PERSONS MAKING THE SOLICITATION

This Management Information Circular and Proxy Statement (the “**Circular**”) is being furnished in connection with the solicitation of proxies being made by or on behalf of the board of directors (the “**Board of Directors**” or “**Board**”) of Augusta Gold Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of holders (the “**Shareholders**”) of the Company’s shares of common stock (“**Common Shares**”) and preferred stock (“**Preferred Shares**”) to be held on Thursday, July 29, 2021 at Suite 555, 999 Canada Place, Vancouver, British Columbia, V6C 3E1, on Thursday, July 29, 2021, at 10:00 a.m. (Vancouver time) for the following purposes, as set forth in the accompanying notice of meeting (the “**Notice of Meeting**”):

1. To elect directors of the Company for the ensuing year;
2. To appoint Davidson & Company LLP as auditor of the Company until the next annual meeting, and to authorize the directors to fix their remuneration;
3. To approve the Company’s Stock Option Plan; and
4. To transact such other business as many properly come before the Meeting or any adjournment thereof.

Due to the ongoing COVID-19 pandemic and provincial and federal guidance regarding public gatherings, Shareholders and proxyholders are encouraged not to attend the Meeting in person in order to mitigate potential risks to the health and safety of Shareholders, employees, and the community. There will be strict limitations on the number of persons permitted entry to the physical meeting location and guests will not be permitted entry. We strongly recommend that all Shareholders vote by proxy or voting instruction form in advance of the Meeting date.

While it is expected that the solicitation of proxies will be made primarily by mail, proxies may also be solicited personally, by telephone or other means of communication by the directors, officers, employees and agents of the Company. All costs of this solicitation will be borne by the Company.

Unless otherwise indicated, all dollar amounts in this Circular are in United States dollars. The exchange rate of Canadian dollars into United States dollars based upon the exchange rate reported by the Bank of Canada on December 31, 2020, was C\$1.00 = US\$0.7854.

APPOINTMENT OF PROXIES

The accompanying form of proxy (the “**Proxy**”) names Mr. Richard Warke, Executive Chairman, or, failing him, Purni Parikh, Senior Vice President, Corporate Affairs, or, failing her, Michael McClelland, Chief Financial Officer, as proxyholder for the Shareholders at the Meeting, each of whom are directors or officers of the Company or both. **A REGISTERED SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO**

NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER OR ON THE SHAREHOLDER'S BEHALF AT THE MEETING, OR ANY ADJOURNMENT OR POSTPONEMENT THEREOF, HAS THE RIGHT TO DO SO, BY INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER VALID FORM OF PROXY. A proxy will not be valid unless the completed form of proxy is received by Endeavor Trust Corporation (the "Transfer Agent") in accordance with the instructions in the form of Proxy not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment or postponement thereof. Late proxies may be accepted or rejected by the Chair of the Meeting at their discretion, and the Chair is under no obligation to accept or reject any particular late proxy.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANUAL MEETING OF STOCKHOLDERS TO BE HELD ON JULY 29, 2021

The Notice of Annual Meeting of Stockholders, this Circular for the Meeting, the Company's Annual Report and the form of Proxy are available at www.augustagold.com/investors/agm. Information contained on or connected to the website is not incorporated by reference into this Circular and should not be considered a part of this Circular or any other filing that we make with the Securities and Exchange Commission.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders ("Registered Shareholders") or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are "non-registered" Shareholders because the Common Shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as "Beneficial Shareholders") should note that only Registered Shareholders (or duly appointed proxyholders) may complete a Proxy or vote at the Meeting in person. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms) or, in the United States, Shares registered in the name of "Cede & Co.", the registration name of The Depository Trust Company of which the Intermediary is a participant. Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients.

This Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**Objecting Beneficial Owners**", or "**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**", or "**NOBOs**"). Subject to the provision of Rule 14a-13 of the United States Exchange Act of 1934, as amended (the "**Exchange Act**") and National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* ("**NI 54-101**"), issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents and other intermediaries and use this NOBO list for distribution of proxy-related materials directly to NOBOs.

The Company is taking advantage of those provisions of Rule 14a-13(c) and NI 54-101 that permit the Company to deliver proxy-related materials to the Company's NOBOs and OBOs who have not waived the right to receive them (and is not sending proxy-related materials using notice-and-access). As a result, NOBOs and OBOs can expect to receive a Voting Instruction Form ("**VIF**") together with the Circular and related documents through your broker or through another intermediary. These VIFs are to be completed and returned in line with the

instructions provided by your broker or other intermediary. **NOBOs and OBOs should carefully follow the instructions provided, including those regarding when and where to return the completed VIFs.**

Should a NOBO or OBO wish to attend and vote at the Meeting in person, the NOBO or OBO must insert the NOBO's or OBOs name (or such other person as the NOBO or OBO wishes to attend and vote on the NOBO's or OBOs behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in line with the instructions provided by your broker or other intermediary. **If a NOBO or OBO or a nominee of the NOBO or OBO is appointed as a proxyholder pursuant to such request, the appointed proxyholder will need to attend the Meeting in person in order for their votes to be counted.**

NOBOs or OBOs that wish to change their vote must contact their broker or other intermediary who provided the instructions to arrange to change their vote in sufficient time in advance of the Meeting.

Only Registered Shareholders have the right to revoke a Proxy. NOBOs and OBOs who wish to change their vote must, sufficiently in advance of the Meeting, arrange for their respective intermediaries to change their vote and if necessary revoke their Proxy in accordance with the revocation procedures set out below.

All references to Shareholders in this Circular, the accompanying Proxy and Notice of Meeting of Shareholders are to Registered Shareholders of record unless specifically stated otherwise.

BROKER NON-VOTES

Brokers and other intermediaries, holding Common Shares in street name for non-Registered Holders, are required to vote the Common Shares in the manner directed by the non-Registered Holder (see discussion above). Under the rules of the New York Stock Exchange (the "NYSE"), brokers are prohibited from giving proxies to vote on non-routine matters (including, but not limited to, non-contested director elections and approval of stock option plans) unless the beneficial owner of such Shares has given voting instructions on the matter.

The absence of a vote on a matter where the broker has not received written voting instructions from a Non-Registered Holder is referred to as a "broker non-vote". Any Common Shares represented at the Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on any matters to be acted upon at the Meeting.

REVOCAION OF PROXIES

A Shareholder who has delivered a Proxy for use at the Meeting may revoke it by (a) going online and completing a new Proxy at www.eproxy.ca, (b) except to the extent otherwise noted on such later Proxy, signing a new Proxy bearing a later date and depositing it at the place and within the time required for the deposit of proxies as described below, (c) executing an instrument in writing by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivering it either (i) to the Corporate Secretary of the Company at Augusta Gold Corp., Suite 555-999 Canada Place, Vancouver, BC V6C 3E1, Attn: Corporate Secretary at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, or (ii) to the Chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof or (d) registering with the scrutineer at the Meeting as a registered Shareholder present in person, whereupon any Proxy executed and deposited by such registered Shareholder will be deemed to have been revoked. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

The Common Shares or Preferred Shares represented by a properly executed Proxy in favour of the individuals designated as management proxyholders in the enclosed form of Proxy will:

- a. be voted or withheld from voting in accordance with the instructions of the person appointing the management proxyholder on any ballot that may be called for; and
- b. where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made in such Proxy.

If, however, direction is not given in respect of any matter, the Proxy will be voted as recommended by the Board.

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the individuals appointed as management proxyholder thereunder to vote with respect to amendments or variations of matters identified in the Notice of the Meeting, and in respect of other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the individuals designated by management as proxyholders in the enclosed form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

Return the properly executed and completed form of Proxy:

- a. by completing a Proxy at the following website www.eproxy.ca,
- b. by mailing it or delivering it by hand in the appropriate enclosed return envelope addressed to Endeavor Trust Corporation, 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4 to be received by 10:00 am (Pacific Time) on Tuesday, July 27, 2021, or no later than 48 hours before any adjournment or postponement of the Meeting, or
- c. by sending it by email to proxy@endeavortrust.com, to be received by 10:00 am (Pacific Time) on Tuesday, July 27, 2021, or no later than 48 hours before any adjournment or postponement of the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only registered Shareholders at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a form of Proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their Common Shares voted at the Meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

- each person or entity who, to our knowledge, owns more than 5% of our common stock;
- our executive officers;
- each director; and
- all of our executive officers and directors as a group.

The percentages of common stock beneficially owned are reported on the basis of regulations of the Securities and Exchange Commission governing the determination of beneficial ownership of securities. Under the rules of the Securities and Exchange Commission, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of the security, or dispositive power, which includes the power to dispose of or to direct the disposition of the security. Shares of common stock that a person purpose has the right to acquire beneficial ownership of within 60 days of the date of this filing are deemed to be beneficially owned by the person holding such securities for the purpose of computing the percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Except as indicated in the footnotes to this table, each beneficial owner named in the table below has sole voting and sole investment power with respect to all shares beneficially owned.

