile: (604) 559-8908, at any time up to and including the day preceding the day of the Meeting, or with the Chairman or Secretary of the Meeting on the day of the Meeting, or in any other manner permitted by law.

### **EXERCISE OF PROXY**

The voting rights attached to the common shares in the capital of the Company (the "**Common Shares**") represented by proxies will be voted or withheld from voting in accordance with the instructions indicated therein. **If no instructions are given, the voting rights attached to said shares will be exercised by those persons designated in the form of proxy and will be voted IN FAVOUR of all the matters described therein.**

The enclosed form of proxy confers discretionary voting authority upon the persons named therein with respect to amendments to matters identified in the Notice of Meeting, and with respect to such matters as may properly come before the Meeting. As of the date hereof, management of the Company knows of no such amendments or other matters to come before the Meeting.

### **NON-REGISTERED HOLDERS**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shareholders who do not hold their shares in their own name (the "Non-Registered Shareholders") are advised that only proxies from shareholders of record can be recognized and voted at the Meeting.**

Most shareholders are Non-Registered Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

There are two kinds of Non-Registered Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Notice of Meeting, this Information Circular and the instrument of proxy or a voting instruction form and the request form (collectively, the "**Meeting Materials**") are being sent to both registered shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you indirectly, the Intermediary holding securities on your behalf has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

### **Non-Objecting Beneficial Owners**

If you are a NOBO, the Company is sending the Meeting Materials to you indirectly. Please complete the voting instruction form and carefully follow the instructions therein for return of the executed form or other method of response. If you wish to vote in person at the Meeting (or to have another person attend and vote on your behalf), you must insert your own name (or such other person's name) in the space provided for the appointment of a proxyholder on the voting instruction form and carefully follow the instructions therein for return of the executed form or other method of response.

### **Objecting Beneficial Owners**

In accordance with applicable securities law requirements, the Company will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for distribution to OBOs.

Intermediaries are required to forward the Meeting Materials to OBOs unless an OBO has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to OBOs.

OBOs are not permitted to vote at the Meeting. Generally, OBOs who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the OBO and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the form of proxy to validly constitute a voting instruction form, the OBO must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or

- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the OBO when submitting the proxy. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and **deposit it with the Company, c/o Endeavor Trust Corporation, Suite 702 – 777 Hornby Street, Vancouver, BC, V6Z 1S4, facsimile: (604) 559-8908.**

In either case, the purpose of these procedures is to permit OBOs to direct the voting of the shares they beneficially own. Should an OBO who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the OBO), the OBO should strike out the persons named in the instrument of proxy and insert the OBO or such other person's name in the blank space provided. **In either case, OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the Instrument of Proxy or voting instruction form is to be delivered.**

An OBO may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven (7) days prior to the Meeting.

**Unless otherwise indicated in this Information Circular and in the form of proxy and Notice of Meeting attached hereto, shareholders shall mean registered shareholders.**

#### **Notice-and-Access**

Notice-and-Access is a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of its securities by posting such materials on a non-SEDAR+ website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "**Notice-and-Access Provisions**") can be used to deliver materials for both special and general meetings.

The use of the Notice-and-Access Provisions is intended to reduce paper waste and mailing costs to the issuer. In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials, the Company must send a notice to Shareholders indicating that the proxy-related materials for the Meeting have been posted electronically on a website that is not SEDAR+ and explaining how a Shareholder can access them or obtain a paper copy of those materials. Upon request, beneficial owners are entitled to delivery of a paper copy of the information circular at the reporting issuer's expense. This Information Circular and other materials related to the Meeting have been posted in full on the Company's Meeting website at <https://www.flowmetals.com> and under the Company's SEDAR+ profile at [www.sedarplus.ca](http://www.sedarplus.ca).

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for the meeting at least 40 days prior to the meeting to ensure there is sufficient time for the materials to be posted on the applicable website and the notice of meeting and form of proxy to be delivered to Shareholders. The requirements for the notice of meeting are that the Company shall provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of this Information Circular, and explain the Notice-and-Access process. The Notice of Meeting, containing this information, has been delivered to Shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of non-registered Shareholders).

The Company will not rely upon the use of 'stratification'. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some, but not all, of its shareholders, along with the notice of meeting. In relation to the Meeting, all Shareholders will receive the documentation required under the Notice-and-Access Provisions and all documents required to vote at the Meeting. No Shareholder will receive a paper copy of this Information Circular from the Company or any intermediary unless such Shareholder specifically requests same.

