MYRIAD METALS CORP. ENTERS INTO CONSULTING AGREEMENT WITH VENTURE NORTH CAPITAL INC.

Vancouver, B.C. – October 20, 2022 – Myriad Metals Corp. (“Myriad” or the “Company”) (CSE: MMC) is pleased to announce that it has entered into a consulting agreement dated as of October 19, 2022 with Venture North Capital Inc. (“**Venture North**”), an arm’s length party. Under the agreement, Venture North will provide strategic marketing, investor relations and business consulting services to Myriad.

The agreement has a three month term and may be terminated by either party at any time by providing 30 days written notice to the other party. As compensation for the services to be provided, Myriad will pay Venture North a fee of \$5,000 per month.

About Myriad

Myriad is a Vancouver-based mineral exploration company with an option to earn a 100% interest in over 1,800 km² of uranium exploration licenses in the Tim Merso Basin, Niger. Myriad also has a 50% interest in the Millen Mountain Property located in Nova Scotia, Canada, with the other 50% held by Probe Metals Inc. For further information, please refer to the Company’s disclosure record on SEDAR (www.sedar.com) contact the Company by telephone at 778.999.7030, or refer to the Company web-site, at www.myriadmetalscorp.com.

ON BEHALF OF THE BOARD OF DIRECTORS

###

This news release contains “forward-looking information” that is based on the Company’s current expectations, estimates, forecasts and projections. This forward-looking information includes, among other things, the Company’s business, plans, outlook and business strategy. The words “may”, “would”, “could”, “should”, “will”, “likely”, “expect”, “anticipate,” “intend”, “estimate”, “plan”, “forecast”, “project” and “believe” or other similar words and phrases are intended to identify forward-looking information. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the Company’s actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking information. Such factors include, but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and technological or operational difficulties. This list is not exhaustive of the factors that may affect our forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. The Company does not intend, and expressly disclaims any intention or obligation to, update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required by applicable law.

The CSE has not reviewed, approved or disapproved the contents of this news release.
