**Komo Plant Based Foods to be Available for Online Purchase Across the United States
through GTFO It's Vegan**

Vancouver, B.C. – January 25, 2021: Komo Plant Based Foods Inc. (CSE: YUM) (OTCQB: KOMOF) (FRA:9HB) (“Komo”), a premium plant-based food company, is pleased to announce that it will soon be available for order online throughout the United States through GTFO It's Vegan, a progressive online vegan market serving consumers across the U.S.

Komo received a purchase order from GTFO and plans to ship its first pallet of Komo plant-based comfort foods to GTFO headquarters in California this week. Consumers across the United States will soon be able to order, for home delivery, all of Komo's frozen products online at GTFO It's Vegan.

“We are very excited and grateful to be the first to launch Komo Comfort Foods into the U.S. market. We are confident Komo's innovative line of great tasting heat and serve meals,

including Lasagna, Chickenless Pot Pie and Shepherd's Pie, will quickly become fan favorites for GTFO It's Vegan customers," says Marc Pierce, Co-Founder and CEO, GTFO - It's Vegan.

Recognizing the rapid growth of the plant-based market, GTFO It's Vegan launched in 2020 to appeal to the needs of all individuals seeking a more healthy lifestyle. This extends well beyond vegans and includes vegetarians, flexitarians, athletes, and those with diet allergies and sensitivities. GTFO It's Vegan tries all the products it sells to ensure they meet GTFO's taste, texture, scent, appearance, and packaging standards to sell to its community of tens of thousands customers enthusiastic about vegan and plant-based foods.

Komo first launched its product for direct-to-consumer sales in Vancouver, British Columbia, Canada in March 2021 through its eCommerce platform and has received over 200 five star (out of five) reviews from its online consumers, as seen on its website at www.komocomfortfoods.com.

"We are so excited to soon have Komo Comfort Foods available to consumers across the United States through GTFO It's Vegan," says Komo CEO William White. "At Komo we believe plant-based eating is the future and change can start with a single bite. Being on the GTFO eCommerce platform will further our mission to help make plant-based meals a staple on every dinner table."

About Komo

Komo Plant Based Foods Inc. is a premium plant-based food company that develops, manufactures and sells a variety of plant-based frozen meals that are always hearty, satisfying, and made with wholesome ingredients. At Komo, our mission is to help make plant-based meals a staple on every dinner table by sharing our love for feel-good food that connects the people to the planet. We believe plant-based eating is the future and - Change can start with a single bite™. Our experienced plant-based innovation and development team recreates vegan versions of traditionally cheesy and meaty classics, with 100% plants. Komo's products are sold direct-to-consumer through our eCommerce website and a distribution network of online and

brick and mortar grocery, convenience and natural retailer channels. Our operating subsidiary Komo Comfort Foods launched in 2021 with our flagship products: plant-based Lasagna, Shepherd's Pie and Chickenless Pot Pie and has recently launched a new line - Komo Plant-Based Meal Helpers™ - versatile meal starters to allow the creation of many dishes at home. All of our products are 100% plant-based, made with wholesome ingredients, free from preservatives, and frozen for freshness. Freezing products is a natural and effective way of keeping food products for longer without having to use any preservatives. Komo's meals have a 1-year frozen shelf life. Komo also sells hot ready-to-eat meals in Metro Vancouver through Uber Eats and Skip the Dishes.
