Fasttask Technologies and Komo Plant Based Foods Sign Amended & Restated Merger Agreement

Vancouver, B.C. – April 21, 2021 – Fasttask Technologies Inc. (CSE:TASK.X) (OTC:HEYBF) (FSE:9HB) (the “Company”) announces that, further to the Company’s news release dated February 8, 2021, the Company has entered into an amended and restated merger agreement dated April 13, 2021 (the “Amended Agreement”) with 1285877 B.C. Ltd. (“TASK Subco”), a wholly-owned subsidiary of the Company, and Komo Plant Based Comfort Foods Inc. (formerly, Komo Plant Based Foods Inc.) (“Komo Comfort Foods”), in respect of the proposed completion of a reverse-takeover transaction of the Company by Komo Comfort Foods (the “Proposed Transaction”). The Amended Agreement amends and restates the merger agreement between the parties dated February 1, 2021 (the “Merger Agreement”) in its entirety.

As described in the Company’s February 8, 2021 news release, the Proposed Transaction is expected to be treated as a fundamental change in accordance with the policies of the Canadian Securities Exchange (the “CSE”), and will result in the Company acquiring all of the issued and outstanding securities of Komo in exchange for the issuance of securities of the Company on a 1:1 basis.

The parties entered into the Amended Agreement primarily for the following purposes:

1. To update the outside date for the closing of the Proposed Transaction from April 30, 2021 to May 28, 2021;
2. To adjust certain securities-related numbers of the Company in order to accommodate the pre-closing completion of the non-brokered concurrent financing of units the Company contemplated under the Merger Agreement (the “Concurrent Financing”), as well as the debt settlement (the “Debt Settlement”) and option grant of the Company contemplated under the Merger Agreement;
3. To adjust certain securities-related numbers of Komo in order to accommodate the pre-closing completion of a portion of the unit private placement of Komo contemplated under the Merger Agreement; and
4. To distinguish the treatment of the outstanding warrants of Komo exercisable into common shares of Komo Comfort Foods (each, a “Komo Share”) from the outstanding warrants of Komo Comfort Foods exercisable into units of Komo Comfort Foods, where each such unit consists of one Komo Share and a warrant exercisable into one Komo Share.

For details regarding the Concurrent Financing and the Debt Settlement please refer to the Company’s news releases dated February 1, 2021 and April 13, 2021. Other than as described above, the Amended Agreement did not materially alter the terms of the Proposed Transaction and the various closing conditions remain the same.

Trading in the common shares of the Company is currently halted in accordance with the policies of the CSE and will remain halted until such time as all required documentation in connection

with the Proposed Transaction has been accepted by the CSE and permission to resume trading has been obtained from the CSE.
