All Options granted pursuant to the Plan shall be subject to the terms and conditions of the Plan notwithstanding the fact that the Option Certificates issued in respect thereof do not expressly contain such terms and conditions but instead incorporate them by reference to the Plan. The Option Certificates will be issued for convenience only and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 3 PURPOSE AND PARTICIPATION

3.1 **Purpose of Plan**

The purpose of the Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified Executives, Employees and Consultants to contribute toward the long-term goals of the Corporation, and to encourage such individuals to acquire Shares as investments.

3.2 **Participation in Plan**

The Committee shall, from time to time and in its sole discretion, determine those Executives, Employees and Consultants to whom Options are to be granted.

3.3 **Limits on Option Grants**

The following limitations shall apply to the Plan and all Options thereunder:

- (a) the maximum number of Options which may be granted to any one Option Holder under the Plan within any 12-month period shall be 5% of the Outstanding Issue (unless the Corporation has obtained disinterested shareholder approval, if required by Regulatory Rules);
- (b) if required by Regulatory Rules, disinterested shareholder approval is required to grant to Insiders a number of Options which, when added to the number of outstanding Options granted to Insiders within the previous 12 months, exceeds 10% of the Outstanding Issue;
- (c) with respect to section 5.1, the Expiry Date of an Option shall be no later than the tenth (10th) anniversary of the Grant Date of such Option;
- (d) the maximum number of Options which may be granted to any one Consultant within any 12-month period must not exceed 2% of the Outstanding Issue; and
- (e) the maximum number of Options which may be granted within any 12-month period to Employees or Consultants engaged in investor relations activities must not exceed 2% of the Outstanding Issue and such options must vest in stages over 12 months with no more than 25% of the Options vesting in any 3-month period, and such limitation will not be an amendment to this Plan requiring Option Holders' consent under section 9.2.

3.4 **Notification of Grant**

Following the granting of an Option, the Administrator shall, within a reasonable period of time, notify the Option Holder in writing of the grant and shall enclose with such notice the Option Certificate representing the Option so granted. In no case will the Corporation be required to

deliver an Option Certificate to an Option Holder until such time as the Corporation has obtained all necessary Regulatory Approvals for the grant of the Option.

3.5 **Copy of Plan**

Each Option Holder, concurrently with the notice of the grant of the Option, shall be provided with access to a copy of the Plan. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

3.6 **Limitation on Service**

The Plan does not give any Option Holder that is an Executive the right to serve or continue to serve as an Executive of the Corporation or any Subsidiary, nor does it give any Option Holder that is an Employee or Consultant the right to be or to continue to be employed or engaged by the Corporation or any Subsidiary.

3.7 **No Obligation to Exercise**

Option Holders shall be under no obligation to exercise Options.

3.8 **Agreement**

The Corporation and every Option Holder granted an Option hereunder shall be bound by and subject to the terms and conditions of this Plan. By accepting an Option granted hereunder, the Option Holder has expressly agreed with the Corporation to be bound by the terms and conditions of this Plan. In the event that the Option Holder receives his, her or its Options pursuant to an oral or written agreement with the Corporation or a Subsidiary, whether such agreement is an employment agreement, consulting agreement or any other kind of agreement of any kind whatsoever, the Option Holder acknowledges that in the event of any inconsistency between the terms relating to the grant of such Options in that agreement and the terms attaching to the Options as provided for in this Plan, the terms provided for in this Plan shall prevail and the other agreement shall be deemed to have been amended accordingly.

3.9 **Notice**

Any notice, delivery or other correspondence of any kind whatsoever to be provided by the Corporation to an Option Holder will be deemed to have been provided if provided to the last home address, fax number or email address of the Option Holder in the records of the Corporation, and the Corporation shall be under no obligation to confirm receipt or delivery.

3.10 **Representation**

As a condition precedent to the issuance of an Option, the Corporation must be able to represent to the Exchange as of the Grant Date that the Option Holder is a *bona fide* Executive, Employee or Consultant of the Corporation or any Subsidiary.

SECTION 4 NUMBER OF SHARES UNDER PLAN

4.1 **Committee to Approve Issuance of Shares**

The Committee shall approve by resolution the issuance of all Shares to be issued to Option Holders upon the exercise of Options, such authorization to be deemed effective as of the Grant Date of such Options regardless of when it is actually done. The Committee shall be entitled to approve the issuance of Shares in advance of the Grant Date, retroactively after the Grant Date, or by a general approval of this Plan.

4.2 **Number of Shares**

Subject to adjustment as provided for herein, the number of Shares which will be available for purchase pursuant to Options granted pursuant to this Plan, plus any other outstanding incentive stock options of the Corporation granted pursuant to a previous stock option plan or agreement, will not exceed 10% of the Outstanding Issue. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of such expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan.

4.3 **Fractional Shares**

No fractional Shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional Share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

SECTION 5 TERMS AND CONDITIONS OF OPTIONS

5.1 **Exercise Period of Option**

Subject to sections 3.3(c), 5.4, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option.

5.2 **Number of Shares Under Option**

The number of Shares which may be purchased pursuant to an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option.

5.3 **Exercise Price of Option**

The Exercise Price at which an Option Holder may purchase a Share upon the exercise of an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Value of the Shares as of the

Grant Date, subject to any higher minimum Exercise Price stipulated by this section. The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (b) if the Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee; and
- (d) if the Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained in this section, in no case will the Market Value or the Exercise Price be less than the minimum prescribed by each of the organized trading facilities (including the Exchange) that would apply to the Corporation on the Grant Date in question.

