

HeyBryan Announces Plans to Expand into Calgary

The home-maintenance marketplace app expects to be live in Calgary December 2019

Vancouver, British Columbia--(Newsfile Corp. - November 26, 2019) - [HEYBRYAN MEDIA INC. \(CSE: HEY\)](#) ("HeyBryan"), an app that connects home-maintenance Experts to homeowners for help with small tasks around the home, is excited to announce its launch in Calgary in upcoming December, expanding from its existing locations across the Greater Toronto Area and British Columbia's Lower Mainland.

HeyBryan, created in partnership with HGTV celebrity Bryan Baeumler, connects homeowners with trusted home maintenance Experts for any small tasks around the home, from appliance repair to cleaning, from painting to handyman work, to name a few.

Launched in 2018, the HeyBryan app has been growing substantially in Toronto and Vancouver, with an average monthly Customer growth of 115% and monthly Expert growth of around 70% since January 2019.

Lance Montgomery, Founder & CEO of HeyBryan, says: "What really makes our app different is that it offers *instant* access to a large, vetted and qualified network of trusted local Experts and promises an exceptional customer experience for both the homeowner and the Expert, based on background checks as well as reviews. HeyBryan allows independent experts to communicate directly with consumers, accommodating busy schedules of both parties. We are happy to see continuous growth in the existing locations and are very excited to be able to satisfy an urgent need for our service in other Canadian cities, starting with Calgary next month!"

HeyBryan plans to add more Canadian locations in 2020.