As of the approximate date of this filing we had 70,472,270 Common Shares outstanding.

CHANGE IN CONTROL

On October 26, 2020, the Company completed its acquisition (the “**Acquisition Transaction**”) of Bullfrog Mines LLC (“**BMLLC**”), the successor by conversion of Barrick Bullfrog Inc., pursuant to the membership interest purchase agreement (the “**MIPA**”) with Homestake Mining Company of California (“**Homestake**”), and Lac Minerals (USA) LLC (“**Lac Minerals**” and together with Homestake, the “**Barrick Parties**”). Pursuant to the MIPA, the Company purchased from the Barrick Parties all of the equity interests (the “**Equity Interests**”) in BMLLC for aggregate consideration of (i) 54,600,000 units of the Company, each unit consisting of one share of common stock and one four-year warrant (the “**Warrant**”) to purchase one share of common stock at an exercise price of C\$0.30 (“**Units**”), (ii) a 2% net smelter returns royalty granted on all minerals produced from the Patented Claims and the Unpatented Claims (each as defined in the MIPA), pursuant to a royalty deed, dated October 26, 2020 by and among BMLLC and the Barrick Parties (the “**Royalty Deed**”), (iii) the Company granting indemnification to the Barrick Parties pursuant to an indemnity deed, dated October 26, 2020 by and among the Company, the Barrick Parties and BMLLC, and (iv) certain investor rights, including anti-dilution rights, pursuant to the investor rights agreement, dated October 26, 2020, by and among the Company, Augusta Investments Inc. Agreement, the Company granted Augusta Investments and Barrick the right to designate one member of the Board of Directors of the Company, subject to the terms and conditions set forth therein.

On October 26, 2020, in coordination with the completion of the Acquisition Transaction, the Company closed a private placement of units with Augusta Investments and certain of its associates pursuant to which Augusta Investments gained control of the Company (the “**Private Placement**”). As part of the Acquisition Transaction and the Private Placement, in accordance with the negotiated terms between the parties thereof, including Augusta Investments, the Company reconstituted its management and agreed to appoint, Daniel Earle and Donald Taylor as directors of the Company and Michael McClelland, Johnny Pappas and Scott Burkett as officers of the Company. Subsequently, the reconstituted Board of Directors also appointed Purni Parikh, Lynette Gould and Tom Ladner as officers of the Company and Mr. Warke as Executive Chairman of the Company. Augusta Investments controls 21,689,788 shares of common stock with the right to acquire an additional 18,865,727 shares underlying warrants representing 57.00% of the issued and outstanding voting shares (common and preferred) of the Company on a partially diluted basis as of June 24, 2021. Augusta Investments purchased the units using its cash on hand and not pursuant to any loan or pledges from third parties.

The Company is not aware of any arrangement that might result in a change in control in the future. The Company has no knowledge of any arrangements, including any pledge by any person of our securities, the operation of which may at a subsequent date result in a change in the Company’s control.

QUORUM

A quorum of Shareholders is necessary to hold a valid meeting. A quorum will be present if a majority of the outstanding Common Shares and Preferred Shares (on an as-converted basis) entitled to vote are present at the Meeting. Your shares are counted as present at the Meeting if you are present and vote in person at the Meeting or you have properly submitted a Proxy. Your shares will be counted towards the quorum only if you submit a valid Proxy. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the Meeting may adjourn the Meeting to another date.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set out herein, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

PROPOSAL ONE - ELECTION OF DIRECTORS

At the date of this Circular there are six directors of the Company. The present term of office of each of these six directors will expire immediately prior to the election of directors at the Meeting. The Board does not contemplate that any of the nominees will be unable to serve as directors. Each director will hold office until the next annual meeting of the Company or until his or her earlier resignation or removal.

At the Meeting, the individuals nominated for election as directors of the Company will be voted on individually and the voting results for each nominee will be publicly disclosed in a news release.

Directors are elected by a plurality of the votes represented by the Common Shares and Preferred Shares (on an as-converted basis) present at the Meeting in person or by proxy. This means that the six director nominees with the most affirmative votes will be elected. The allowable votes with respect to the election of directors are “For” and “Withhold”. Directors are elected individually, and cumulative voting is not permitted in the election of directors. Broker non-votes will have no effect. Withheld votes will also have no effect, except as set out under the Company’s majority voting policy (the “**Majority Voting Policy**”).

The Company's Majority Voting Policy stipulates that, in an uncontested election of directors, if a nominee receives a greater number of votes "withheld" from his or her election than votes "for" such election, the nominee will immediately submit his or her resignation to the Chair of the Board for consideration following the meeting (to take effect immediately upon acceptance by the Board). The Nominating and Corporate Governance Committee will consider the offer of resignation and will make a recommendation to the Board of whether or not to accept it. The Board shall review, consider and act on the Nominating and Corporate Governance Committee's recommendation within 90 days following the applicable meeting of the shareholders of the Company. The Board shall accept the resignation absent exceptional circumstances that would warrant the nominee to continue to serve on the Board. The Company will promptly issue a press release announcing the Board's decision, and a copy of that press release will be provided to the Toronto Stock Exchange ("TSX"). If the Board declines to accept the resignation, the press release shall fully state the reasons for its decision. Any director who tenders his or her resignation shall not participate in any Nominating and Corporate Governance Committee or Board meetings at which his or her resignation is considered. The Majority Voting Policy does not apply in circumstances involving contested director elections.

Unless such authority is withheld by a Shareholder, the management proxyholder named in the accompanying Proxy or VIF intend to vote "FOR" the election of the individuals whose names are set out below.

The Board recommends that Shareholders vote FOR each director nominee to the Board.

Richard Warke, 61 (appointed January 7, 2021)

Executive Chairman

Richard Warke is a Vancouver-based Canadian business executive with more than 35 years of experience in the international resource sector. In 2005, Mr. Warke founded the Augusta Group of Companies which has an unrivaled track record of value creation in the mining sector.

From 2006 and until 2018, the Augusta Group founded, managed, and funded three world class mineral discoveries. Ventana Gold discovered the La Bodega gold deposit in Colombia, now reported to host over 10Moz of gold. The Augusta Group sold the company for C\$1.3B in 2011. Augusta Resource advanced the Rosemont copper project in Arizona through drilling, feasibility and permitting to become one of the largest copper deposits in United States. It was sold for C\$667M in 2014. Arizona Mining discovered the Taylor deposit and grew the Hermosa-Taylor deposit into one of the top five primary zinc deposits globally, and the largest in the United States, prior to its sale for C\$2.1B in 2018.

Currently, the Augusta Group is comprised of private businesses and public companies that currently includes Titan Mining Corporation, Augusta Gold Corp. and Solaris Resources Inc. Titan Mining operates a zinc mine in New York State, Augusta Gold is exploring for a gold mine in a prolific mining district in Nevada, and Solaris Resources is advancing a portfolio of copper and gold assets in the Americas, including a high-grade, world-class resource at its copper and gold project Warintza in Ecuador.

In addition, in 2017 Mr. Warke co-founded Equinox Gold which has now become a mid-tier gold producer and one of the fastest growing gold companies in the Americas growing to over a C\$3.0B market cap with mines in US, Mexico and Brazil.

During the course of his career, Mr. Warke has established a reputation for building successful companies by generating pioneering transactions in the mining sector through prudent investing in earlier stages of the mine cycle. His specialization is surfacing value through award-winning exploration efforts and rapidly advancing projects with consistent access to low-cost capital through exploration, feasibility, and permitting to point of sale or into production. His expertise, combined with his extensive relationships across the global mining sector, have

resulted in rapid growth and a proven track record of success making him a widely-recognized strategic partner and a sought after industry expert for commentary on business, mining and related topics.

As determined by the Board, Mr. Warke's qualification to serve on our Board is based on, among many attributes, Mr. Warke's significant experience leading and building successful mining companies which is important to the Company and the Board because the Company and Board view this experience as crucial to the Company achieving its vision.

John Boehner, 71 (appointed January 7, 2021)

Director

John Boehner served as the 53rd Speaker of the United States House of Representatives from 2011 to 2015. A member of the Republican Party, Mr. Boehner was the U.S. Representative from Ohio's 8th congressional district, serving from 1991 to 2015. He previously served as the House Minority Leader from 2007 until 2011, and House Majority Leader from 2006 until 2007. Following his career in government service, Mr. Boehner joined Squire Patton Boggs, a global law and public policy firm. He earned a Bachelor of Arts in business administration from Xavier University.

As determined by the Board, Mr. Boehner's qualification to serve on our Board is based on, among many attributes, Mr. Boehner's significant experience with public policy, governmental relations and regulatory matters which is important to the Company and the Board because the Company and Board view this experience as crucial to the Company achieving its vision.

Daniel Earle, 40 (appointed October 26, 2020)

CORPORATE GOVERNANCE

Schedule 14A under the Exchange Act and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* requires all companies to provide certain annual disclosure of their corporate governance practices. The Company’s approach to corporate governance is set out below.

