MANAGEMENT INFORMATION CIRCULAR

IMPORTANT NOTICE

ANNUAL GENERAL MEETING OF SHAREHOLDERS OF PLANK VENTURES LTD. WILL BE HELD VIA TELECONFERENCE ONLY. YOU WILL NOT BE ABLE TO ATTEND THE MEETING PHYSICALLY.

The information contained in this Management Information Circular, unless otherwise indicated, is as of **November 29, 2022**.

This Management Information Circular is being mailed by the management of Plank Ventures Ltd. (the “Company” or “Plank”) to shareholders of record at the close of business on November 29, 2022, which is the date that has been fixed by the directors of the Company as the record date (the “Record Date”) to determine the shareholders who are entitled to receive notice of the meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general meeting (the “**Meeting**”) of the shareholders that is to be held on **Friday, December 30, 2022 at 10:00 a.m.** (Pacific Time) via teleconference (please see the call number and the code in the notice of meeting). The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

QUORUM

Pursuant to the Articles of the Company, the quorum for the transaction of business at a Meeting of shareholder is two persons who are, or represent by proxy, shareholders holding, in the aggregate, at least five percent of the issued shares entitled to be voted at the Meeting.

SECTION 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **November 29, 2022**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person via teleconference you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person via teleconference, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent via mail or personal delivery to Odyssey Trust Company, United Kingdom Building, 350-409 Granville Street, Vancouver, BC V6C 1T2, Attention: Proxy Department, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof. Alternatively, you can fax your proxy to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international). Lastly, a shareholder may complete his or her form of proxy online at <https://login.odysseytrust.com/pxlogin> and click VOTE. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote online, do not mail the proxy. In the event of a strike, lockout or other work stoppage involving postal employees, all documents required to be delivered by a shareholder should be delivered by facsimile to Odyssey Trust Company at (800) 517-4553.

What is a Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "Management Proxyholders"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see *Section 3 - The Business of the Meeting*. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite401, 750 West Pender Street, Vancouver, British Columbia, V6C 2T7 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. in the afternoon (Pacific Time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person via teleconference. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company, 323-409 Granville Street, Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at (800) 517-4553.

In all cases, the proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to NI 54-101 of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary’s directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped

signature) which is restricted as to the number of common shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Odyssey Trust Company as described under “**Voting By Proxy**” above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the common shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person via teleconference (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the “**Act**”), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Exercise of Compensation Securities by Directors and NEOs

There were no stock options exercised by a director or NEO during the financial year ended July 31, 2022.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Compensation of directors is determined by a recommendation of the Board of Directors. Non-executive directors do not currently receive fees. Long term incentives (stock options) are granted from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company's compensation philosophy for Named Executive Officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company's executive officers, the Company takes into consideration a variety of factors including management's understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; each executive officer's individual performance during the fiscal year; each executive officer's experience, skills and level of responsibility; the executive's historical compensation and performance within the Company; and existing market standards within the mining industry. Management presents its recommendations to the Compensation Committee and the Board of Directors.

The Board of Directors approves compensation annually and on an as-needed basis, with input from management, on the specific work to be undertaken.

Elements of NEO Compensation

Compensation Mix

In keeping with the Company's philosophy to link executive compensation to corporate performance and to motivate executives to achieve exceptional levels of performance, the Company has adopted a model that includes both base salary and "at-risk" compensation comprised of participation in the Company's Long-Term Incentive Plan (stock options), as described below.

Base Salary

Directors are eligible to receive a day rate for consulting services when requested by the Company to provide services not normally considered to be within the scope of Directors' duties. The Board considers that this is appropriate for the Company's current stage of development. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his or her role and to ensure executive retention.

Long Term Incentive Plan (Stock Options)

Long term incentives are performance-based grants of stock options. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options are based on:

- (a) the executive's performance;
- (b) the executive's level of responsibility within the Company;

- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

The value of any long-term options allocated is determined using the Black-Scholes model.

Management makes recommendations to the Compensation Committee and the Board concerning the Company's Long-Term Incentive Plan based on the above criteria. Options are typically granted on an annual basis in connection with the review of executives' compensation packages. Options may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

Stock compensation awards are also granted, at the discretion of the Board, to existing directors, employees, and consultants based on award levels in the past and Company performance, in compliance with applicable securities law, stock exchange, and other regulatory requirements. Share compensation grants may also be issued, at the discretion of the Board, throughout the year, to attract new directors, officers, employees or consultants. The Company's Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the director, officer, employee, or consultant in determining the level of incentive stock option compensation.

