VSBLTY GROUPE TECHNOLOGIES CORP.

INFORMATION CIRCULAR

(as at September 27, 2022 unless indicated otherwise)

This Information Circular is furnished in connection with the solicitation of proxies by the management of VSBLTY Groupe Technologies Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on October 31, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to VSBLTY Groupe Technologies Corp. The “Board of Directors” or the “Board” refers to the Board of Directors of the Company. “Common Shares” means common shares without par value in the capital of the Company. “Company shareholders”, “shareholders” and “shareholders of the Company” refer to the shareholders of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “Disinterested shareholders” means shareholders that are not Insiders nor an associate (as defined in the Securities Act (British Columbia)) of an Insider.

For the purposes of the Information Circular all dollar amounts are denominated in Canadian Dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy (who is not required to be a shareholder), to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders (a shareholder whose name appears on the records of the Company as the registered holder of Common Shares) may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders who choose to submit a proxy may do so by completing, dating and signing the Proxy and returning it by mail or delivery to the address set forth on the accompanying return envelope to the Company's transfer agent, Odyssey Trust Company ("**Odyssey Trust**"): Attention: Proxy Department, Odyssey Trust, Suite 323 – 409 Granville Street, Vancouver, British Columbia V6C 1T2.

In all cases, registered shareholders must ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited which acts as nominee for many Canadian brokerage firms), and, in the United States of America (the "**United States**"), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their identity being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing their identity (called "**NOBOs**" for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

The Company is relying on the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form ("**VIF**") from Broadridge Financial Solutions Inc. ("**Broadridge**"). The VIF is to be completed and returned to Broadridge as set out in the instructions provided on the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the Common Shares of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for: (a) delivering these materials to you; and (b) carrying out your voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Objecting Beneficial Owners

The management of the Company does not intend to pay for intermediaries to forward the materials to OBOs. OBOs will not receive the materials unless their intermediaries assume the cost of delivery.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in Canada and in the United States. Broadridge mails a VIF in lieu of the Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company, and who can be you) other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting. To exercise this right, insert the name of the desired representative, who may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of applicable provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of applicable provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the "**Business Corporations Act**"), as amended, and its directors and executive officers are residents of countries that, and a substantial portion of its assets and the assets of such persons, are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Odyssey Trust at the address set forth in the Proxy, or to the Company at the address of the registered office of the Company at 1500 – 1055 W. Georgia Street, Vancouver, British Columbia V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned or postponed, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

To the best of our knowledge, except as otherwise disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last completed financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Record Date

The Board has fixed September 12, 2022 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either: (a) attend the Meeting personally; or (b) complete, sign and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

Voting Securities

The Company's authorized share capital consists of an unlimited number of Common Shares without par value. The Common Shares are listed for trading on the Canadian Securities Exchange (the "**CSE**") under the symbol "VSBY". As of September 27, 2022, there were 241,732,993 Common Shares issued and outstanding. The quorum for the transaction of business at the Meeting is at least two persons who are, or who represent by proxy, shareholders who in the aggregate hold at least five percent of the issued and outstanding Common Shares.

Subject to any special rights or restrictions attached to any shares (and to restrictions imposed on joint shareholders): (a) on a vote by a show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote; and (b) on a poll, every shareholder entitled to vote on the matter has one vote in respect of each Common Share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy. If there are joint shareholders registered in respect of any share: (a) any one of the joint shareholders may vote at any meeting of shareholders, personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or (b) if more than one of the joint shareholders is present at any meeting of shareholders, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will

be counted. No group of shareholders of the Company has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, there is no person that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at September 27, 2022.

VOTES NECESSARY TO PASS RESOLUTIONS

Except as otherwise disclosed herein, a simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

Board Size

The Company's Board of Directors is currently set at four directors. The Board of Directors has set the number of directors to be elected at the Meeting at seven directors.

Nominees for Election

The current directors will cease to hold office immediately before the election of directors at the Meeting. Unless the director's office is vacated earlier in accordance with the provisions of the *Business Corporations Act* or the terms of the Company's Articles, each director elected at the Meeting will hold office until immediately before the election of directors at the next annual general meeting of shareholders of the Company, or, if no director is then elected, until a successor is elected, or until he otherwise ceases to hold office under the *Business Corporations Act* (British Columbia) or the terms of the Company's Articles.

