

## SCOTCH CREEK VENTURES INC. APPOINTS GEOLOGIST AND MINING HYDROGEOLOGIST MATT VITALE, P.G. TO ADVISORY BOARD

VANCOUVER, BC / ACCESSWIRE / July 6<sup>th</sup>, 2021 / Scotch Creek Ventures Inc. (the "Company") (CSE: SCV) (FSE: 7S2) (OTC: SCVFF) ("Scotch Creek" or the "Company") is pleased to announce the appointment of Matt Vitale, P.G. to its strategic advisory board. Mr. Vitale has over eighteen years of experience practicing as a mining hydrogeologist and consulting geologist throughout the Americas and other parts of the world. Mr. Vitale looks to reinforce and advance Scotch Creek's Clayton Valley lithium projects.

Scotch Creek CEO, Mr. David Ryan, Commented, "We are very excited about the addition of Mr. Vitale to our advisory board. His successful track record and expertise in lithium brine exploration and discoveries can help further establish Scotch Creek as one of Clayton Valley's most promising new lithium brine developers."

Mr. Vitale has worked on numerous lithium projects and has extensive experience in Clayton Valley. He has worked with grassroots lithium exploration companies to developers in the advanced development stage.

His broad experience includes; lithium resource development and assessment, mineral exploration, project advancement, project management, aquifer and pumping tests, drilling, and drill contract management regulatory agency liaison and permitting, specialist consultant procurement and management, well and piezometer design and completion, instrumentation procurement and deployment, spatial and relational database building and support, ESRI ArcMap and MS Access, groundwater conceptual model development, numerical groundwater model input and review and environmental site characterization.

Scotch Creek's management is pleased to have Mr. Vitale P.G. join their strategic advisory board. He will assist Scotch Creek in their future drill programs and lithium brine developments to move their two Clayton Valley projects forward.

### About Scotch Creek Ventures

Scotch Creek is a mineral exploration company, focused on the acquisition, exploration, and development of lithium projects located in tier-one North American mining jurisdictions. Scotch Creek's mission is to become a best-in-class lithium exploration company situated in one of the most promising lithium districts in the world, Clayton Valley, Nevada.
