

## Interra Copper Announces Market Maker Engagement

June 17, 2022

**Vancouver, BC – Interra Copper Corp. (CSE: IMCX) (OTCQB: IMIMF) (FRA: 3MX)** (“Interra” or the “**Company**”) Interra is pleased to announce that effective immediately, that is has entered into a market-making services agreement (the “Agreement”) with Independent Trading Group Inc. (“ITG”), located in Toronto, Ontario. The term of the Agreement is three months, can be renewed on a monthly basis and may be terminated with 30 days written notice prior to the end of the month. The Agreement requires no regulatory or other approval from the CSE.

The purpose of the Agreement is to make a two-sided market in the Company's listed common shares and provide liquidity to the market. ITG's objectives include: (i) limiting the difference between the bid price and the offer price for the shares; (ii) assisting in maintaining a fair and orderly market for the shares; (iii) enhancing market depth and increasing liquidity; and (iv) acting as a liaison between the Company and the market by providing information regarding the trading pattern of the shares. The fee for these services is \$5,000 on a monthly basis.

ITG and its affiliates or associates do not have any interest, directly or indirectly, in the Company or its securities, or any right or intent to acquire such an interest. ITG and the Company are unrelated and unaffiliated entities, and, at the time of the Agreement, neither ITG nor its principals had an interest, directly or indirectly, in the securities of the Company. ITG will not receive shares or other securities as compensation. The capital used for market-making will be provided by ITG.

## ABOUT INTERRA COPPER CORP.

Interra is a junior exploration and development company focused on creating shareholder value through the advancements of its current assets that include the Thane Property in north-central British Columbia, and the Chuck Creek property in South-central BC. Utilizing its heavily experienced management team, Interra continues to source and evaluate assets to further generate shareholder value.

The Thane Property covers approximately 206 km<sup>2</sup> (50,904 acres) and is located in the Quesnel Terrane geological belt of north-central British Columbia, midway between the previously-operated open pit Kemess Mine and the current Mount Milligan open pit mine, which are both copper-gold porphyry deposits. The Thane Property includes several highly prospective mineralized areas identified to date, including the Cathedral Area on which the Company's exploration is currently focused.
