On June 14, 2023 Toggle3D.ai was spun-out from Nextech3D.ai, unlocking the true value of Toggle3D.ai’s generative AI technology. The Company retained majority ownership with 13 million shares in Toggle3D.ai, or a 45% stake. 4 million Toggle3D.ai common shares have been issued as a stock dividend to Nextech3D.ai shareholders on a pro-rata basis.

About Toggle3D.ai

Toggle3D.ai is a groundbreaking SaaS solution that utilizes generative AI to convert CAD files, apply stunning 4K texturing, and enable seamless publishing of superior 4K 3D models, serving various industries within the \$160 billion CGI market. With its Augmented Reality-based rapid prototyping web app, Toggle3D empowers designers, artists, marketers, and eCommerce owners to effortlessly convert, texture, customize, and publish high-quality 3D models and experiences, regardless of technical or 3D design expertise.

Nextech3D.ai strongly believes that Toggle3D.ai is the first platform of its kind, with the potential to revolutionize the manufacturing and design industry. It offers an affordable and scalable approach to converting large CAD files into lightweight 3D models, making it a game changer for businesses in this sector.

Toggle3D.ai Benefits Over 3D Legacy Software

NO Learning Curve

Toggle3D.ai stands out from legacy 3D design software by eliminating the learning curve and making 3D design accessible to everyone, regardless of their technical background. Unlike traditional systems that require months of learning, Toggle3D.ai simplifies the process by humanizing design terminology, providing guided templates, and using machine learning to make the tools user-friendly.

Web-based Collaboration

Being web-based, users can access Toggle3D.ai instantly on their browsers without the need for downloads, updates, or system compatibility concerns. Additionally, the platform will offer advanced in-app collaboration features, enabling multiple users to work together on the same project in real-time, facilitating quick feedback, decision-making, and cross-department collaboration.

These collaborative tools empower businesses to adopt 3D design organization-wide, enhancing workflow efficiency and unleashing the potential of group iteration.

About the Public Company CEO Experience Podcast

“The Public Company CEO Experience Podcast” offers listeners an exclusive behind-the-scenes look into the dynamic life of a public company CEO with valuable insights, while also discussing trending topics and providing business updates on Nexech3D.ai, Toggle3D.ai, and ARway.ai.

The Podcast is designed to shed light on the intricacies and challenges of running a public company while exploring the innovative realm of emerging technology. Each episode will feature candid conversations with Evan Gappelberg and guests sharing their unique experiences, valuable knowledge, and secrets of their success stories.

As a serial entrepreneur with an exceptional track record spanning over three decades of public company experience and delivering results, Evan Gappelberg brings a wealth of knowledge and expertise to the podcast. Today, he is successfully leading three public companies, in which he has played a pivotal role in driving growth, executing strategic initiatives, and generating significant shareholder value. Evan's passion for emerging technologies, notably augmented reality and artificial intelligence, has positioned Nexech3D.ai as an industry leader.

"The Public Company CEO Experience Podcast" will not only provide valuable insights into the life of a public company CEO but also touch upon trending topics and keep listeners updated on the latest developments and trends within Nexech3D.ai, Toggle3D.ai, and ARway.ai. From groundbreaking technological advancements to key industry updates, the podcast aims to foster a deeper understanding of the AR and AI technology landscape and its potential impact on various sectors.

Nextech3D.ai invites professionals, investors, and technology enthusiasts to tune in to "The Public Company CEO Experience Podcast" for an immersive journey into the world of public company leadership. With each episode, listeners will gain invaluable perspectives and knowledge, empowering them to make informed decisions and stay ahead of the curve. About Nextech3D.ai

(formally “Nextech AR Solutions Corp” or the “Company”) (OTCQX: NEXCF) (CSE: NTAR) (FSE: EP2 is a diversified augmented reality, AI technology company that leverages proprietary artificial intelligence (AI) to create 3D experiences for the metaverse. Its main businesses are creating 3D WebAR photorealistic models for the Prime Ecommerce Marketplace as well as many other online retailers. The Company develops or acquires what it believes are disruptive technologies and once commercialized, spins them out as stand-alone public Companies issuing a stock dividend to shareholders while retaining a significant ownership stake in the public spin-out.

On October 26, 2022 Nextech3D.ai spun out its spatial computing platform, “ARway.ai” as a stand alone public Company. ARway.ai is disrupting the augmented reality wayfinding market with a no-code, no beacon spatial computing platform enabled by visual marker tracking. Nextech3D.ai retained 13 million shares in ARway and distributed 4 million shares to Nextech3D.ai shareholders. ARway.ai is currently listed on the Canadian Securities Exchange (CSE:ARWY), in USA on the OTCQB (OTC: ARWYF) and Internationally on the Frankfurt Stock Exchange (FSE: E65).

On June 14, 2023, the Company completed its second spinout of Toggle3D.ai, a groundbreaking SaaS solution that utilizes generative AI to convert CAD files, apply stunning 4K texturing, and enable seamless publishing of superior 4K 3D models. Nextech3D.ai retained 13 million shares in Toggle3D.ai and distributed 4 million shares to Nextech3D.ai shareholders. Toggle3D.ai is trading on the Canadian Securities Exchange (CSE:TGGL) and in the USA (OTC:TGGLF).
