UBIQUE ISSUES 200,000 COMMON SHARES PURSUANT TO AMENDED OPTION AGREEMENT WITH OPHIR GOLD CORP

Toronto, Ontario, February 12th, 2021– **Ubique Minerals Limited** ("Ubique" or "the Company") (CSE:UBQ) announces that it has issued 200,000 common shares to Ophir Gold Corp., formerly MinKap Resources Inc., and prior thereto Kapuskasing Gold Corp. (TSX-V:OPHR) ("Ophir"), pursuant to its option agreement which provides for Ophir granting Ubique an option to earn a 55% or greater interest in Ophir's Daniel's Harbour property in western Newfoundland, which comprises 42 claim units covering an aggregate of 1,326 hectares, adjacent to Ubique's Daniel's Harbour property to its west and making for an overall property area of more than 4,000 hectares.

Per the amended agreement, in order to earn a 55% interest in the Ophir Claims:

- On signing of the agreement, the Company must pay Ophir \$10,000 (paid) and deliver to Ophir 500,000 common shares in the capital of the Company (issued with a fair value of \$100,000);
- On or before September 15, 2019, the Company must incur an additional \$100,000 in expenditures (incurred);
- On or before February 12, 2020, the Company must pay Ophir \$10,000 (paid) and deliver to Ophir 500,000 common shares in the capital of the Company (issued with a fair value of \$22,500);
- On or before February 12, 2021, the Company must deliver to Ophir 200,000 common shares in the capital of the Company (issued with a fair value of \$10,000);
- On or before February 28, 2021, the Company must incur an additional \$200,000 in expenditures;
- On or before September 1, 2021, paying \$40,000 to the vendors from whom Ophir optioned the property.
- On or before February 28, 2022, the Company must incur an additional \$300,000 in expenditures.
- On or before February 12, 2024, the Company must incur an additional \$400,000 in expenditures, at which point the Company will have earned a 55% interest in the Ophir property.

Upon the Company earning a 55% interest, the Company may earn an additional 15% interest by incurring an additional \$400,000 in expenditures, on or before February 28, 2025.

Upon the Company earning either a 55% or 70% interest in the property, the companies will form a joint venture to continue exploration, or Ophir may elect to grant the Company the right to earn an additional 5% interest in the property for every additional work expenditure of \$100,000 to a limit of 95% ownership by the Company, at which time the agreement provides for Ophir's interest to be converted to a 2% Net Smelter Royalty ("NSR"). The Company will then have the right to buy back 1.75% of the NSR for \$2,000,000. The underlying vendors are entitled to a NSR of 3% of which 2% may be repurchased for \$2,000,000. In addition, the underlying vendors are entitled to a bonus payment in the event that the Operator delineates a NI 43-101 compliant resource of a minimum of 5,000,000 tonnes of ore with a grade of at least 7% zinc.

About Ubique Minerals Limited.

Ubique Minerals Limited is a zinc exploration company listed on the CSE (CSE:UBQ). It has focused on exploration of its 100% owned and optioned Daniel's Harbour zinc property in Newfoundland and was initially funded for two years by private equity including that from Greenbank Capital Inc (CSE:GBC and OTCMKTS:GRNBF and FRA:2TL). Ubique became a publicly listed company in September 2018. Ubique undertook one drilling program on its Daniel's Harbour zinc project in 2017 and two more drilling campaigns in 2018, and one in 2019 which were successful in delineating zinc mineralization extending from the vicinity of former mine workings. Ubique has an experienced management group with a record of multiple discoveries of deposits worldwide, and has an extensive database of historic exploration results from the Daniel's Harbour area. For more information on Ubique please contact Gerald Harper, CEO, at (416) 232-9114 or by email gcharper@ubiquezinc.com or see www.ubiqueminerals.com

More information regarding Ubique's exploration activities and results will be found on their website at www.ubiqueminerals.com