The Company will be delivering proxy-related materials to NOBOs and OBOs indirectly through the use of intermediaries. The management of the Company does not intend to pay for Intermediaries to OBOs, the meeting materials, and that in the case of an OBO, the OBO will not receive the meeting materials unless the OBO's Intermediary assumes the cost of delivery.

Any Shareholder who wishes to receive a paper copy of this Information Circular may contact the Company in writing by mail at: Suite 1890, 1075 West Georgia Street, Vancouver, BC, V6E 3C9; or by fax at 604-687-3141.

In order to ensure that a paper copy of this Information Circular can be delivered to a requesting Shareholder in time for such Shareholder to review this Information Circular and return a proxy or voting instruction form so that it is received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting, it is strongly suggested that a Shareholder ensure their request is received no later than September 10, 2024. All Shareholders may call toll free at 1-888-787-0888 in order to obtain additional information about the Notice-and-Access Provisions or to obtain a paper copy of this Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

### **Advice to Beneficial Holders of Common Shares**

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter our own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

Management of the Company does not intend to pay for intermediaries to forward to objecting beneficial owners (“OBOs”) under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

#### **Stock Option Plans and Other Incentive Plans**

On July 13, 2023, the Board approved a 20% rolling stock option plan (the “**Plan**”) and Shareholder’s approved the 20% Plan on September 24, 2023.

Under the terms of the Plan, options may be granted only to: (i) the Company’s employees, officers, directors, and consultants; (ii) employees, officers, directors, and consultants of an affiliate of the Company’s; and (iii) any other person deemed suitable by the Board to receive options to purchase Shares.

The exercise price of any option when exercised may not be less than the greater of the closing market price of the Shares on: (a) the last trading day immediately preceding the date of grant of the option; and (b) the date of grant of the option; provided however, that if the Shares are not listed on any securities exchange, the exercise price may not be less than the fair market value of the Shares as may be determined by the Board on the day immediately preceding the date of the grant of such option.

The Options are non-assignable and non-transferable. Options granted under the New Option Plan have a maximum term of five years and can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the New Option Plan or within 90 days (or as otherwise determined by the Board) after ceasing to be an eligible optionee, or, if the optionee dies, within one year from the date of the optionee’s death.

Subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Plan or may terminate the Plan at any time.

The decision to grant options is made by the Board as a whole, and a grant is approved by directors' resolutions or at a meeting of the Board. Decisions address vesting, maximum term, number of options, exercise price and method of exercise.

The number of Options which may be issued under the Plan in the aggregate and in respect of any year is limited under the terms of the Plan and cannot be increased without shareholder approval.

The Company does not currently have any other Incentive Plans.

### **Employment, Consulting and Management Agreements**

Please refer to the Management Agreement under "*External Management Companies*" for details of the Management Agreement in place with Partum.

The Company entered into a management services agreement dated June 1, 2021 (the "**Surgenia Agreement**") with Surgenia Productions Inc. ("**Surgenia Productions**"), a private company owned by Scott Sheldon, President and CEO of Flow Metals, pursuant to which it has secured the services of Mr. Sheldon to provide administration of the day-to-day affairs of Flow Metals; oversight with respect to the resource exploration and development business of the Company, including future property acquisitions and dispositions; maintenance of campaigns and online presence; and such other services or activities as reasonably requested by the Board. The initial term of the Surgenia Agreement is three years from execution of the Surgenia Agreement. The term will automatically renew every three years, unless either party has given notice to terminate in accordance with the provisions of the Surgenia Agreement. The Surgenia Agreement may be terminated by Surgenia Productions by giving 30 days' notice or the Company, without cause, by giving 90 days' notice to Surgenia Productions, unless a shorter notice period is agreed to by both parties. The Company pays to Surgenia Productions an annual base consulting fee of \$102,000 (the "**Base Fee**"), payable monthly in equal installments of \$8,500. In addition to the Base Fee, the Company agrees to pay all reasonable expenses of Surgenia Productions and Mr. Sheldon is entitled to participate in the Stock Option Plan. In circumstances where the Company or its subsidiaries are unable to keep current on such fees, the fees will be accrued with 7.5% interest to such later date as the Company and its subsidiaries are able to bring the fees current by payment in cash. If there is a take-over or change of control of the Company resulting in the termination of Mr. Sheldon as an officer of the Company, including any constructive dismissal, Mr. Sheldon will be entitled to the immediate payment of \$34,000 in severance.