Board of Directors

The Board is nominating six individuals to the Company’s Board all of whom are current directors of the Company. The definition of “independent” directors under NI 52-110 – *Audit Committees* provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. Of the proposed nominees, Richard W. Warke, Executive Chairman of the Board, and Donald R. Taylor, President and CEO of the Company, are considered to be “non-independent” within the meaning of NI 52-110 and within the meaning of the rules of the NYSE American stock exchange (the “NYSE American”). The other proposed nominees, John Boehner, Lenard Boggio, Daniel Earle and Poonam Puri, are considered by the Board to be “independent” within the meaning of NI 52-110 and the rules of the NYSE American.

Board Leadership Structure

To ensure the Board functions independently of management a Lead Director (Mr. Lenard Boggio) was appointed during fiscal 2021. The Board believes that Mr. Boggio, by virtue of his extensive experience as an independent auditor is qualified to provide such leadership to the Company as it builds shareholder value through exploration drilling, project advancement, and economic optimization. In addition, the Board believes that its current composition, in which only two of the directors are members of management, also serves to ensure that the Board can function independently of management. The independent directors exercise their responsibilities for independent oversight of management through their majority position on the Board and ability to meet independently of management whenever deemed necessary by the Lead Director or any independent director. All of the members of the Audit Committee, and the majority of the members of the Nominating and Corporate Governance Committee and the Compensation Committee are independent directors. The Board has reviewed the Company’s current Board leadership structure in light of the composition of the Board, the Company’s size, the nature of the Company’s business, the regulatory framework under which the Company operates, the Company’s share base, the Company’s peer group and other relevant factors, and has determined that having an executive Chair with an independent Lead Director is currently the most appropriate leadership structure for the Company.

The independent directors of the Company may hold scheduled meetings at which non-independent directors and members of management are not in attendance. During the calendar year ended December 31, 2020, no physical meetings were held by the Board or the Board’s respective committees.

Meetings of the Board

The Board did not meet during the fiscal year ended December 31, 2020.

Orientation and Continuing Education

The Nominating and Corporate Governance Committee is responsible for ensuring that new directors are provided with an orientation including written information about the duties and obligations of directors, the business and operations of the Company, documents from recent Board meetings as applicable, and opportunities for meetings and discussion with senior management and other directors. Directors are expected to attend all scheduled Board and committee meetings as applicable either by telephone conference or in person when possible.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for the process. To facilitate ongoing education of the Company’s directors, the Company supports training or education in areas relating to their role as a director of the Company; arranges visitation by directors

to the Company's facilities and operations; and encourages presentations by outside experts to the Board or committees on matters of particular importance or emerging significance.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics (the "**Ethics Code**") for its directors, officers and employees. The Company's reporting contacts for the purposes of the Ethics Code, the Chairman of the Audit Committee and the Ethics Officer of the Company, have the responsibility for monitoring compliance with the Ethics Code by ensuring all directors, officers and employees receive and become thoroughly familiar with the Ethics Code and acknowledge their support and understanding of the Ethics Code. Any non-compliance with the Ethics Code is to be reported to either the Chairman of the Audit Committee or the Ethics Officer, or other designated persons. The CFO has been designated the Ethics Officer of the Company. A copy of the Ethics Code may be accessed on the Company's website at www.augustagold.com. We will post any amendments to, or waivers from, including an implicit waiver, the Ethics Code on that website.

The Board ensures that directors, officers and employees are familiar with the Ethics Code to ensure that they exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. To encourage and promote a culture of ethical business conduct, the Board has adopted a Corporate Disclosure Policy and a Whistleblower Policy. Both of these policies are available on the Company's website at www.augustagold.com. In addition, the Board requests from management periodic reports relating to any fraud or unethical behavior.

Hedging Policy

The Company's Corporate Disclosure Policy prohibits directors, officers and other employees of the Company from engaging in hedging or monetization transactions, including, for greater certainty, purchasing financial instruments such as variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by such director, officer or employee. The policy notes that these types of transactions may permit continued ownership of our securities obtained through the Company's Stock Option Plan or otherwise without the full risks and rewards of ownership. When that occurs, a person entering into this type of transaction may no longer have the same objectives as our other shareholders.

Diversity

The Board values the benefits that diversity can bring and seeks to maintain a Board comprised of talented and dedicated directors with a diverse mix of experience, skills and backgrounds collectively reflecting the strategic needs of the business and the nature of the environment in which the Company operates.

In identifying qualified candidates for nomination to the Board, the Nominating and Corporate Governance Committee will consider prospective candidates based on merit, having regard to those competencies, expertise, skills, background and other qualities identified from time to time by the Board as being important in fostering a diverse and inclusive culture which solicits multiple perspectives and views and is free of conscious or unconscious bias and discrimination.

The Nominating and Corporate Governance Committee will give due consideration to characteristics, such as gender, age, ethnicity, disability, sexual orientation and geographic representation, which contribute to board diversity. The Nominating and Corporate Governance Committee may, in addition to conducting its own search, engage qualified independent advisors to assist in identifying prospective diverse director candidates that meet the selection criteria established by the Board and that support its diversity objectives.

The Company does not adhere to any specific targets or quotas in determining Board membership. The Nominating and Corporate Governance Committee does not believe that implementing arbitrary targets for the

composition of the Board will serve the Company's best interests in obtaining the highest calibre executives. The Nominating and Corporate Governance Committee strives to attract individuals who best meet the Company's needs at a given time point in time.

Communications with the Board of Directors

Shareholders may send communications to the Board, the Chair or one or more of the non-management directors by using the contact information provided on the Company's website. Shareholders may also send communications by letter addressed to the Corporate Secretary of the Company at Suite 555, 999 Canada Place, Vancouver, British Columbia, V6C 3E1. All communications addressed to the Corporate Secretary will be received and reviewed by that officer. The receipt of concerns about the Company's accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of other concerns will be reported to the appropriate Committee(s) of the Board.

Board's Role in Risk Oversight

The Board considers the understanding, identification and management of risk as essential elements for the successful management of the Company. The Company faces a variety of risks, including credit risk, liquidity risk and operational risk. The Board believes an effective risk management system will: (i) timely identify the material risks that the Company faces; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committees of the Board; (iii) implement appropriate and responsive risk management strategies consistent with the Company's risk profile; and (iv) integrate risk management into the Company's decision-making.

Risk oversight begins with the Board and the Audit Committee. The Audit Committee is chaired by Lenard Boggio and two other independent directors sit on the Audit Committee.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of the Company's financial reporting process and systems of internal control regarding finance and accounting, as well as its financial statements. The Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the committee's own analysis and conclusions regarding the adequacy of the Company's risk management processes.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding the Company's effectiveness in identifying and appropriately controlling risks.

The Company also has a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board and the Audit Committee. Our risk management framework is designed to:

- provide that risks are identified, monitored, reported and quantified properly;
- define and communicate the types and amount of risk the Company is willing to take;
- communicate to the appropriate management level the type and amount of risk taken;
- maintain a risk management organization that is independent of the risk-taking activities; and
- promote a strong risk management culture that encourages a focus on risk-adjusted performance.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board also continually works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

Assessment

The Board currently does not have a formal process in place to assess its committees and individual directors with respect to their effectiveness and contribution. This matter has been discussed among the Board members and it

was felt that the current size and constitution of the Board allows for informal discussions regarding the contribution of each director. In addition, each individual director is significantly qualified through their current or previous positions to fulfil their duties as a Board member. A formal process for evaluating the Board, its committees and individual directors may be implemented in the future.

Board Committees

Audit Committee and Audit Committee Financial Expert

The Company has a standing Audit Committee and audit committee charter, which complies with Rule 10A-3 of the Exchange Act. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is composed of three directors, Lenard Boggio, Daniel Earle and Poonam Puri, each of whom, in the opinion of the Board, are independent (in accordance with Rule 10A-3 of the Exchange Act and the requirements of Section 803A of the NYSE American Company Guide) and financially literate (pursuant to the requirements of Section 803B of the NYSE American Company Guide).

No member of the Audit Committee has participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years. The Audit Committee, under the guidance of the Audit Committee Charter approved by the Board, assists the Board in fulfilling its oversight responsibilities. The directors are responsible for monitoring (i) the Company's accounting and financial reporting processes; (ii) the integrity of the financial statements of the Company, (iii) compliance by the Company with legal and regulatory requirement; (iv) the independent auditor's qualifications, independence and performance; and (v) business practices and ethical standards of the Company. Audit Committee Report

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee acts under a written charter adopted and approved by the Board which is reviewed annually. Each member of the Audit Committee is "independent" within the meaning of Rule 10A-3 of the Exchange Act and Section 803A of the NYSE American Company Guide and "independent" and "financially literate" within the meaning of such terms in NI 52-110. In accordance with Section 407 of the United States *Sarbanes-Oxley Act of 2002* and Item 407(d)(5)(ii) and (iii) of Regulation S-K, the Board has identified Lenard Boggio as the "Audit Committee Financial Expert."

