

Seattle, Washington - June 9, 2020 – Wikileaf Technologies Inc. (CSE:WIKI) (the “**Company**”) announced today the departure of its Chief Executive Officer, Mr. Derek Firth, effective immediately, as well as the resignations of board members Ms. Megan Sanders and Mr. Ian Rapsey. The board of directors of the Company has appointed current Chairman, Mr. Connor Cruise, as the interim Chief Executive Officer of the Company.

“On behalf of the Wikileaf board of directors, I want to thank Derek for his efforts over the past five months” said Mr. Cruise. “There have been many positive developments under Derek’s leadership and we believe these efforts will help the Company moving forward. We wish him the best with his future endeavors. In addition we would like to recognize Ms. Sanders and Mr. Rapsey for their service and thank each of them for their contributions to the Company.”

Mr. Cruise has served as the Company’s Chairman since November, 2019. He is a financial industry professional with deep capital markets experience primarily in the development and financing of early stage growth companies which has included industry leaders within the cannabis sector. He is President of Cruise Capital Ltd., a venture capital consulting firm and Vice-President of Intrysync Capital Corporation, a registered Exempt Market Dealer. Mr. Cruise previously worked as an investment advisor with PI Financial Corp as well as several venture capital initiatives.
