

Greenway Cannabis Launches in Quebec

/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES./

KINGSVILLE, ON, Nov. 7, 2022 /CNW/ - Greenway Greenhouse Cannabis Corporation (CSE: GWAY) ("Greenway Greenhouse" or the "Company") a cultivator of high-quality greenhouse cannabis for the Canadian market, is pleased to announce the listing of Greenway cannabis into the Quebec market through its partnership with Medipharm Labs ("Medipharm") (TSX: LABS) (OTCQX: MEDIF) (FSE: MLZ) and their Wildlife brand.

"We have had a strong working relationship with the Wildlife brand, and are excited to see that the people of Quebec are now able to experience the fruits of our labour," said Jamie D'Alimonte, CEO of Greenway. "With people in Quebec now having access to both Sun County Kush and Blackberry Gelato, over 93% of Canadians have access to our product."

"Greenway continues to supply us with the highest quality cultivars and has given us the confidence to continue to expand our flower offering into key regions of Canada. We're excited for consumers in Quebec to be introduced to our Wildlife brand and see the quality of flower that Canadians have come to know and love," said Brett Moon, VP of Sales and Marketing at MediPharm Labs.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy the securities in the United States nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws and may not be offered or sold in the United States unless registered under the 1933 Act and any applicable securities laws of any state of the United States or an applicable exemption from the registration requirements is available.

About Greenway

Greenway Greenhouse Cannabis Corporation is a federally licensed cultivator for the Canadian cannabis marketplace. Greenway is headquartered in Kingsville, Ontario, and leverages its agriculture and cannabis expertise in its aspiration to be a leading cannabis cultivator in Canada. More information can be found on [Greenway.ca](https://www.greenway.ca) and updates can be followed on [Instagram](#), [Twitter](#), [Facebook](#), and [LinkedIn](#).

About MediPharm Labs

Founded in 2015, MediPharm Labs specializes in the development and manufacture of purified, pharmaceutical-quality cannabis concentrates, active pharmaceutical ingredients (API) and advanced derivative products utilizing a Good Manufacturing Practices certified facility with ISO standard-built clean rooms. MediPharm Labs has invested in an expert, research driven team, state-of-the-art technology, downstream purification methodologies and purpose-built facilities for delivery of pure, trusted and precision-dosed cannabis products for its customers. MediPharm Labs formulates, develops (including through sensory testing), processes, packages and distributes cannabis extracts and advanced cannabinoid-based products to domestic and international markets. In 2021, MediPharm Labs received a Pharmaceutical Drug Establishment Licence from Health Canada, becoming the only company in North America to hold a domestic Good Manufacturing Licence for the extraction of natural cannabinoids. The Company carries out its operations in compliance with all applicable laws in the countries in which it operates.

The CSE has in no way passed upon the merits of the business of the Company and has neither approved nor disapproved the contents of this news release and accepts no responsibility for the adequacy or accuracy hereof.

Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements that constitute forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements in this news release that are not purely historical statements of fact are forward-looking statements and include statements regarding the Offering and the intended use of proceeds thereof, and the Company's beliefs, plans, expectations, future, strategy, objectives, goals and targets, the development of future operations, and orientations regarding the future as of the date of this news release. Although the Company believes that such statements are reasonable and reflect expectations of future developments and other factors which management believes to be reasonable and relevant, the Company can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: "believes", "expects", "aim", "anticipates", "intends", "estimates", "plans", "may", "should", "would", "will", "potential", "scheduled" or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved.

Forward-looking statements involve known and unknown risks, assumptions, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking statements, and includes those risks described in the Company's final prospectus dated September 3, 2021, a copy of which is available under the Company's profile at www.sedar.com. Forward-looking statements are made as of the date of this news release and, unless required by applicable law, the Company assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in these forward-looking statements.
