### Item 4 Summary of Material Change

Vsblty Groupe Technologies Corp. (the “**Company**”) closed a prospectus offering and private placement of units for total gross proceeds of \$5,590,000.

### Item 5 Full Description of Material Change

The Company announced the closing of its marketed short form prospectus offering pursuant to which the Company issued 37,060,300 units of the Company (the “**Units**”) at a price of \$0.12 per Unit for aggregate gross proceeds of \$4,447,236 (the “**Offering**”).

Each Unit is comprised of one common share of the Company (each a “**Common Share**”) and one Common Share purchase warrant (each a “**Warrant**”). Each Warrant is exercisable to acquire one Common Share at an exercise price of \$0.17 per Common Share until August 28, 2023. It is anticipated that the Warrants will commence trading on the CSE under the symbol “**VSBY.WT**” on or about August 28, 2020.

The Offering was conducted on a commercially reasonable “best efforts” basis by Echelon Wealth Partners Inc., as lead agent, on behalf of a syndicate of agents including Eight Capital (collectively, the “**Agents**”). As compensation, the Company paid to the Agents a cash fee of approximately \$311,306 and issued to the Agents an aggregate of 2,594,221 Warrants (the “**Agents’ Warrants**”). Each Agents’ Warrant entitles the holder thereof to purchase one Common Share at an exercise price of \$0.12 per Common Share until August 28, 2020.

In addition, the Company announced the closing of its U.S. non-brokered private placement of units, with terms identical to the Units, pursuant to which the Company issued 9,561,396 units for gross proceeds of approximately \$1,147,367 (the “**Concurrent Private Placement**”). The securities issued pursuant to the Concurrent Private Placement are subject to resale restrictions, including a Canadian four-month hold period. No fees or compensation are payable to the Agents in connection with the Concurrent Private Placement.

Pursuant to subscription agreements with the Company, which contained customary covenants, representations and warranties for a transaction of this type, insiders of the Company were issued 1,609,276 units for aggregate gross proceeds of approximately \$193,113 and, accordingly, the Concurrent Private Placement constitutes a “related party transaction” within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”).

Guy Lombardo, a director of the Company, through a trust controlled by Mr. Lombardo indirectly purchased 1,126,068 Units for gross proceeds of approximately \$135,128, and following the Offering and the Concurrent Private Placement the percentage of common shares of the Company he beneficially owns or controls changed from approximately 13.38% to approximately 9.42%. Jay Hutton, a director and officer of the Company, directly purchased 208,333 Units for gross proceeds of \$25,000, and following the Offering and the Concurrent Private Placement the percentage of common shares of the Company he beneficially owns or controls changed from

approximately 13.38% to approximately 8.71%. Jan Talamo, an officer of the Company, directly purchased 274,875 units for gross proceeds of \$32,985, and following the Offering and the Concurrent Private Placement the percentage of common shares of the Company he beneficially owns or controls changed from approximately 0.20% to approximately 0.34%.

The Concurrent Private Placement was considered and approved by the board of directors of the Company. There was no materially contrary view by any director approving the Concurrent Private Placement.

The issuance of the units to insiders under the Concurrent Private Placement is exempt from the formal valuation and the minority shareholder approval requirements of MI 61-101 by virtue of the exemptions in sections 5.5(a) and 5.7(a) of MI 61-101, as the fair market value of the units issued to or the consideration paid by such person did not exceed 25% of the Company's market capitalization.

The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Concurrent Private Placement, which the Company deems reasonable in the circumstances so as to be able to avail itself of the proceeds of the Concurrent Private Placement and complete the Concurrent Private Placement in an expeditious manner.