The responsibilities of the Audit Committee include recommending to the Board an accounting firm to be nominated for Shareholder approval as the Company's independent auditor. The Audit Committee is responsible for recommending to the Board that the Company's financial statements and the related management's discussion and analysis be included in its annual report. The Audit Committee took a number of steps in making this recommendation for fiscal year ended December 31, 2020.

First, the Audit Committee discussed with Davidson & Company, LLP those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process.

Second, the Audit Committee discussed with Davidson & Company, LLP the independence of Davidson & Company, LLP and received from Davidson & Company, LLP the written disclosures and the letter required by applicable standards of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence as may be modified or supplemented,

concerning its independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence.

Finally, the Audit Committee reviewed and discussed, with the Company's management and Davidson & Company, LLP, the Company's audited financial statements, including the consolidated balance sheets at December 31, 2020, the consolidated statements of operations and comprehensive loss, cash flows and changes in equity for the fiscal year ended December 31, 2020 and the notes thereto as at and for the year ended December 31, 2020.

Based on the discussions with Davidson & Company, LLP concerning the audit, the independence, the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board that the Company's financial statements and the related management's discussion and analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

PROPOSAL THREE - STOCK OPTION PLAN

Approval of Stock Option Plan

At the Meeting, management is seeking Shareholder approval of the Company's Option Plan. The Option Plan was originally approved by the Board on February 22, 2021. A copy of the Option Plan is attached as Appendix "B" to this Circular. For a detailed description of the Option Plan see "Stock Option Plan – Summary of Option Plan" below.

In order to comply with the rules of the TSX, the Option Plan must be approved by ordinary resolution of the Shareholders of the Company once instituted and subsequently every three years.

The Option Plan will permit the award of stock options to U.S. taxpayers that can be either non-qualified stock options that do not meet the requirements of Section 422 of the United States Internal Revenue Code ("NQSOs") or incentive stock options (referred to herein as "ISOs") that are qualified under Section 422 of the United States Internal Revenue Code.

ISOs allow more favorable U.S. federal income tax treatment, in some circumstances, for participants in the Option Plan who are subject to United States federal income tax. However, the Company may not be entitled to a compensation expense deduction when ISOs are exercised for purposes of the Company's United States corporate income taxes. The Option Plan does not require that stock options awarded to United States participants in the Plan be ISOs; the Company has discretion to award either ISOs or NQSOs.

For purposes of granting ISOs, United States federal income tax laws require that the Company's Shareholders approve the Option Plan within 12 months before or after the date the Option Plan was adopted by the Board.

Accordingly, at the Meeting, Shareholders will be asked to pass the following ordinary resolution:

“RESOLVED THAT:

1. the Option Plan of the Company in the form attached as Appendix “B” to the Management Information Circular and Proxy Statement of the Company dated June 24, 2021 (the “**Circular**”) and as summarized and described in the Circular, is hereby ratified, confirmed and approved;
2. all Options previously granted under the Option Plan and all unallocated Options under the Option Plan are hereby ratified, confirmed and approved;
3. the Company be and shall have the authority to grant Options pursuant to and subject to the terms and conditions of the Option Plan until July 29, 2024, that is until the date that is three years from the date of the meeting Shareholder approval is currently being sought unless the Option Plan is terminated earlier;
4. the Company be and shall have authority to grant incentive stock options that are qualified under Section 422 of the United States Internal Revenue Code for up to 3,000,000 shares of common stock of the Company;
5. any one director or officer of the Company be and is hereby authorized and directed, for and in the name of and on behalf of the Company, to execute and to deliver all such agreements, instruments, amendments, certificates and other documents and to perform all such acts or things as such director or officer may determine to be necessary or advisable for the purpose of giving full force and effect to the provisions of this resolution, the execution by such director or officer and delivery of any such agreement, instrument, amendment, certificate or other document or the performance of any such other act or thing being conclusive evidence of such determination.”

If Shareholder approval is not obtained at the Meeting, the Option Plan will continue to be in full force and effect and all Options issued thereunder will continue unaffected. However, pursuant to the rules of the TSX, all unallocated Options under the Option Plan will be cancelled as of June 29, 2021 and the Company will not be able to issue any additional Options under the Option Plan. Further, if the Option Plan is not approved by Shareholders by February 22, 2022, the Company will not be able to issue ISOs under the Option Plan and any previously granted ISOs will cease to be ISOs and will be treated as NQSOs.

To be approved, the approval of the Option Plan must receive “For” votes from the holders of a majority of Common Shares and Preferred Shares (on an as-converted basis) present at the Meeting and cast for this proposal. You may vote “For”, “Against” or “Abstain” on this proposal. Abstentions and Broker non-votes will have no effect on the outcome of this proposal.

Unless otherwise directed, the management proxy nominees named in the accompanying form of Proxy to this Circular intend to vote the Common Shares represented thereby FOR the approval of the resolution set forth above.

The Board recommends that Shareholders vote FOR the approval of the Option Plan.

Stock Option Plan

The Company’s current stock option plan, as amended (the “**Option Plan**”) was adopted by the Board on February 22, 2021. Pursuant to the policies of the TSX, all unallocated options, rights or other entitlements under a security-based compensation arrangement that do not have a fixed maximum number of securities issuable must be approved by the listed issuer’s securityholders when instituted and then every three years after the institution of such compensation arrangement.

The summary of the Option Plan set out below is intended to be a brief description and is subject to and qualified in its entirety by the full text of the Option Plan. Capitalized terms used in the following section “Summary of the Option Plan” but not otherwise defined in this Circular have the meanings given to them in the Option Plan.

Summary of the Option Plan

The purpose of the Option Plan is to secure for the Company and the Shareholders the benefits of the incentives inherent to Common Share ownership by officers, directors and other eligible persons who, in the judgment of the Board, will have a sufficient role in the Company’s growth and success.

Directors, officers and employees of, and consultants to, the Company or any of its subsidiaries, as well as employees of companies providing management services or support to the Company or any of its subsidiaries (each, an “**Eligible Person**”), are eligible to receive Option grants under the Option Plan. The Option Plan includes the following significant terms and restrictions:

- The aggregate number of Common Shares that may be reserved for issuance pursuant to the Option Plan and all other share Compensation Arrangements may not exceed 10% of the number of Common Shares issued and outstanding from time to time. Of this number, a maximum of 10% Common Shares may be granted as Incentive Stock Options.
- Any Common Shares subject to an Option that expires or terminates without having been fully exercised may be made the subject of a further Option.
- Upon the partial or full exercise of an Option, the Common Shares issued upon such exercise will automatically become available to be made the subject of a new Option, provided that the total number of Common Shares reserved for issuance under the Option Plan does not exceed 10% of the number of Common Shares then issued and outstanding.
- The aggregate number of Common Shares reserved for issuance pursuant to the Option Plan or any other share Compensation Arrangement to any one Participant may not exceed 5% of the number of Common Shares issued and outstanding at any time.
- The aggregate number of Common Shares issuable pursuant to the Option Plan or any other share Compensation Arrangement to Insiders may not exceed 10% of the number of Common Shares issued and outstanding at any time.
- The aggregate number of Common Shares issued to Insiders pursuant to the Option Plan or any other share Compensation Arrangement in any one-year period may not exceed 10% of the number of Common Shares then issued and outstanding.

Subject to the terms of the Option Plan, the Exercise Price for each Common Share subject to an Option will be determined by the Board at the time of the Option grant, and may not be lower than the last closing price of a common share on the TSX preceding the time of the Option grant, rounded up to the nearest whole cent.

Options will vest and become exercisable at such time or times as may be determined by the Board on the date of the Option grant.

Unless the Board determines otherwise and subject to any accelerated termination in accordance with the Option Plan, each Option will expire on the fifth anniversary of the date on which it was granted. In no event may an Option expire later than the tenth anniversary of the date on which it was granted. If the date on which an Option is scheduled to expire occurs during, or within ten business days after the last day of, a Black Out Period applicable to the Optionee, then the date on which the Option will expire will be extended to the last day of such ten business day period.

Options are non-assignable and non-transferable, with the exception of an assignment by testate succession or by the laws of descent and distribution upon the death of an Optionee.

If an Optionee ceases to be an Eligible Person (other than by reason of death, permanent disability or termination for cause), the Optionee may exercise any vested Options for a period of 30 days after the Optionee ceases to provide services to the Company or any of its subsidiaries, subject to the earlier expiry of the Options. If an Optionee ceases to be an Eligible Person by reason of death, the Optionee's heir may exercise any vested Options for one-year following the date of the Optionee's death, subject to the earlier expiry of the Options. If an Optionee ceases to be an Eligible Person while on permanent disability, the Optionee or his legal representatives may exercise any vested Options until the one-year anniversary of the Optionee ceasing to be an Eligible Person due to the disability of the Optionee or the expiry date of the Option, whichever is earlier. If an Optionee is dismissed for cause, any Options (whether vested or unvested) held by such Optionee shall terminate immediately upon receipt by the Optionee of notice of such dismissal.

