Greenway Signs Supply Agreement with Agro-Greens

FOR IMMEDIATE RELEASE

August 23, 2021 - KINGSVILLE, Ontario - Greenway Greenhouse Cannabis Corporation ("Greenway" or the "Company"), a cultivator of high quality greenhouse cannabis through lean, high-margin cultivation methods for the Canadian market, is pleased to announce that they have entered into an agreement with Agro-Greens Natural Products Ltd. ("Agro-Greens"), whereby Greenway will supply 200kg of cannabis biomass per month as inputs to support the Shelter Wildlife Preroll brand across Canada and through Shelter Market ("Shelter").

"This marks the first, and most important, purchase order for Greenway cannabis products," says Jamie D'Alimonte, CEO and Co-Chair of Greenway. "The entire team is proud and happy that it is an agreement with Shelter and their stellar reputation in the medical market."

The agreement between Greenway, and Agro-Greens and Shelter, offers Canadian cannabis consumers access to the as of yet unavailable cultivars Sun County Kush and BlackBerry Gelato #8. Shelter provides medical cannabis patients access to a broad range of products and Greenway is pleased to finally provide their high-quality cultivars through a trusted and convenient source.

"We are excited to partner with Greenway to supply inputs for our Wildlife brand of pre-rolls. The Greenway team has the expertise and experience required to provide inputs that can meet the quality and potency standards that we require to support Wildlife and we are looking forward to a long and mutually beneficial partnership" says David Purcell, Chief Commercial Officer at Shelter.