None of the proposed nominees for election as a director of the Company are proposed for election pursuant to any arrangement or understanding between the nominee and any other person or company, except the directors and senior officers of the Company acting solely in such capacity.

The Company's Articles contain an advance notice provision (the "**Advance Notice Provision**") of the nomination of directors in certain circumstances. To be timely, the advance notice by the nominating Shareholder (the "**Nominating Shareholder**") must be made:

- (b) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

No nominations of directors for the Meeting by the Nominating Shareholders were received in accordance with the provisions of the Advance Notice Provision.

STATEMENT OF CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices with respect to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company's approach to corporate governance is set out below.

General

The Company recognizes the importance of good corporate governance to the long term and successful management of the Company. The Company values accountability, and honest and ethical behaviour. The Company's Board and Management have adopted policies and established committee structures to provide the best corporate governance standards suitable to the Company's current stage of development. The policies, codes and charters adopted include an Audit Committee Charter, Compensation Committee Charter and a Disclosure, Confidentiality and Insider Trading Policy.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

Members of the current Board who are independent are Messrs. Shahidi, Roth and Hays. Mr. Hutton is not independent as Mr. Hutton is the CEO and President of the Company. Each of the new management nominees, being Messrs. Mohan, Jensen and Luiz Felipe Costa Romero de Barros, will be independent members of the Board. The Board facilitates its independent supervision over management by holding periodic Board meetings to discuss the operation of the Company and by ensuring representation on the Board by directors who are independent of management.

Directorships

The following directors and director nominees of the Company hold directorships in other reporting issuers as set out below:

Name of Director	Name of Other Reporting Issuer
Jay Hutton	Voice Mobility International, Inc.
Alnesh Mohan	Premier Diversified Holdings Inc. HealthSpace Data Systems Ltd. DGL Investments No. 1 Inc. Silver Hammer Mining Corp.
Luiz Felipe Costa Romero de Barros	Eletromidia S.A.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company's overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company's proposed actions accord with shareholder objectives; reviewing succession planning; assessing management's performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders' equity interests through the optimum utilization of the Company's capital resources.

Meetings of the Board

The Board meets as required to review, among other things, the performance of the Company. Results are compared and measured against a previously established plan. The Board also holds a meeting to review and assess the Company's financial budget and business plan for the ensuing year and its overall strategic objectives. This process establishes, among other things, benchmarks against which the Board may measure the performance of management. Other meetings of the Board are called to deal with special matters as circumstances require.

Orientation and Continuing Education

The Company does not provide a formal orientation or education program for new directors. However, new directors are educated about the nature and operation of the Company's business, current issues, corporate strategy and the role of the Board, its committees and its directors by the current directors and senior officers.

The Board encourages directors to participate in continuing education opportunities in order to ensure that directors maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under applicable corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or Agents of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board has not yet developed a protocol for the nomination of directors given the Company's current size and stage of development. The Board periodically reviews the size and composition of the Board to determine if any changes are required as well as assess any potential nominees. The Board anticipates that should it determine to increase the number of directors, it will endeavour to seek new nominees who have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, demonstrated support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Compensation Committee is comprised of two directors of the Company who are each independent in accordance with National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”). The current members of the Compensation and Governance Committee are Thomas D. Hays and Amin Shahidi. Our Compensation Committee is responsible for assisting our Board in fulfilling its governance and supervisory responsibilities in respect to compensation policies, processes and practices. The responsibilities of the Compensation Committee include, among other things, administering our compensation programs and reviewing and making recommendations to our Board concerning the level and nature of the compensation payable to our directors and officers. Our Compensation Committee's oversight includes reviewing objectives, evaluating performance and ensuring that total compensation paid to our executive officers, personnel who report directly to our CEO and various other key executive officers and managers is fair, reasonable and consistent with the objectives of our philosophy and compensation program.

Other Board Committees

The Board has no committees other than the Audit Committee and Compensation Committee.

Assessments

On an ongoing basis, the Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees. On an ongoing annual basis, the Board assesses the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively.
