Tocvan today announced that effective Jan 29<sup>th</sup> 2001, Mark Smethurst has resigned from his role as Director of the Corporation. His Responsibilities will be assigned to the other members of the Board. Derek Wood CEO commented that “we would like to thank Mark for his contributions to Tocvan and wish him well in his future endeavours”

#### **About Tocvan Ventures Corp.**

Tocvan is a well-structured exploration mining company. Tocvan was created to take advantage of the prolonged downturn the junior mining exploration sector, by identifying and negotiating interest in opportunities where management feels they can build upon previous success. Tocvan Ventures Currently has approximately 24.5 million shares outstanding and is earning into two exciting opportunities. The Pilar Gold project in the Sonora state of Mexico and the Rogers Creek project in Southern British Columbia, Management feels both projects represent tremendous opportunity.

#### **Cautionary Statement Regarding Forward Looking Statements**

*This news release contains “forward-looking information” which may include, but is not limited to, statements with respect to the activities, events, or developments that the Company expects or anticipates will or may occur in the future. Forward-looking information in this news release includes statements regarding the use of proceeds from the Offering. Such forward-looking information is often, but not always, identified using words and phrases such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or variations (including negative variations) of such words and phrases, or state that certain actions, events, or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved.*

*These forward-looking statements, and any assumptions upon which they are based, are made in good faith, and reflect our current judgment regarding the direction of our business. Management believes that these assumptions are reasonable. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include, among others, risks related to the speculative nature of the Company’s business, the Company’s formative stage of development and the Company’s financial position.*

*Forward-looking statements contained herein are made as of the date of this news release and the Company disclaims any obligation to update any forward-looking statements, whether because of new information, future events, or results, except as may be required by applicable securities laws. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information.*