There were no agreements or arrangements in place under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Issuer that were performed by a director or named executive officer, or performed by any other party but are services typically provided by a director or a named executive officer, other than the reimbursement of expenses any director or NEO may have incurred on behalf of the Issuer.

Except as noted above, there were no agreements or arrangement containing provisions with respect to change of control, severance, termination or constructive dismissal.

### **Oversight and Description of Named Executive Officer and Director Compensation**

The Board is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the Company's executive officers. Flow Metals at this time does not have a formal compensation program with specific performance goals; however, the performance of each executive is considered along with the Company's ability to pay compensation and its results of operation for the period. Flow Metals presently has two NEOs, Scott Sheldon and Robert Brian Murray. Mr. Sheldon has served as CEO and as a Director of the Company since July 12, 2018 and Mr. Murray has served as CFO and as a Director of the Company since July 12, 2018.

Flow Metals' executive compensation is currently comprised of a base fee or salary. Base fees or salaries are intended to provide current compensation and a short-term incentive for the NEO to meet the Company's goals, as well as to remain competitive with the industry. Base fees or salaries are compensation for job responsibilities and reflect the level of skills, expertise and capabilities demonstrated by the NEO.

Compensation is designed to achieve the following key objectives:

- (a) to support our overall business strategy and objectives;
- (b) to provide market competitive compensation that is substantially performance-based;

- (c) to provide incentives that encourage superior corporate performance and retention of highly skilled and talented employees; and
- (d) to align executive compensation with corporate performance and therefore Shareholders' interests.

## **CORPORATE GOVERNANCE**

Maintaining a high standard of corporate governance is a priority for the Board, and the Company's management believes that effective corporate governance will help create and maintain shareholder value in the long term. A

description of Flow Metals' corporate governance practices, which addresses the matters set out in National Instrument 58-101 *Disclosure of Corporate Governance Practices*, is set out below.

### **Board of Directors**

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

### **Independence of Directors**

As a venture issuer, Flow Metals is exempt from the independence requirements of NI 52-110, Part 3. Donald Sheldon and Harley Slade are not officers or employees of Flow Metals or of an affiliate of Flow Metals.

Scott Sheldon is the Chief Executive Officer and Robert Brian Murray is the Chief Financial Officer of Flow Metals, and are therefore not independent.

### **Directorships**

The current directors of the Company and each of the individuals to be nominated for election as a director of Flow Metals at the Meeting may serve as a director or officer of one or more other reporting issuers as at the date of this Notice of Meeting and Circular. However, our directors are required by law to act honestly and in good faith with a view to our best interests and to disclose any interests which they may have in any of our projects or opportunities. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not we will participate in any project or opportunity, that director will primarily consider the degree of risk to which we may be exposed and our financial position at that time.

To the best of our knowledge, there are no known existing or potential conflicts of interest among us and our promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

### **Orientation and Continuing Education**

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education, but does encourage directors to individually and as a group keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills as required to meet their obligations as directors. In addition, the Board undertakes strategic planning sessions with management.

### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation; the common law of Canada; and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of Flow Metals.

### **Nomination of Directors**

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of Shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to Flow Metals, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

### **Compensation**

The Board conducts reviews with regard to the compensation of the directors and CEO once a year. To make its recommendations on such compensation, the Board informally takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

At present, no compensation is paid to the directors of the Company in their capacity as directors. The Board does not currently have a compensation committee.

### **Other Board Committees**

The Board has no other committees other than the Audit Committee.

### **Assessments**

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board is currently responsible for assessing its own effectiveness, the effectiveness of individual directors and the effectiveness of the Audit Committee.

## **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as disclosed elsewhere in this Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of Flow Metals, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Shares or other securities in Flow Metals or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

## **APPOINTMENT OF AUDITOR**

At the Meeting, Shareholders will be asked to pass an ordinary resolution to re-appoint Smythe LLP, Chartered Professional Accountants as the auditor to hold office until the next annual meeting of the Shareholders or until such firm is removed from office or resigns as provided by law and to authorize the Board to fix the remuneration to be paid to the auditor.

**Management recommends that Shareholders vote for the approval of the appointment of Smythe LLP, Chartered Professional Accountants, as the auditor for Flow Metals for the ensuing year at a remuneration to be fixed by the Board.**
