MANAGEMENT INFORMATION CIRCULAR AS AT JULY 24, 2020

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of NexTech AR Solutions Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (“Shareholders”) to be held at 10:00 a.m. (Pacific Daylight Time) on Thursday, August 27, 2020 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. In order to comply with measures imposed by the federal and provincial governments related to the COVID-19 pandemic, and to mitigate risks to the health and safety of our communities, Shareholders, and other stakeholders, unless we advise otherwise by way of news release and on our website (www.nextechar.com), the Meeting will be held in virtual only format, which will be conducted via telephone conference. Registered Shareholders and validly appointed proxyholders may attend the meeting by calling 1-877-407-2991 (Event 14) (toll-free in Canada and the United States) or 201-389-0925 (Event 14) (international). Registered Shareholders who attend the virtual meeting will have an equal opportunity to participate at the Meeting, regardless of their geographic location. Except where otherwise indicated, the information contained herein is stated as of July 24, 2020.

In this Information Circular, references to the “Company” and “we” refer to NexTech AR Solutions Corp. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting by teleconference. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company’s transfer agent, Computershare Trust Company of Canada (“Computershare”), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and

- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “*Voting by Non-Registered Shareholders*” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, “person” shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company’s seven months ended December 31, 2019; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person as listed in (a) or (b).

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on July 24, 2020 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company’s articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is a Shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of Shareholders, present in person or by Proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 70,121,048 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, the Shareholders who beneficially own, or exercise control or direction, directly or indirectly, Common Shares carrying 10% or more of the votes attached to Common Shares are:

Name	Number of Common Shares Owned, or Controlled or Directed, Directly or Indirectly ⁽¹⁾	Approximate Percentage of Total Outstanding Common Shares

Note:

Stock option plans and other incentive plans

Stock Option Plan

The Company's stock option plan (the "**Stock Option Plan**") was approved by the Shareholders at the annual general and special meeting of the Shareholders held on November 13, 2019. The purpose of the Stock Option Plan is to advance the interests of the Company and its shareholders by (a) ensuring that the interests of officers and employees are aligned with the success of the Company; (b) encouraging stock ownership by such persons; and (c) providing compensation opportunities to attract, retain and motivate such persons. The Stock Option Plan provides optionees with the opportunity through the exercise of options to acquire an ownership interest in the Company.

The Stock Option Plan is administered by the Compensation Committee, which determines, from time to time the eligibility of persons to participate in the Stock Option Plan, when options will be granted, the number of common shares subject to each option, the exercise price of each option, the expiration date of each option and the vesting period for each option, in each case in accordance with applicable securities laws and stock exchange requirements.

It is not the Company's practice to grant stock options to existing executive officers on an annual basis, but grants of stock options will be considered as the circumstances of the Company and the contributions of the individual warrant. Previous grants of options are taken into account when considering new grants as part of the Company's plan to achieve its objective of retaining quality personnel.

Terms of the Stock Option Plan

The following summary of the material terms of the Stock Option Plan does not purport to be complete and is qualified in its entirety by reference to the Stock Option Plan.

Eligible Optionees. Under the Stock Option Plan, the Company can grant options (the "**Options**") to acquire common shares of the Company (the "**Common Shares**") to directors, officers and consultants of the Company or affiliates of the Company, as well as to employees of the Company and its subsidiaries.

Number of Shares Reserved. The number of Common Shares which may be issued pursuant to Options granted under the Stock Option Plan may not exceed 10% of the issued and outstanding Common Shares from time to time at the date of the grant of Options.

Maximum Term of Options. The term of any Options granted under the Plan is fixed by the Board and may not exceed ten years from the date of grant.

Exercise Price. The exercise price of Options granted under the Stock Option Plan is determined by the Board, but may not be less than the closing price of the Company's Common Shares on the Canadian Securities Exchange (the "**Exchange**") on the trading day immediately preceding the award date.

Vesting Provisions. Options granted under the Stock Option Plan may be subject to vesting provisions. Such vesting provisions are determined by the Board or the Exchange, if applicable.

Termination. Any Options granted pursuant to the Stock Option Plan will terminate generally within 90 days of the option holder ceasing to act as a director, officer, employee or consultant of the Company, unless such cessation is on account of death or disability. If such cessation is on account of death or disability, the Options terminate one year from the date of such cessation. Directors or officers who are terminated for failing to meet the qualification requirements of corporate legislation, removed by resolution of the shareholders, or removed by order of a securities commission or the Exchange shall have their options terminated immediately. Employees or consultants who are terminated for cause or breach of contract, or by order of a securities commission or the Exchange shall have their Options terminated immediately.

Transferability. The Options are non-assignable and non-transferable.

Amendments. Any substantive amendments to the Stock Option Plan shall be subject to the Company first obtaining the approvals, if required, of (a) the shareholders or disinterested shareholders, as the case may be, of the Company at a general meeting where required by the rules and policies of the Exchange, or any stock exchange on which the Common Shares may then be listed for trading; and (b) the Exchange, or any stock exchange on which the Common Shares may then be listed for trading.

Board Discretion. The Stock Option Plan provides that, generally, the number of Common Shares subject to each Option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such Options shall be determined by the Board.

Oversight and description of director and named executive officer compensation

Compensation Discussion and Analysis

The Company's compensation policies and programs are designed to be competitive with similar technology companies and to recognize and reward executive performance consistent with the success of the Company's business. These policies and programs are intended to attract and retain capable and experienced people while complying with regulatory requirements. The compensation committee's (the "**Compensation Committee**") role and philosophy is to ensure that the Company's compensation goals and objectives, as applied to the actual compensation paid to the Company's CEO and other executive officers, are aligned with the Company's overall business objectives and with shareholder interests.