Benefits and Perquisites

The Company's NEOs do not receive any benefits or perquisites. For additional details, see "Description of the Long-Term Incentive Plan" below.

Material Terms of NEO Agreements

There are currently no NEO agreements with the Company.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement.

Termination and Change of Control Benefits

There are no compensatory plans or arrangements with respect to any Named Executive Officer resulting from the resignation, retirement or any other termination of employment of the officer's employment or from a changed of the Name Executive Officer's responsibilities following a change in control.

In the event the participant was engaged in investor relations activities, exercise must occur within thirty (30) days after the cessation of the participant's services to the Company.

In the event of the death of a participant, the option previously granted to him shall be exercisable only within the one (1) year after such death and then only:

SECTION 5 - AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) requires the Company, as a venture issuer to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

- (d) an understanding of internal controls and procedures for financial reporting.

Mr. Bradley Carlyle, CPA, CA, brings over 10 years of executive level strategic financial and operational experience, including M&A work in both acquisition and divestiture transactions in the United States, Canada and Europe. AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Company’s most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

RELIANCE ON CERTAIN EXEMPTIONS

At no time since the commencement of the Company’s most recently completed financial year ended **July 31, 2022**, has the Company relied on the exemption in section 2.4 *Audit Committees (De Minimis Non-audit Services)*, subsection 6.1.1(4) *(Circumstance Affecting the Business or Operations of the Venture Issuer)*, subsection 6.1.1(5) *(Events Outside Control of Member)*, subsection 6.1.1(6) *(Death, Incapacity or Resignation)* or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

As the Company is considered a “Venture Issuer” pursuant to relevant securities legislation, the Company is relying on the exemption in Section 6.1 of NI 52-110, from the requirement of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES FOR NON-AUDIT SERVICES

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Company’s Audit Committee Charter attached as Schedule “A” to this Information Circular.

EXTERNAL AUDITOR SERVICE FEES

In the following table, “Audit Fees” are fees billed by the Company’s external auditors for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related Fees” are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax Fees” are billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. “All Other Fees” are fees billed by the auditors for products and services not included in the foregoing categories.

SECTION 6 - CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company’s systems of corporate governance with reference to National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”). Where a company’s corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company’s approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its shareholders and contribute to effective and efficient decision making. National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

All of the proposed nominees for election as directors at the Meeting are current directors of the Company. Under NI 52-110 a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the proposed nominees, Laurie Baggio, who also serves the Company as President and CEO, is an executive officer and, as such, is considered not to be “independent”. Bradley Carlyle and Brian O’Neill are considered by the Board to be “independent”, within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. It is the objective of the Company to continue to have a majority of independent Board members and enhance the quality of the Company’s corporate governance.

The Company does not currently have a Chair of the Board and, given the current size of the Board, does not consider that a Chair is necessary. The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their positions on the Board. The Board will give consideration to appointing an “independent” member as Chair at such time as it believes that such a position is required.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management through frequent meetings of the Board and by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company’s internal control processes and management information systems. The Board as a whole reviews executive compensation and recommends stock option grants accordingly.

MANDATE OF THE BOARD

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the Company's business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

The following directors of the Company hold directorships in other reporting issuers as set out below:

Name of Director	Name of Other Reporting Issuer
Laurie Baggio	Mobio Technologies Inc.
Bradley Carlyle	N/A
Brian O'Neill	Mobio Technologies Inc.

ORIENTATION AND CONTINUING EDUCATION

New directors are briefed on strategic plans, short, medium and long-term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. For a description of the current principal occupations of the members of the Company's Board see table in the *Section 3 – The Business of the Meeting – Election of Directors*.

ETHICAL BUSINESS CONDUCT

The Board has determined that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

NOMINATION OF DIRECTORS

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the President and CEO. The

current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed and discussed amongst the members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an *ad hoc* basis.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Company does not currently pay its directors any remuneration for acting as directors and the only compensation for acting as directors received by non-management directors is through the grant of incentive stock options. The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Stock options to be granted to "management" directors are required, as a matter of board practice, to be reviewed and approved by the "non-management" directors. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time as, in the opinion of the Board, the size and activities of the Company and the number of management employees warrants it, the Board will consider it necessary to appoint a formal compensation committee. See *Section 4 – Statement of Executive Compensation – Director and NEO Compensation*.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has no other committees other than the Audit Committee.

ASSESSMENTS

The Board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the Board's current size facilitates informal discussion and evaluation of members' contributions within that framework.

