

Telecure Technologies Inc. Announces Resignation of CEO Adnan Malik

January 10, 2022

Vancouver, BC – Telecure Technologies Inc. (CSE: TELE) (FSE: 6MZ) (the “Company” or “Telecure”) today announced that Adnan Malik has resigned as CEO and from the Board at Telecure. Board Chair and Chief Operating Officer Joshua Rosenberg will take on the responsibilities of the CEO until a replacement is named.

Mr. Malik founded MyApps Corp, a Florida based company. He was appointed the CEO of Telecure following MyApps’ reverse takeover of Telecure in summer 2021. Given the state of the Company’s development and difference of visions ahead, both the Board of Telecure and Mr. Malik concluded that this was an appropriate time for Mr. Malik to move on and conclude this relationship for the next phase of the Company’s growth plans.

“This is the right time to make a change,” said Mr. Malik. “I am proud of what I achieved with MyApps, and wish Telecure the best going forward.”

“Adnan played an important role in positioning Telecure to participate in the telehealth technology business. We thank Adnan for his contributions and wish him well,” said Mr. Rosenberg.
