You should read these documents prior to investing.

PART 3 USE OF AVAILABLE FUNDS

What will our available funds be upon the closing of the Offering?

		Assuming Minimum Aggregate Offering
A	Minimum Amount to be raised by the Offering	\$800,000
B	Selling commissions and fees	\$56,000
C	Estimated Offering costs (e.g., legal, accounting, audit)	\$25,000
D	Net proceeds of Offering: $D = A - (B+C)$	\$719,000
E	Working capital as at December 31, 2023, 2023	\$(225,000)

		Assuming Minimum Aggregate Offering
F	Additional sources of funding	\$nil
G	Total available funds: G = D+E+F	\$494,000

Note:

(1) The Issuer intends to use proceeds above the Minimum Aggregate Offering, if any, towards unallocated working capital which the Issuer expects to deploy to accelerate existing business objectives and evaluate or implement potential strategic investments.

How will we use the available funds?

The Issuer intends to use the available funds as follows:

Description of intended use of available funds listed in order of priority	Assuming Minimum Aggregate Offering
Exploration – Cobalt Hill Property	\$27,500
Exploration – Tyr Silver Project	\$30,000
Exploration – New Age Properties	\$55,000
Exploration – James Bay Lithium Project	\$40,000
General and administrative	\$225,000
Marketing	\$100,000
Unallocated working capital	\$16,500
Total: Equal to G in the Use of Available Funds table	\$494,000

Note:

(1) The Issuer intends to use proceeds above the Minimum Aggregate Offering, if any, towards unallocated working capital which the Issuer expects to deploy to accelerate existing business objectives and evaluate or implement potential strategic investments.

The above-noted allocation of capital and anticipated timing represents the Issuer's current intentions based upon its present plans and business condition, which could change in the future as its plans and business conditions evolve. Although the Issuer intends to expend the proceeds from the Offering as set forth above, there may be circumstances where, for sound business reasons, a reallocation of funds may be deemed prudent or necessary and may vary materially from that set forth above, as the amounts actually allocated and spent will depend on a number of factors, including the Issuer's ability to execute on its business plan. The Issuer has generated negative cash flows from operating activities since inception and anticipates that it will continue to have negative operating cash flow beyond the 12 months after the Closing Date of the Offering. As a result, certain of the net proceeds from this Offering may be used to fund such negative cash flow from operating activities in future periods. See the "Cautionary Note Regarding Forward-Looking Information" section above.

The most recent audited financial statements of the Issuer included a going-concern note. The Issuer is still in the exploration stage and the Issuer has not yet generated positive cash flows from its operating activities, which may cast doubt on the Issuer's ability to continue as a going concern. The Offering is intended to permit the Issuer to continue to explore its properties, and is not expected to affect the decision to include a going concern note in the next financial statements of the Issuer.

How have we used the other funds we have raised in the past 12 months?

The Issuer has not raised funds in the previous 12 months.

PART 4 FEES AND COMMISSIONS

Who are the dealers or finders that we have engaged in connection with this offering, if any, and what are their fees?

The Issuer intends to pay a cash finders' fee of up to 7% of the gross proceeds raised by the Issuer from the sale of Shares to the subscribers directly introduced to the Issuer by eligible finders. In addition, the Issuer intends to issue to such eligible finders non-transferable finders' warrants of up to 7% of the number of Shares sold to such subscribers. Such finders' warrants shall entitle the holder to acquire one Common Share at a price of \$0.11 per Common Share for a period of 12 months. At this time, the names of such finders and the amount compensation to be paid are unknown.

PART 5 PURCHASERS' RIGHTS

If there is a misrepresentation in this Offering Document, you have a right

- a) to rescind your purchase of these securities with the Issuer, or**
- b) to damages against the Issuer and may, in certain jurisdictions, have a statutory right to damages from other persons.**