5.4 **Termination of Option**

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of: (i) the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate, and (ii) the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4, or 11.4 of this Plan:

- (a) *Ceasing to Hold Office* - In the event that the Option Holder holds his or her Options as an Executive and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Options shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position unless the Option Holder ceases to hold such position as a result of:

- (i) ceasing to meet the qualifications set forth in the corporate legislation applicable to the Corporation;
- (ii) a special resolution having been passed by the shareholders of the Corporation removing the Option Holder as a director of the Corporation or any Subsidiary; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position; OR

(b) *Ceasing to be Employed or Engaged* - In the event that the Option Holder holds his or her Options as an Employee or Consultant and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Options shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:

- (i) termination for cause;
- (ii) resigning his or her position; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Options were originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Options, the Committee may, in its sole discretion, choose to permit the Options to stay in place for that Option Holder with such Options then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Options in question requiring the consent of the Option Holder under section 9.2. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5 **Vesting of Option and Acceleration**

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2.

5.6 **Additional Terms**

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the relevant Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 6 TRANSFERABILITY OF OPTIONS

6.1 **Non-transferable**

Except as provided otherwise in this section 6, Options are non-assignable and non-transferable.

6.2 **Death of Option Holder**

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the date of death and the applicable Expiry Date.

6.3 **Disability of Option Holder**

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as an Executive is terminated by the Corporation by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of one year following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 **Disability and Death of Option Holder**

If an Option Holder has ceased to be employed, engaged or appointed as an Executive by reason of such Option Holder's Disability and such Option Holder dies within one year after the termination of such engagement, any Options held by such Option Holder that could have been exercised immediately prior to his or her death shall pass to the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the death of such Option Holder and the applicable Expiry Date.

6.5 **Vesting**

Unless the Committee determines otherwise, Options held by or exercisable by a Personal Representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject.

6.6 **Deemed Non-Interruption of Engagement**

Employment or engagement by the Corporation shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Corporation is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the 91st day of such leave.

SECTION 7 EXERCISE OF OPTION

7.1 **Exercise of Option**

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period by delivering to the Administrator the required Exercise Notice, or by written notice in the case of uncertificated Shares, the applicable Option Certificate and a certified cheque or bank draft or wire transfer payable to the Corporation or its legal counsel in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option. Notwithstanding anything else contained herein, Options may not be exercised during a Black-Out unless the Committee determines otherwise.

7.2 **Issue of Share Certificates**

As soon as reasonably practicable following the receipt of the Exercise Notice as described in section 7.1 and payment in full for the Shares under Option being acquired, the Administrator will direct the Corporation's transfer agent to issue to the Option Holder the appropriate number of Shares in either certificate form or, at the election of the Option Holder, on an uncertificated basis pursuant to the instructions given by the Option Holder to the Administrator. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Shares.

7.3 **No Rights as Shareholder**

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee

determines otherwise. In the event of any dispute over the date of the issuance of the Shares, the decision of the Committee shall be final, conclusive and binding.

7.4 **Tax Withholding and Procedures**

Notwithstanding anything else contained in this Plan, the Corporation may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Corporation for the amount determined by the Corporation to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Corporation (if at all) in its sole and unfettered discretion, that the amount will be securely funded; and
- (c) in all other respects follow any related procedures and conditions imposed by the Corporation.

SECTION 8 ADMINISTRATION

8.1 **Board or Committee**

The Plan shall be administered by the Administrator with oversight by the Committee.

8.2 **Powers of Committee**

The Committee shall have the authority to do the following:

- (a) oversee the administration of the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;
- (c) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Value;
- (d) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;

- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Corporation which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Options to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Options);
 - (iii) subject to any necessary Regulatory Approvals and section 9.2, amend the terms of any Options;
 - (iv) determine when Options shall be granted; and
 - (v) determine the number of Shares subject to each Option;
- (h) accelerate the vesting schedule of any Options previously granted; and
- (i) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.

8.3 **Administration by Committee**

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.4 **Interpretation**

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith, and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Corporation.

SECTION 9 APPROVALS AND AMENDMENT

9.1 Shareholder Approval of Plan

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of the shareholders of the Corporation as prescribed by the Regulatory Authority. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Corporation unless and until such shareholder approval is obtained.

9.2 Amendment of Option or Plan

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted, provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder;

then, unless otherwise excepted by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Corporation, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Corporation, if required by the Exchange.

SECTION 10 CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1 Compliance with Laws

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules, and the Corporation shall be entitled to legend the Option Certificates and the certificates for the Shares (or the written notice in the case of uncertificated Shares) representing such Shares accordingly.

10.2 Regulatory Approvals

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Corporation unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options

granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2.

10.3 **Inability to Obtain Regulatory Approvals**

The Corporation's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Corporation of any liability with respect to the failure to complete such transaction.

SECTION 11 ADJUSTMENTS AND TERMINATION

11.1 **Termination of Plan**

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this section 11, the Plan shall terminate on, and no more Options shall be granted under the Plan after, the 10th anniversary of the date of the Exchange's acceptance of the Plan.

11.2 **No Grant During Suspension of Plan**

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 **Alteration in Capital Structure**

If there is a material alteration in the capital structure of the Corporation and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Corporation covered by such Options; and
- (b) a change in the Exercise Price payable per Share; provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Corporation in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Corporation into Shares

shall be deemed to be material alterations of the capital structure of the Corporation. Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2.

11.4 **Triggering Events**

Subject to the Corporation complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder(s) in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event, in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2.

11.5 **Notice of Termination by Triggering Event**

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable, notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

11.6 **Determinations to be Made By Committee**

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.