CEASE TRADE ORDERS, BANKRUPTCIES, PENALTIES OR SANCTIONS

For purposes of the disclosure in this section, an “order” means a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days; and

for purposes of item (a)(i) below, specifically includes a management cease trade order which applies to directors or executive officers of a relevant company that was in effect for a period of more than 30 consecutive days whether or not the proposed director was named in the order.

To the knowledge of the Company, none of the proposed directors, including any personal holding company of a proposed director:

- (a) is, as at the date of this Information Circular, or has been, within the 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:
 - i was subject to an order that was issued while the proposed director was acting in the capacity as a director, chief executive officer or chief financial officer of the company; or

This charter (the “**Charter**”) sets forth the purpose, composition, responsibilities, duties, powers and authority of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of the Company.

The role of the Committee is to provide oversight of the Company's financial management and of the design and implementation of an effective system of internal financial controls as well as to review and report to the Board on the integrity of the financial statements of the Company, its subsidiaries and associated companies. This includes helping directors meet their responsibilities, facilitating better communication between directors and the external auditor, enhancing the independence of the external auditor, increasing the credibility and objectivity of financial reports and strengthening the role of the directors by facilitating in-depth discussions among directors, management and the external auditor. Management is responsible for establishing and maintaining those controls, procedures and processes and the Committee is appointed by the Board to review and monitor them. The Company's external auditor is ultimately accountable to the Board and the Committee as representatives of the Company's shareholders.

Duties and Responsibilities

External Auditor

- a) To recommend to the Board, for shareholder approval, an external auditor to examine the Company's accounts, controls and financial statements on the basis that the external auditor is accountable to the Board and the Committee as representatives of the shareholders of the Company.
- b) To oversee the work of the external auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company, including the resolution of disagreements between management and the external auditor regarding financial reporting.
- c) To evaluate the audit services provided by the external auditor, pre-approve all audit fees and recommend to the Board, if necessary, the replacement of the external auditor.
- d) To pre-approve any non-audit services to be provided to the Company by the external auditor and the fees for those services.
- e) To obtain and review, at least annually, a written report by the external auditor setting out the auditor's internal quality-control procedures, any material issues raised by the auditor's internal quality-control reviews and the steps taken to resolve those issues.
- f) To review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Company. The Committee has adopted the following guidelines regarding the hiring of any partner, employee, reviewing tax

professional or other person providing audit assurance to the external auditor of the Company on any aspect of its certification of the Company's financial statements:

- i. No member of the audit team that is auditing a business of the Company can be hired into that business or into a position to which that business reports for a period of three years after the audit;
 - ii. No former partner or employee of the external auditor may be made an officer of the Company or any of its subsidiaries for three years following the end of the individual's association with the external auditor;
 - iii. The Chief Financial Officer ("CFO") must approve all office hires from the external auditor; and
 - iv. The CFO must report annually to the Committee on any hires within these guidelines during the preceding year.
- g) To review, at least annually, the relationships between the Company and the external auditor in order to establish the independence of the external auditor.

Financial Information and Reporting

- (a) To review the Company's annual audited financial statements with the Chief Executive Officer ("CEO") and CFO and then the full Board. The Committee will review the interim financial statements with the CEO and CFO.
- (b) To review and discuss with management and the external auditor, as appropriate:
 - (i) The annual audited financial statements and the interim financial statements, including the accompanying management discussion and analysis; and
 - (ii) Earnings guidance and other releases containing information taken from the Company's financial statements prior to their release.
- (c) To review the quality and not just the acceptability of the Company's financial reporting and accounting standards and principles and any proposed material changes to them or their application.
- (d) To review with the CFO any earnings guidance to be issued by the Company and any news release containing financial information taken from the Company's financial statements prior to the release of the financial statements to the public. In addition, the CFO must review with the Committee the substance of any presentations to analysts or rating agencies that contain a change in strategy or outlook.

- (iii) The appointment and compensation of the controller, if any.
- (b) To review, with the CFO and others, as appropriate, the Company's internal system of audit controls and the results of internal audits.
- (c) To review and monitor the Company's major financial risks and risk management policies and the steps taken by management to mitigate those risks.
- (d) To meet at least annually with management (including the CFO), the internal audit staff, and the external auditor in separate executive sessions and review issues and matters of concern respecting audits and financial reporting.
- (e) In connection with its review of the annual audited financial statements and interim financial statements, the Committee will also review the process for the CEO and CFO certifications (if required by law or regulation) with respect to the financial statements and the Company's disclosure and internal controls, including any material deficiencies or changes in those controls.

The report to the Board may take the form of an oral report by the Chair or any other member of the Committee designated by the Committee to make this report.
