

Exploits Announces \$4 Million Non-Brokered Private Placement of Flow-Through Shares

Vancouver, British Columbia--(Newsfile Corp. - December 7, 2022) - Exploits Discovery Corp. (CSE: NFLD) (OTCQX: NFLDF) (FSE: 634) ("Exploits" or the "Company") is pleased to announce that it will conduct a non-brokered private placement (the "Offering") of up to 14,814,815 flow-through common shares (each, an "FT Share") at a price of \$0.27 per FT Share for gross proceeds of up to \$4 million. The Offering is expected to close during the week of December 12, 2022.

The gross proceeds received by the Company from the Offering will be used to incur eligible "Canadian exploration expenses" ("CEE") that are "flow-through mining expenditures" (as such term is defined in the Income Tax Act (Canada)) related to the Company's mining projects.

All securities issued under the Offering will be subject to a four-month-and-one-day statutory hold period in accordance with applicable securities laws. Finder's fees may be payable in accordance with the policies of the Canadian Securities Exchange. Completion of the Offering remains subject to any required regulatory approvals.

This news release does not constitute an offer of securities for sale in the United States. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and such securities may not be offered or sold within the United States absent U.S. registration or an applicable exemption from U.S. registration requirements.

About Exploits Discovery Corp.

Exploits is a Canadian mineral exploration company focused on the acquisition and development of mineral projects in Newfoundland and Labrador, Canada. The Company is actively exploring its gold projects in the Exploits Subzone, covering approximately 2,000 square kilometres of mineral tenements. The Company's *Exploration 2.0* methodology is focused on discovering high-grade structurally hosted epizonal gold similar to New Found Gold's success at the Keats and Lotto Zones in the Appleton zone. Exploits is leveraging its local team and geologic understanding to become one of the most extensive explorers in the Exploits Subzone.
