

# Awakn Life Sciences Announces Signing of Lease for Second Clinic in Norway

## Trondheim in central Norway will be the location of Awakn's 4th clinic

Toronto, Ontario--(Newsfile Corp. - December 1, 2022) - Awakn Life Sciences Corp. (NEO: AWKN) (OTCQB: AWKNF) (FSE: 954) ('Awakn'), a revenue-generating biotechnology company researching, developing, and commercializing therapeutics to treat addiction with a near-term focus on Alcohol Use Disorder (AUD), announces today the signing of a 5-year lease to open Awakn Clinics Trondheim. The new clinic is part of the second stage of Awakn's Nordic expansion plans, following on from last week's announcement of a move to a larger premises for its Oslo clinic.

Awakn Clinics Trondheim will be a 3-treatment room clinic spread over 1,400 square ft and will be situated in the center of Trondheim. The clinic renovations will be finalized in late Q1 2023 with the opening expected soon after that.

Anthony Tennyson, Awakn's CEO commented, "There is real momentum growing for Awakn in Norway. In the space of a week to be able to share news of our move to a new bigger premises in Oslo and an entirely new clinic in Trondheim is very exciting. For so many people who are suffering and in desperate need of a new more effective treatment, this will be great news for them."

Awakn's Nordic expansion is being led by its Regional Director of the Nordics, Dr. Lowan Stewart a renowned figure in the Nordic medical community. He was responsible for the adoption of ketamine therapy into the public healthcare system in Norway. The Trondheim clinic will be led by Dr. Ingrid Casterberg, a prominent and well-respected psychiatrist in Norway.

### **About Awakn Life Sciences Corp.**

Awakn Life Sciences Corp. is a revenue-generating biotechnology company researching, developing, and commercializing therapeutics to treat substance and behavioral addictions. Awakn has a near-term focus on Alcohol Use Disorder (AUD), a condition affecting 400m people globally for which the current standard of care is inadequate. Our goal is to provide effective therapeutics to addiction sufferers in desperate need and our strategy is focused on commercializing our R&D pipeline across multiple channels.

### **Notice Regarding Forward-Looking Information**

This news release contains certain forward-looking information and forward-looking statements, as defined in applicable securities laws (collectively referred to herein as "forward-looking statements"). Forward-looking statements reflect current expectations or beliefs regarding future events or the Company's future performance. All statements other than statements of historical fact are forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "continues", "forecasts", "projects", "predicts", "intends", "anticipates", "targets" or "believes", or variations of, or the negatives of, such words and phrases or state that certain actions, events or results "may", "could", "would", "should", "might" or "will" be taken, occur or be achieved, including statements relating the business of the Company. All forward-looking statements, including those herein are qualified by this cautionary statement.

Although the Company believes that the expectations expressed in such statements are based on

reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the statements. There are certain factors that could cause actual results to differ materially from those in the forward-looking information. These include, but are not limited to: COVID-19; fluctuations in general macroeconomic conditions; the business plans and strategies of the Company; the ability of the Company to comply with all applicable governmental regulations in a highly regulated business; the inherent risks in investing in target companies or projects which have limited or no operating history and are engaged in activities currently considered illegal in some jurisdictions; changes in laws; limited operating history; reliance on management; requirements for additional financing; competition; fluctuations in securities markets; inconsistent public opinion and perception regarding the medical-use of psychedelic drugs; expectations regarding the size of the addiction market; and regulatory or political change. Readers are cautioned that the foregoing list of factors is not exhaustive of the factors that may affect forward-looking statements. Accordingly, readers should not place undue reliance on forward-looking statements. The forward-looking statements in this news release speak only as of the date of this news release or as of the date or dates specified in such statements.

Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking information. For more information on the Company, investors are encouraged to review the Company's public filings on SEDAR at [www.sedar.com](http://www.sedar.com). The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.

This news release does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in the United States. The Company's and Awakn's securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