If a "Change of Control" (as defined below) occurs, the Board may, in its discretion, (a) amend, abridge or otherwise eliminate any vesting schedule so that notwithstanding the other terms of any outstanding Option or the Option Plan, any outstanding Option may be exercised in whole or in part by the Optionee and/or (b) determine that all holders of outstanding Options with an exercise price equal to or greater than the price per Common Share provided for in the transaction giving rise to such Change of Control shall be entitled to receive and shall accept, immediately prior to or concurrently with the transaction giving rise to such Change of Control, in consideration for the surrender of such Options, the value of such Options determined in accordance with the Black and Scholes Option Pricing Model, as determined by the Board.

The Board may from time to time, subject to applicable law and any required approval of the TSX, any other regulatory authority, or the Shareholders, suspend, terminate or discontinue the Option Plan at any time, or amend or revise the terms of the Option Plan or of any Option granted thereunder; provided that no such amendment, revision, suspension, termination or discontinuance can adversely affect the rights of an Optionee under any previously granted Option except with the consent of that Optionee.

Shareholder approval shall not be required for the following amendments, subject to any regulatory approvals, including, where required, the approval of the TSX:

1. amendments to the Option Plan to ensure continuing compliance with applicable laws, regulations, requirements, rules or policies of any governmental or regulatory authority or any stock exchange;
2. amendments of a "housekeeping", clerical, technical or stylistic nature, which include amendments relating to the administration of the Option Plan or to eliminate any ambiguity or correct or supplement any provision herein which may be incorrect or incompatible with any other provision hereof;
3. changing the terms and conditions governing any Option(s) granted under the Option Plan, including the vesting terms, the exercise and payment method, the Exercise Price and the effect of the Optionee's death or permanent disability, the termination of the Optionee's employment, term of office or consulting engagement or the Optionee ceasing to be an Eligible Person;
4. determining that any of the provisions of the Option Plan concerning the effect of the Optionee's death or permanent disability, the termination of the Optionee's employment, term of office or consulting engagement or the Optionee ceasing to be an Eligible Person shall not apply for any reason acceptable to the Board;
5. amendments to the definition of Eligible Person;
6. changing the termination provisions of the Plan or any Option which, in the case of an Option, does not entail an extension beyond an Option's originally scheduled expiry date;
7. changing the terms and conditions of any financial assistance which may be provided by the Company to Optionees to facilitate the purchase of Common Shares under the Option Plan, or adding or removing any provisions providing for such financial assistance;
8. amendments to the cashless exercise feature set out in Section 2.8 of the Option Plan;
9. the addition of or amendments to any provisions necessary for Options to qualify for favourable tax treatment to Optionees or the Company under applicable tax laws or otherwise address changes in applicable tax laws;

10. amendments relating to the administration of the Option Plan; and
11. any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules or policies of any stock exchange upon which the Common Shares trade from time to time.

Notwithstanding anything contained in the Option Plan to the contrary, no amendment requiring the approval of the Shareholders under applicable law or the rules or policies of any stock exchange upon which the Common Shares trade from time to time shall become effective until such approval is obtained. In addition to the foregoing, approval by the Shareholders by ordinary resolution shall be required for:

1. any amendment to the provisions of Section 3.9 of the Option Plan that is not an amendment within the nature of Sections 3.9(a)(i) and 3.9(a)(ii) of the Option Plan;
2. any increase in the maximum number of Common Shares that can be issued under the Option Plan, except in connection with an adjustment made in accordance with the Adjustment Provisions;
3. any reduction in the Exercise Price of an Option granted under the Option Plan (including the cancellation and re-grant of an Option, constituting a reduction of the Exercise Price of an Option), except in connection with an adjustment made in accordance with the Adjustment Provisions;
4. any amendment to extend the expiry of an Option beyond its original Expiry Date;
5. any amendment to Section 3.1(e) or Section 3.1(f) of the Option Plan to increase participation by Insiders; and
6. any amendment to the provisions of the Option Plan that would permit Options to be transferred or assigned other than for normal estate settlement purposes, provided further that, in the case of any amendment or variance referred to (I) in clause (v) of Section 3.9(b) of the Option Plan, Insiders are not eligible to vote their Common Shares in respect of the required approval of the Shareholders, and (II) in clauses (iii), (iv) or (vi) of Section 3.9(b) of the Option Plan, Insiders who shall benefit from such amendment or variance are not eligible to vote their Common Shares in respect of the required approval of the Shareholders.

For the purposes of the Option Plan, “**Change of Control**” means the occurrence of any of the following events:

1. any one person holds a sufficient number of voting shares of the Company or resulting company to affect materially the control of the Company or resulting company;
2. any combination of persons, acting in concert by virtue of an agreement, arrangement, commitment or understanding, hold in total a sufficient number of voting shares of the Company or its successor to affect materially the control of the Company or its successor; or
3. the Board adopts a resolution to the effect that the circumstances in clause (1) or (2) of this definition have occurred or are imminent,

where such person or combination of persons referred to in clause (1) or (2) of this definition did not previously hold a sufficient number of voting shares to affect materially control of the Company or its successor. In the absence of evidence to the contrary, any person or combination of persons acting in concert by virtue of an agreement, arrangement, commitment or understanding holding more than 20% of the voting shares of the Company or its successor is deemed to materially affect control of the Company or its successor.

Securities Available for Grant Under the Option Plan

As part of listing on the TSX, the Company adopted its new TSX-approved Option Plan on February 22, 2021, which is being submitted to Shareholders for approval at the Meeting. The Company’s historic incentive plan is the Company’s 2017 Equity Incentive Plan (the “**2017 Plan**”). The Company is not authorized to make further grants under the 2017 Plan.

The Option Plan is “rolling” such that the aggregate number of Common Shares that may be reserved for issuance pursuant to the Option Plan and all other share compensation arrangements is 10% of the Common Shares outstanding, and such aggregate number of Common Shares issuable under the Option Plan shall increase or decrease as the number of issued and outstanding Common Shares changes.

Under the terms of the Option Plan, the aggregate number of Common Shares that may be reserved for issuance pursuant to the Option Plan and all other share compensation arrangements as of the Record Date is 7,047,227, representing 10% of the Common Shares outstanding. As of the Record Date, the Company had 5,025,000 Options outstanding under its Option Plan, representing 7.13% of the Company’s issued and outstanding Common Shares and 225,002 Options outstanding under the 2017 Plan, representing 0.32% of the Company’s issued and outstanding Common Shares. The Company has a further 1,797,225 remaining Options available for grant under its Option Plan representing approximately 2.55% of the Common Shares outstanding.

Participation in the Option Plan

The Company’s directors, executive officers and employees can all participate in the Option Plan at the discretion of the Board or the Compensation Committee. None of the unallocated Common Shares under the Option Plan are currently designated to be issued to any of the Company’s executive officers, directors or employees. As the granting of Options is at the discretion of the Compensation Committee as approved by the Board, it is not currently possible to determine the number or amount of Option grants that may be made to the Company’s executive officers, directors or employees or estimate the number of Options that would have been granted had the Option Plan been effective for the last completed fiscal year.

Annual Burn Rate

No Options had been granted under the Company’s Option Plan as of December 31, 2020. The following table sets forth the annual “burn rate” of the 2017 Plan for each of the three most recently completed fiscal years, calculated using the TSX’s prescribed methodology pursuant to Section 613(d) of the TSX Company Manual.

Annual Burn Rate⁽¹⁾	2020	2019	2018
2017 Plan	0.45%	0.00%	0.00%

⁽¹⁾ The burn rate is the number of awards granted in a fiscal year, expressed as a percentage of the weighted average number of Common Shares outstanding for the applicable fiscal year calculated in accordance with the CPA Canada Handbook.

Certain United States Federal Income Tax Considerations for U.S. Holders

The following is a brief summary of certain United States federal income tax consequences with respect to the issuance and exercise of options granted under the Option Plan. This summary does not describe all federal tax consequences, including the consequences of owning and selling the Common Shares, nor does it describe state, local or foreign tax consequences.

Scope of This Disclosure

This summary does not address the U.S. federal income tax consequences of participation in the Option Plan by a non-U.S. Participant. For purposes of this summary, a “**U.S. Participant**” is a participant in the Option Plan who is either a citizen of the U.S. or a resident alien of the U.S. for purposes of the Internal Revenue Code of 1986, as amended (the “**Code**”), and the Canada-U.S. Tax Convention. For purposes of this summary, a “**non-U.S. Participant**” is a participant in the Option Plan who is not a U.S. Participant.

