

20.0 CERTIFICATE OF QUALIFIED PERSON

I, Theodore W. F. Vander Wart, am a professional geologist residing at 4369 Reisetser Avenue, Smithers, British Columbia, Canada, and do hereby certify that:

- I authored and am responsible for all sections this Report entitled, "*Technical Report on the Thane Copper Gold Project, Omineca Mining Division, British Columbia, Canada*", with an effective date of July 12, 2021.
- I am a Registered Professional Geoscientist (P.Ge.), Practicing, with the Engineers and Geoscientists of British Columbia (Registration Number 41115).
- I graduated from the University of British Columbia, Vancouver, British Columbia with a B.Sc. degree in Geological Sciences (1994) and have more than 25 years mineral exploration experience. My experience includes relevant exploration in the Yukon Territory and central and northwestern British Columbia.
- I am independent of Interra Copper Corp. as independence is described in Section 1.5 of National Instrument 43-101. I do not have any agreement, arrangement or understanding with Interra Copper Corp., nor any affiliated company, to be or become an insider, associate, or employee. I do not own securities in Interra Copper Corp. nor any affiliated companies, my professional relationship is at arm's length as an independent consultant, and I have no expectation that the relationship will change.
- I was retained by Interra Copper Corp. to prepare an exploration and technical summary on the Thane Copper-Gold Project, Omineca Mining Division, British Columbia, Canada, in accordance with National Instrument 43-101. This Technical Report is based on my review of project files, reports, and information provided by Interra Copper Corp., it's consultants and contractors, and public sources.
- I conducted a site visit and inspection of the Thane Property on July 7, 2021, including verification sampling from various locations. I have had prior involvement on the Thane Property during July and August 2020, as part of CME Consultants Inc.'s exploration team.
- I have read National Instrument 43-101 and Form 43-101F1 and, by reason of education and past relevant work experience, I fulfill the requirements to be a "Qualified Person" for the purposes of National Instrument 43-101. This Technical Report has been prepared in compliance with National Instrument 43-101 and Form 43-101F1.
- As of the effective date of this Technical Report, to the best of my knowledge, information, and belief, this Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
