During the month ended August 31, 2022, ABO, on behalf of the Investor, (i) acquired common shares of the Company (each, a **Share**) upon the conversion of Debentures which were acquired under the second Tranche, and (iii) disposed of Shares.

As a result of the foregoing and a reduction in the Assumed Conversion Price (as defined below), ABO's net holdings of the Company, on behalf of the Investor, increased by 0.65% on a non-diluted basis and decreased by 9.87% on a partially-diluted basis.

3.2 *The designation and number or principal amount of securities and the eligible institutional investor's securityholding percentage in the class of securities at the end of the month for which the report is made.*