Tax Consequences With Respect to Options

It is intended that the Options granted under the Plan will be exempt from Code Section 409A and to that end will comply with statute and the underlying agency guidance interpreting that section for purposes of such exemption, or will otherwise comply with Section 409A. The tax consequences described below are based on the assumption that the Options will be exempt from or comply with Code Section 409A. If it is determined that the Options are subject to Code Section 409A and do not comply with Code Section 409A, different tax consequences and penalties may result, including immediate taxation in the year of vesting (whether or not the Option is exercised) and a 20% penalty tax on the U.S. Participant.

The following is a summary of certain anticipated material U.S. federal income tax consequences with respect to options granted pursuant to Option Plan. This summary is based on the Code, Treasury Regulations, published IRS rulings, published administrative positions of the IRS. In general, the following tax consequences will apply to U.S. Participants.

Incentive Stock Options (ISOs)

If an Option granted pursuant to the Option Plan qualifies as an ISO, the following tax consequences will apply to such ISOs held by U.S. Participants:

- Grant. U.S. Participants will not recognize any taxable income at the time an ISO is granted.
- Exercise. Upon the exercise of an ISO, the U.S. Participant will not recognize any income for purposes of the regular income tax. However, the difference between the exercise price and the fair market value of such shares as of the date of exercise generally will be an adjustment for the purpose of calculating alternative minimum taxable income. The alternative minimum tax (“AMT”) is payable only to the extent that it exceeds the regular income tax.
- Tax Deduction for the Company. If a U.S. Participant sells or otherwise disposes of the Common Shares acquired upon the exercise of an ISO more than two years from the date the option was granted and more than one year after the Option was exercised, then the Company will not be allowed a deduction for federal income tax purposes in connection with the grant or exercise of the Option. However, if a U.S. Participant sells or otherwise disposes of such Common Shares before the holding period described above is satisfied, then the Company will be allowed a tax deduction in the amount that, and for its taxable year in which, the U.S. Participant recognizes ordinary income, if and to the extent the amount satisfies the general rules concerning deductibility of compensation, subject to limitations imposed by Section 162(m) of the Code. Under current law, this income is not subject to income or payroll tax withholding.
- Tax Basis of the Acquired Common Shares. If a U.S. Participant pays the exercise price for an ISO in cash, the original tax basis in the Common Shares received upon exercise will equal to the cash paid. If a U.S. Participant pays the exercise price for an ISO by tendering other shares of the Company’s common stock already owned by the U.S. Participant, and the U.S. Participant acquired those tendered shares through any means other than by exercising one or more ISOs, the U.S. Participant will not recognize gain or loss on the tendered shares, but the original tax basis for an equal number of shares acquired upon exercise of the ISO will be the same as the adjusted tax basis for the tendered shares. The remaining acquired shares will have an original tax basis equal to the amount of the exercise price paid in cash, if any. If a U.S. Participant pays the exercise price solely by tendering other shares of the Company’s common stock, then the original tax basis of the remaining acquired shares will be zero. If a U.S. Participant pays the exercise price for an ISO by tendering shares of the Company’s common stock already owned by the U.S. Participant, and the U.S. Participant acquired those tendered shares by exercising another ISO, Section 1036 of the Code generally provides that the U.S. Participant will recognize no gain or loss with respect to the tendered shares (except possibly for purposes of the AMT as described above), as long as the U.S. Participant has held the tendered shares for a period of time ending at least two years after the date the ISO for the tendered shares was granted and at least one year after the U.S. Participant acquired the tendered shares upon exercise of the ISO.
- Sale of Shares and Characterization of Capital Gain or Loss. If a U.S. Participant sells or otherwise disposes of Common Shares acquired upon exercise of an ISO at a time more than two years from the date the ISO was granted and more than one year after the ISO was exercised, and if, as usually is the case, the common stock is a capital asset in the U.S. Participant’s hands, then the U.S. Participant will recognize long-term capital gain or loss in an amount equal to the difference between the sale price of the shares and the exercise price paid for the shares. If a U.S. Participant sells or otherwise disposes of

Common Shares acquired upon exercise of an ISO before the holding period described above is satisfied (a “Disqualifying Disposition”), then the U.S. Participant will recognize ordinary income at the time of the disposition in an amount equal to the lesser of (1) the difference between the exercise price and the fair market value of the shares at the time the ISO was exercised or (2) the difference between the exercise price and the amount realized upon disposition of the shares, and the U.S. Participant will recognize long-term or short-term capital gain or loss (depending on whether the U.S. Participant has held the shares for more than 12 months or for 12 months or less) in an amount equal to the difference between the sale price of the shares and the fair market value of the shares on the date the ISO was exercised.

Non-qualified Stock Options (NQSOs)

If an Option granted pursuant to the Plan does not qualify as an ISO it will be a NQSO, the following tax consequences will apply to such NQSOs held by U.S. Participants:

- Grant. U.S. Participants will not recognize any taxable income at the time an NQSO is granted.
- Exercise. Upon the exercise of an NQSO, exercising U.S. Participants will recognize ordinary income in the amount by which the fair market value of the Common Shares at the time of exercise exceeds the option exercise price, and Company generally will be entitled at that time to an income tax deduction for the same amount. If a U.S. Participant is an employee or former employee this income may be subject to income and payroll tax withholding.
- Tax Basis of the Acquired Common Shares. If a U.S. Participant pays the exercise price in cash, the U.S. Participant's original tax basis in the Common Shares received upon exercise will equal the sum of (1) the option exercise price plus (2) the amount such a U.S. Participant is required to recognize as income as a result of the exercise. If the U.S. Participant pays the exercise price by tendering other Common Shares, the U.S. Participant will not recognize gain or loss on the tendered Common Shares, but the original tax basis for an equal number of Common Shares acquired upon exercise of the option will be the same as the adjusted tax basis for the tendered Common Shares. The remaining acquired Common Shares will have an original tax basis equal to (a) the sum of the amount of the exercise price paid in cash, if any, plus (b) any amount the U.S. Participant is required to recognize as income as a result of the option exercise.
- Holding Period. The holding period for Common Shares acquired upon exercise of a NQSO, for purposes of determining whether any capital gain or loss on a holder's subsequent sale is long-term or short-term, shall begin at the time of the exercise of the option (or, in the case of an officer or director who does not make the Section 83(b) election described below, on the date up to six months later when ordinary income is recognized).

Special Rules for Executive Officers Subject to Section 16 of the Exchange Act.

Special rules may apply to individuals who are subject to Section 16 of the Exchange Act. In some circumstances, unless a special election is made pursuant to the Code, shares received through exercise of an Option may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of ordinary income recognized and the amount of the Company's income tax deduction will be determined as of the end of that period.

CORPORATE CEASE TRADE ORDERS OR BANKRUPTCIES

Except as provided below, no proposed director of the Company is, as at the date of this Circular, or was within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Company), that (i) was subject to a cease trade or similar order or an order that denied such company access to any exemption under securities legislation (that was in effect for a period of more than 30 days) that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or (ii) was subject to any such order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer:

Mr. Boggio was a director of Great Western Minerals Group Ltd. ("GWMG") from January 2013 until his resignation together with all the then current directors in July 2015. On April 30, 2015, GWMG announced that a support agreement was entered into with the holders of a majority of GWMG's secured convertible bonds and GWMG was granted protection from its creditors under the Companies Creditors Arrangements Act upon receiving an initial order from the Court. In December 2015 GWMG entered bankruptcy proceedings.

Each Unit was comprised of one Common Share and one Common Share purchase warrant, with each warrant entitling the holder to purchase one Common Share at a price of C\$1.80 until October 26, 2024. The Company issued 9,100,000 Units to Barrick for the acquired subsidiaries. Barrick is a greater than 10% shareholder of the Company and has an address at Brookfield Place, TD Canada Trust Tower, Suite 3700, 161 Bay Street, P.O. Box Toronto, Ontario, M5J 2S1. Related Person Transactions Policy and Procedure

The Company's Code of Ethics states that our directors, employees and consultants should not be involved in any activity that creates or gives the appearance of a conflict of interest between their personal interests and the interests of the Company. In particular, without the specific permission of our Chairman of the Audit Committee, ethics officer or our Board (including contracts approved by our Board), no director, employee or consultant, or a member of his or her family shall, unless disclosed to us, engage in the list of conflict of interest transactions set forth in the Code of Ethics. Our directors, employees and consultants must immediately notify the Chairman of the Audit Committee or our ethics officer of the existence of any actual or potential conflict of interest so that the circumstances can be reviewed for a decision on whether a conflict of interest is present, and if so, what course of action is to be taken.

The Audit Committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable to us than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

SHAREHOLDER PROPOSALS

Under the Exchange Act, the deadline for submitting shareholder proposals for inclusion in the management information circular and proxy statement for an annual general meeting of the Company is calculated in accordance with Rule 14a-8(e) of Regulation 14A to the Exchange Act. If the proposal is submitted for a regularly scheduled annual general meeting, the proposal must be received at the Company's principal executive offices not less than 120 calendar days before the anniversary date of the Company's management information circular and proxy statement released to the Shareholders in connection with the previous year's annual general meeting. However, if the Company did not hold an annual general meeting the previous year, or if the date of the current year's annual and special meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the Company begins to print and mail its proxy materials. Accordingly, unless the date of the next annual general meeting is changed by more than 30 days from the date of this year's meeting the deadline for submitting shareholder proposals for inclusion in the management information circular and proxy statement for the next annual general meeting of the Company will be February 24, 2022.