In addition to industry comparables, the Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Company and its shareholders, the implications of the risks associated with the Company's compensation policies and practices in light of the financial performance of the Company, the overall financial and operating performance of the Company and the Compensation Committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives. Since last year's Meeting, neither the Board nor the Compensation Committee of the Company has proceeded to a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation programme, and the Board does not believe that the Company's compensation programme results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The current members of the Compensation Committee are Paul Duffy and Belinda Tyldesley. Mr. Reuben Tozman resigned as a director of the Company effective October 10, 2019 and previously was a member of the Company's Compensation Committee. The Company may appoint a third member to the Compensation Committee after the Meeting. The function of the Compensation Committee is to assist the Board in fulfilling its responsibilities relating to the compensation practices of the executive officers of the Company. The Compensation Committee has been empowered to review the compensation levels of the executive officers of the Company and to report thereon to the Board; to review the strategic objectives of the stock option and other stock-based compensation plans of the Company and to set stock based compensation; and to consider any other matters which, in the Compensation Committee's judgment, should be taken into account in reaching the recommendation to the Board concerning the compensation levels of the Company's executive officers. The Board has adopted a charter for the Compensation Committee, which is attached as Schedule "A" to this Circular.

Report on Executive Compensation

This report on executive compensation has been authorized by the Compensation Committee. The Board assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company although the Compensation Committee guides it in this role. The Board determines the type and amount of compensation for the CEO. The Board also reviews the compensation of the Company's senior executives.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified and effective executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning the interests of these executives with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and equity participation through its stock option plan.

Elements of the Compensation Program

The significant elements of compensation awarded to the NEOs (as defined above) are a cash salary and stock options. The Company does not presently have a long-term incentive plan for its NEOs. There is no policy or target regarding allocation between cash and noncash elements of the Company's compensation program. The Compensation Committee reviews annually the total compensation package of each of the Company's executives on an individual basis, against the backdrop of the compensation goals and objectives described above, and make recommendations to the Board concerning the individual

components of their compensation.

Cash Salary

The Compensation Committee and the Board approve the salary ranges for the NEOs. The base salary review for each NEO is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. The Compensation Committee, using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, performs an annual assessment of the compensation of all executive and employee compensation levels.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and the Company's goals. Options are generally granted to senior executives and vest on terms established by the Compensation Committee.

Use of Financial Instruments

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, Management is not aware of any NEO or director purchasing such an instrument.

Perquisites and Other Personal Benefits

The Company's NEOs are not generally entitled to significant perquisites or other personal benefits not offered to the Company's other employees.

See "Director and named executive officer compensation" above for a description of the compensation awarded to each NEO during the seven months ended December 31, 2019. Compensation for the most recently completed financial period should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day-to-day management of the Company. The Canadian Securities Administrators ("CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The composition of the Board currently consists of four members: Evan Gappelberg, Paul Duffy, Belinda Tyldesley and Ori Inbar. It is proposed that all four individuals be nominated for election at the Meeting.

Of the proposed nominees, two directors, Evan Gappelberg (CEO) and Paul Duffy (President), are not considered to be independent for purposes of membership on the Board. For this purpose, a director is independent if he has no direct or indirect "material relationship" with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers as of the date hereof:

Name	Name of other reporting issuer
Evan Gappelberg	N/A
Paul Duffy	N/A
Belinda Tyldesley	N/A
Ori Inbar	N/A

Orientation and Continuing Education

When new directors are appointed, they receive orientation on the Company's business, current projects, reports on operations and results, public disclosure filings by the Company, reports on and industry, and the responsibilities of directors. With respect to continuing education, Board meetings may include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members on an ongoing basis.

Ethical Business Conduct

The Board has adopted a written code of conduct applicable to directors, officers, employees, consultants and contractors of the Company, entitled "Code of Business Conduct and Ethics" (the "**Code**"). The Board monitors compliance with the Code through the Chair of the Audit Committee and the Chief Executive Officer. The Code provides that each person is personally responsible for and it is their duty to report violations or suspected violations of the Code, and that no person will be discriminated against for reporting what that person reasonably believes to be a breach of the Code or any law or regulation.

The Code also requires each director, officer, employee and consultant of the Company to fully disclose in writing his or her interest in respect of any transaction or agreement to be entered into by the Company. Once such an interest has been disclosed, the Chair of the Audit Committee or Board will determine what course of action should be taken.

A copy of the Code is available on SEDAR at www.sedar.com and on the Company's website.

The Company requires any director or officer who has a material interest in an entity which is a party to a proposed or actual material contract or transaction with the Company to disclose the nature and extent of such interest in writing to the Company, or at a meeting of directors. Directors are also required to comply with the Company's "Securities Trading Policy" and "Code of Business Ethics and Conduct".

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and a majority of the non-executive directors.

Compensation

The members of the Compensation Committee are Paul Duffy and Belinda Tyldesley. Reuben Tozman resigned as Chief Operating Officer and as a director of the Company effective October 10, 2019, and previously was a member of the Company's Compensation Committee. The Company may appoint a third member to the Compensation Committee after the Meeting.

The members of the Compensation Committee reviewed the consulting agreement from Evan Gappelberg and the Board unanimously agreed to the terms in the agreement. The Board has decided not to pay director fees at this time.

Board Committees

The Board has no committees other than the Audit Committee and the Compensation Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee (the “**Audit Committee**”) and its relationship with its independent auditor, as set forth in the following.

The members of the Audit Committee are elected by the Board at its first meeting following the annual Shareholders’ meeting. Unless a Chair is elected by the full Board, the members of the Audit Committee designate a Chair by a majority vote of the full Audit Committee membership.

All members of the audit committee have:

- an understanding of the accounting principles used by the Company to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and provisions;
