About Map D

Map D is an Event Solutions Platform and one of 4 key business units under the Nextech3D.ai umbrella. Map D includes the following components:

Interactive Floor Plan: The Map D interactive floor plan is a powerful tool for tradeshow, festivals, and conferences. With information-rich profiles, it's easy to build out a marketplace of participating vendors and connect them to attendees, sessions, speakers, and more. The floor plan is easy to navigate, search, and bookmark, making it an essential tool for any event with a vendor marketplace

Booth Sales: Conference organizers can sell booth space to exhibitors with customizable gateway and checkout scenarios. The product allows clients to view the real-time availability of booths and their sales status. It allows exhibitors to reserve a booth or pay for it using a credit card directly from the floorplan.

Mobile App: The app combines the current MapD event management solutions technology with ARway, the AI-powered Augmented Reality Navigation platform with a disruptive no-code, no-beacon spatial computing solution, creating an industry-first augmented reality / artificial intelligence combined solution for event management providers and bringing Augmented Reality to live, in-person conferences and trade shows.

About Nextech3D.ai

Nextech3D.ai or the "Company," (OTCQX: NEXCF) (CSE: NTAR) (FSE: EP2), is a versatile augmented reality and AI technology company that utilizes its proprietary artificial intelligence (AI) to craft immersive 3D experiences at scale for E-COMMERCE. The Company's primary focus lies in creating high-quality 3D WebAR photorealistic models for Amazon and various other online retailers. Nextech3D.ai has adopted a unique approach to creating shareholder value beyond its operating business of creating 3D models.

The Company also develops or acquires disruptive AI-technologies, which are subsequently spun out to shareholders as standalone public companies. This spin-out strategy allows Nextech3D.ai to issue stock dividends to its shareholders while maintaining significant ownership in the public spin-out, without dilution to the parent company Nextech3D.ai.

Notably, Nextech3D.ai successfully spun out "ARway," (OTCQB: ARWYF | CSE: ARWY | FSE:E65) its spatial computing platform, as a standalone public company on October 26, 2022. The Company retains a 49% stake with 13 million shares in ARway Corp. while distributing 4 million shares to Nextech shareholders.

Similarly, Nextech3D.ai accomplished its second spin-out launching Toggle3D.ai, (OTCQB: TGGLF | CSE: TGGL | FSE: Q0C) an AI-powered 3D design studio aimed at competing with Adobe. The Company retains a 44% stake with 13 million shares in Toggle3D.ai Corp.