In addition, our Bylaws provide notice procedures for stockholders to nominate a person as a director and to propose business to be considered by stockholders at a meeting. Notice of a nomination or proposal must be delivered to us not less than 60 days and not more than 90 days before the first anniversary of the date on which the Company held its annual meeting in the immediately preceding year; provided, however, that in the case of an annual meeting of Shareholders (A) that is called for a date that is not within thirty (30) days before or after the first anniversary date of the annual meeting of Shareholders in the immediately preceding year, or (B) in the event that the Company did not have an annual meeting of Shareholders in the prior year any such written proposal of nomination must be received by the Board of Directors not less than five days after the earlier of the date the Company shall have (w) mailed notice to its Shareholders that an annual meeting of Shareholders will be held or (x) issued a press release, or (y) filed a periodic report with the Securities and Exchange Commission or (z) otherwise publicly disseminated notice that an annual meeting of Shareholders will be held. Accordingly, for our 2022 annual meeting, notice of a nomination or proposal must be delivered to us no later than May 30, 2022 and no earlier than April 30, 2022. Nominations and proposals also must satisfy other requirements set forth in the Bylaws. If a stockholder fails to comply with the foregoing notice provision or with certain additional procedural requirements under SEC rules, the Company will have authority to vote shares under proxies we solicit when and if the nomination or proposal is raised at the annual meeting of Shareholders and, to the extent permitted by law, on any other business that may properly come before the annual meeting of Shareholders and any adjournments or postponements.

MULTIPLE SHAREHOLDERS SHARING THE SAME ADDRESS

The regulations regarding the delivery of copies of proxy materials and annual reports to Shareholders permit the Company and brokerage firms to send one annual report and proxy statement to multiple Shareholders who share the same address under certain circumstances. Shareholders who hold their Common Shares through a broker may have consented to reducing the number of copies of materials delivered to their address. In the event that a Shareholder wishes to revoke such a consent previously provided to a broker, the Shareholder must contact the broker to revoke the consent. In any event, if a Shareholder wishes to receive a separate Circular and accompanying materials for the Meeting, or the Company's Annual Report on Form 10-K for the year ended December 31, 2020, the Shareholder may receive copies by contacting the Corporate Secretary at Suite 555, 999 Canada Place, Vancouver, British Columbia, V6C 3E1. Shareholders receiving multiple copies of these documents at the same address can request delivery of a single copy of these documents by contacting the Company in the same manner. Persons holding Common Shares through a broker can request a single copy by contacting the broker.

ARTICLE 2
STOCK OPTION PLAN

2.1 Participation

The Board may, from time to time, in its discretion, subject to the provisions of the Plan, grant Options to Eligible Persons.

2.2 Determination of Option Recipients

The Board shall make all necessary or desirable determinations regarding the granting of Options to such Eligible Persons as the Board deems appropriate and may take into consideration the present and potential contributions of a particular Eligible Person to the success of the Company and any other factors which it may deem proper and relevant.

2.3 Exercise Price

The Exercise Price for each Share subject to an Option shall be determined by the Board, in its discretion, at the time of the Option grant, which Exercise Price will not be lower than the last closing price of a Share on the Exchange preceding the time of the Option grant, rounded up to the nearest whole cent. If the Shares are not traded on an Exchange, the Board will determine the fair market value of the Shares in accordance with valuation principles under 409A of the Code (as defined below). If the Exercise Price of an Option is expressed in a different currency than the closing price of a Share on the Exchange, the closing price will be converted into the currency of the Exercise Price using the Bank of Canada average rate of exchange on the trading day immediately preceding the date of the Option grant.

While the Company is listed on the Canadian Securities Exchange, it will not grant Options with an Exercise Price lower than the greater of the closing market prices of the Shares on (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options.

2.4 Grant of Options

The Board may at any time authorize the granting of Options to such Eligible Persons as it may select for the number of Shares that it shall designate, subject to the provisions of the Plan. The date of each grant of Options shall be determined by the Board when the grant is authorized.

2.5 Stock Option Plan Certificate

Each Option granted to an Optionee shall be evidenced by a Stock Option Plan Certificate detailing the terms of the Option. Upon the delivery of a Stock Option Plan Certificate to an Optionee by the Company, the Optionee shall have the right to purchase the Shares underlying the Option at the Exercise Price set out therein, subject to any provisions with respect to the vesting of the Option and the provisions of the Plan.

2.6 Terms of Options

The periods during which Options may be exercised and the number of Options which may be exercised in any given period shall be determined by the Board at the time of granting Options. Unless the Board determines otherwise and subject to any accelerated termination in accordance with the Plan, each Option shall expire on the fifth anniversary of the date on which it was granted. In no event may an Option expire later than the tenth anniversary of the date on which it was granted.

2.7 Exercise of Option

Subject to the provisions of the Plan and any vesting provisions to which the Option may be subject, an Option that has vested may be exercised from time to time by delivery to the Company of a completed Notice of Exercise, specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the aggregate Exercise Price for such Shares and any amount required by the Company pursuant to

Section 3.8 as a condition to the exercise of the Option. Certificates for such Shares shall be issued and delivered to the Optionee within a reasonable time following the receipt of such Notice of Exercise and payment.

2.8 Cashless Exercise of Option

In lieu of paying the aggregate Exercise Price to purchase Shares as set forth in Section 2.7, but subject to Section 3.8, the Optionee may elect to receive, without payment of cash, in consideration for the surrender of the applicable portion of a then vested and exercisable Option to the Company, a number of Shares determined in accordance with the following formula:

$$A = B (C - D)/C,$$

where:

A = the number of Shares to be issued to the Optionee pursuant to this Section 2.8;

B = the number of Shares otherwise issuable upon the exercise of the Option or the portion of the Option being exercised;

C = the closing price of a Share on the Exchange on the trading day immediately preceding the date of delivery of a Notice of Cashless Exercise by the Optionee to the Company, rounded up to the nearest whole cent.

D = the Exercise Price.

If the Exercise Price of an Option is expressed in a different currency than the closing price of a Share on the Exchange, the closing price will be converted into the currency of the Exercise Price using the Bank of Canada average rate of exchange on the trading day immediately preceding the date of the Option grant.

2.9 Hold Period

Shares issued upon the exercise of an Option may be subject to a hold period imposed by the TSX or under applicable securities laws, in which case the certificates representing such Shares shall be legended accordingly.

2.10 Vesting

Options granted pursuant to the Plan shall vest and become exercisable by an Optionee at such time or times as may be determined by the Board on the date of the Option grant, and as indicated in the Stock Option Plan Certificate. The Board in its discretion may accelerate the date upon which any Option vests and becomes exercisable. No unvested Options may be exercised by an Optionee. An Optionee has no entitlement to compensation in respect of unvested, non-exercised and/or terminated Options, nor any claim for damages in lieu thereof, except as otherwise expressly required by minimum standards legislation, if applicable.

2.11 Black Out Periods

If the date on which an Option held by an Optionee is scheduled to expire occurs during, or within 10 Business Days after the last day of, a Black Out Period applicable to such Optionee, then the date on which such Option will expire shall be extended to the last day of such 10 Business Day period.

2.12 Death of Optionee

If an Optionee ceases to be an Eligible Person by reason of death, any Options held by such Optionee on the date of his death shall only be exercisable by the Heir of such Optionee. All such Options shall be exercisable only (i) to the extent that the Optionee was entitled to exercise such Options on the date of his death and (ii) until the one-year anniversary of the death of the Optionee or the Expiry Date of the Option, whichever is earlier.

2.13 Permanent Disability of Optionee

If an Optionee ceases to be an Eligible Person while on permanent disability (which determination shall be made by the Board in its discretion, subject to the duty to accommodate in accordance with human rights legislation if applicable), any Options held by such Optionee shall be exercisable by the Optionee or his legal representatives. Such Optionee's Options shall be exercisable only (i) to the extent that the Optionee was entitled to exercise such Option on the date the Optionee ceases to be an Eligible Person due to disability and (ii) until the one-year anniversary of the Optionee ceasing to be an Eligible Person due to the disability of the Optionee or the Expiry Date of the Option, whichever is earlier.

