

## BevCanna Provides Update on Financial Filings

*Company continues to experience significant growth amidst delay of completion of financial filings*

**VANCOUVER, British Columbia** – Jan 9, 2023. BevCanna Enterprises Inc. (CSE:BEV, Q:BVNNF, FSE:7BC) (“BevCanna” or the “Company”), an innovative health and wellness beverages and products company, today provided a further update on the timing of the filing of the Company’s annual financial statements, the accompanying Management’s Discussion and Analysis and required certifications for the year ended December 31, 2021 (the “**Annual Filings**”), and the Company’s interim financial statements for the three month period ended March 31, 2022, the six month period ended June 30, 2022, and the nine month period ended September 30, 2022 (collectively, the “**Interim Filings**” and together with the Annual Filings, the “**Filings**”).

Due to circumstances outside of the Company’s control, BevCanna has encountered further delay in the filing of these statements. BevCanna expects to make an application (the “**Revocation Application**”) to the British Columbia Securities Commission by January 31, 2023 to seek the revocation of the failure-to-file cease trade order (the “**FFCTO**”) issued against the Company on August 3, 2022. The Filings are anticipated to be filed in conjunction with the Revocation Application process. BevCanna’s shares are expected to resume trading on all currently listed exchanges (CSE:BEV, Q:BVNNF, FSE:7BC) after the revocation of the FFCTO and the reinstatement for trading of the Company’s shares by the Canadian Securities Exchange.

“The unforeseen additional delay we have experienced is disappointing, however our business continues to experience significant growth which we remain extremely encouraged by,” said John Campbell, CFO of BevCanna. We continue to work with our auditors and regulatory bodies to complete and file the Filings as soon as possible and will provide further updates related to such in due course. We thank all our stakeholders for their continued patience and support during this time.”
