Vancouver, British Columbia--(Newsfile Corp. - April 20, 2023) - MYRIAD URANIUM CORP. (CSE: M) (OTCQB: MYRUF) (FSE: C3Q) ("**Myriad**" or the "**Company**") announces that it has engaged the services of Independent Trading Group ("ITG") to provide market making services in accordance with CSE policies. ITG will trade shares of the Company on the CSE, OTCQB, and all other trading venues with the objective of maintaining a reasonable market and improving the liquidity of the Company's common shares.

Under a market making services agreement dated as of April 12, 2023, ITG will receive compensation of C\$6,000 per month, payable monthly in advance. The agreement is for an initial term of three months and will renew for additional one-month terms unless terminated. The agreement may be terminated by either party with 30 days' notice. There are no performance factors contained in the agreement and ITG will not receive shares or options as compensation. ITG and the Company are unrelated and unaffiliated entities and at the time of the agreement, neither ITG nor its principals have an interest, directly or indirectly, in the securities of the Company.

"As recently announced, the Company is about to invest significantly in investor awareness," stated Thomas Lamb, Myriad's CEO. "It only makes sense to also engage a professional market maker at this point in order to tighten spreads, ensure investor access to volume, mitigate price volatility, and promote orderly price discovery. Combining our investor awareness efforts with the assistance of a professional market maker has good potential to lower Myriad's future cost of capital and should provide improved ongoing liquidity for Myriad shareholders."
