Forward-Looking Information: *This news release contains "forward-looking information" within the meaning of applicable securities laws, including statements regarding the completion of the Private Placement, the Company's intention to acquire further mineral properties, the Company's business plans and prospects and the future of the Company's business, the acquisition, exploration and development of its assets, and the ability to create shareholder value. Although the Company believes that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. Readers are cautioned not to place undue reliance on forward-looking information. Such forward-looking statements are subject to risks and uncertainties that may cause actual results, performance and developments to differ materially from those contemplated by these statements depending on, among other things, the risks that the Company may not acquire any additional mineral properties, that the Company's plans and prospects will vary from those stated in this news release and that the Company may not be able to carry out its business plans as expected. Except as required by law, the Company expressly disclaims any obligation and does not intend to update any forward-looking statements or forward-looking information in this news release. Although the Company believes that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. Accordingly, readers should not place undue reliance on forward-looking information. The statements in this news release are made as of the date of this release.*
