Dear Sirs/Mesdames:

Re: VSBLTY Groupe Technologies Inc.

We refer to the Short Form Base Shelf Prospectus (the "Prospectus") of VSBLTY Groupe Technologies Inc. (the "Company") dated August 22, 2022 relating to a total offering price of the Securities, in the aggregate, of up to CAD\$50,000,000 filed by the Company.

We consent to being named and to the use, through incorporation by reference in the above-mentioned Prospectus, of our report dated May 9, 2022 to the shareholders of the Company on the following financial statements:

- Consolidated Statements of financial position as at December 31, 2021 and 2020;
- Consolidated Statements of loss and comprehensive loss, changes in shareholders' deficiency and cash flows for the years then ended, and a summary of significant accounting policies and other explanatory information.

We report that we have read the Prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a result of our audit of such financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the CPA Canada Handbook – Assurance.

Yours very truly,

A handwritten signature in black ink that reads "DMCL".
