The Board has concluded that the Consolidation would be in the best interests of the shareholders as it could lead to increased interest by a wider audience of potential investors and could better position the Company to obtain financing and pursue acquisition opportunities. The Company will not be changing its name in connection with the Consolidation. In accordance with the Articles of the Company, the Consolidation may be approved by the board of directors of the Company and shareholder approval is not required.

Registered shareholders of the Company will receive a letter of transmittal from the Company's transfer agent with instructions for exchanging their pre-Consolidation Shares.