2.14 Termination for Cause

If an Employee, Management Company Employee or Officer is dismissed for cause (for this purpose, as determined by the Board in its discretion, or if applicable, as defined in the applicable person's employment agreement) or a consulting agreement or arrangement is terminated by the Company or any of its Subsidiaries as a result of a breach or default committed thereunder by a Consultant (as determined by the Board in its discretion, and whether or not such termination is effected in compliance with any termination provisions contained in the applicable consulting agreement or arrangement), any Options (whether vested or unvested) held by the Employee, Management Company Employee, Officer or applicable Consultant, as the case may be, shall terminate immediately upon receipt by the Optionee (or consulting firm, if applicable) of notice of such dismissal or termination and shall no longer be exercisable as of the date of such notice (or, if applicable, such other period set out in the Optionee's employment or consulting agreement or arrangement or prescribed by law). In all such cases, where the cause asserted does not disqualify the Optionee from statutory notice in accordance with minimum standards legislation, if applicable, the exercisable date shall instead cease at the end of the required statutory notice period.

2.15 Termination of Employment, Term of Office or Agreement

If an Optionee ceases to be an Eligible Person (including upon the expiry of a consulting or management services agreement or arrangement), other than in the circumstances described in Section 2.12, 2.13 or 2.14, any Options held by such Optionee on the date the Optionee ceases to provide services to the Company or any of its Subsidiaries shall be exercisable only (i) to the extent that the Optionee is entitled to exercise such Options as of such date, which date shall be adjusted to reflect the end of the statutory notice period where required under minimum standards legislation, if applicable, and (ii) until the 30th day after such date (or such other period as may be determined by the Board in its discretion, set out in the Optionee's employment or consulting agreement or arrangement, if applicable, or prescribed by law) or the Expiry Date of the Option, whichever is earlier.

2.16 Effect of Take-Over Bid

If a bona fide take-over bid (as such term is defined in the Securities Act, and referred to herein as an "Offer") for Shares is made, which Offer, if successful, would result in a Change of Control, then the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of the full particulars of the Offer. The Board may, in its discretion, amend, abridge or otherwise eliminate any vesting schedule so that notwithstanding the other terms of any outstanding Option or the Plan, each outstanding Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise (the "Optioned Shares") pursuant to the Offer. If:

- (a) the Offer expires or is withdrawn and no Shares are taken up pursuant to the Offer;
- (b) the Optionee does not tender the Optioned Shares pursuant to the Offer; or
- (c) all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror in respect of the Offer;

then at the discretion of the Board, the Optioned Shares or, in the case of clause (c) above, the Optioned Shares that are not taken up and paid for, shall, subject to applicable laws, be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and the terms of such Option as set forth in the Plan and the applicable Stock Option Plan Certificate shall again apply to the Option. If any Optioned Shares are returned to the Company

under this Section, the Company shall refund the Exercise Price paid for such Optioned Shares without interest or deduction.

2.17 Effect of Reorganization, Amalgamation or Merger

If the Company is reorganized, amalgamated or merges or combines with or into another person or completes a plan of arrangement, then, at the discretion of the Board, the Optionee shall be entitled to receive upon the subsequent exercise of his Option in accordance with the terms thereof, and shall accept in lieu of the number of Shares to which he was theretofore entitled upon such exercise, but for the same aggregate consideration payable therefor, the aggregate number or amount of securities, property, cash and/or any other consideration the Optionee would have been entitled to receive as a result of such transaction if, on the record date of such transaction, the Optionee had been the registered holder of the number of Shares to which he was theretofore entitled upon the exercise of his Option, and such adjustment shall be binding for all purposes of the Plan.

2.18 Effect of Change of Control

If a Change of Control occurs the Board may in its discretion, (a) amend, abridge or otherwise eliminate any vesting schedule so that notwithstanding the other terms of any outstanding Option or the Plan, such that any outstanding Option may be exercised in whole or in part by the Optionee and/or (b) determine that all holders of outstanding Options with an exercise price equal to or greater than the price per Share provided for in the transaction giving rise to such Change of Control shall be entitled to receive and shall accept, immediately prior to or concurrently with the transaction giving rise to such Change of Control, in consideration for the surrender of such Options, the value of such Options determined in accordance with the Black and Scholes Option Pricing Model, as determined by the Board.

2.19 Adjustment in Shares

If there is any change in the Shares resulting from or by means of a declaration of stock dividends, or any consolidation, subdivision or reclassification of the Shares, or otherwise, the number of Shares subject to any Option, the Exercise Price thereof and the maximum number of Shares which may be issued under the Plan in accordance with Section 3.1(a) shall be adjusted appropriately by the Board in its discretion and such adjustment shall be effective and binding for all purposes of the Plan.

2.20 Effect of an Adjustment

Any adjustment under Section 2.17 or Section 2.19 (collectively, the "Adjustment Provisions") will take effect at the time of the event giving rise to such adjustment. The Adjustment Provisions are cumulative. The Company will not be required to issue fractional Shares in satisfaction of its obligations under the Plan. Any fractional interest in a Share that would, except for this provision, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company. If any questions arise at any time with respect to the Exercise Price or number of Shares deliverable upon the exercise of an Option as a result of any of the events set out in Section 2.16, 2.17, 2.18, 2.19 or 2.20 such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of chartered accountants that the Board may designate and who will have access to all appropriate records of the Company, and such determination will be binding upon the Company and all Optionees.

ARTICLE 3
GENERAL

3.1 Maximum Number of Shares

- (a) The aggregate number of Shares that may be reserved for issuance pursuant to the Plan and all other Share Compensation Arrangements shall not exceed 10% of the number of Shares issued and outstanding from time to time.
- (b) Any Shares subject to an Option that expires or terminates without having been fully exercised may be made the subject of a further Option. No fractional Shares may be issued under the Plan.

- (c) Upon the partial or full exercise of an Option, the Shares issued upon such exercise automatically become available to be made the subject of a new Option, provided that the total number of Shares reserved for issuance under the Plan does not exceed 10% of the number of Shares then issued and outstanding.
- (d) The aggregate number of Shares reserved for issuance pursuant to the Plan or any other Share Compensation Arrangement to any one Participant shall not exceed 5% of the number of Shares issued and outstanding at any time.
- (e) The aggregate number of Shares issuable pursuant to the Plan or any other Share Compensation Arrangement to Insiders shall not exceed 10% of the number of Shares issued and outstanding at any time.
- (f) The aggregate number of Shares issued to Insiders pursuant to the Plan or any other Share Compensation Arrangement, within any one-year period, shall not exceed 10% of the number of Shares then issued and outstanding.

3.2 Transferability

Options are non-assignable and non-transferable. During the lifetime of the Optionee, an Option granted to the Optionee shall be exercisable only by the Optionee and, upon the death of an Optionee, by the legal representative of the estate or the person to whom the Optionee's rights shall have passed by testate succession or by the laws of descent and distribution (the "Heir") may exercise any Option in accordance with the provisions of Section 2.12, as applicable. Any attempt to otherwise assign or transfer an Option (or any interest therein) shall be null and void.

3.3 Employment

Nothing contained in the Plan shall confer upon any Optionee any right with respect to employment or continuance of employment with the Company or any of its Subsidiaries or interfere in any way with the right of the Company or any of its Subsidiaries, to terminate the Optionee's employment at any time. Participation in the Plan by an Optionee is voluntary.

3.4 No Shareholder Rights

An Optionee shall not have any of the rights or privileges of a Shareholder with respect to any of the Shares covered by an Option until the Optionee exercises such Option in accordance with the terms thereof and the Plan (including tendering payment in full of the aggregate Exercise Price for the Shares in respect of which the Option is being exercised) and the issuance of the Shares by the Company.

3.5 Record Keeping

The Company shall maintain a register in which shall be recorded the name and address of each Optionee, the number of Options granted to each Optionee, the details of each Option granted and the number of Options outstanding.

3.6 Necessary Approvals

Notwithstanding any of the provisions contained in the Plan or in any Option, the Company's obligation to issue Shares to an Optionee upon the exercise of an Option shall be subject to the following:

- (a) completion of such registration or other qualification of such Shares and the receipt of any approvals of governmental authority or stock exchange as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Shares to listing on the TSX or any other stock exchange on which the Shares may then be listed for trading; and

- (c) the receipt from the Optionee of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Company or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

In connection with the foregoing, the Company shall, to the extent necessary, take all steps determined by the Board in its discretion to be reasonable to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on the TSX or any other stock exchange on which the Shares are then listed for trading. If any Shares cannot be issued to an Optionee for any reason, including the failure to obtain the aforementioned approvals, registrations and qualifications, then the obligation of the Company to issue such Shares shall terminate (without penalty or payment of any compensation or damages) and any Exercise Price paid by an Optionee to the Company shall be returned to the Optionee without interest or deduction.

3.7 Administration of the Plan

The Board is authorized to administer and interpret the Plan and to from time to time adopt, amend and rescind rules and regulations relating to the Plan; provided that the Board shall be entitled to delegate such administration to a committee of the Board. The interpretation and construction of any provision of the Plan by the Board shall be conclusive and binding on the Company and other persons. Day-to-day administration of the Plan shall be the responsibility of the appropriate Officers and all costs in respect thereof shall be paid by the Company.

3.8 Taxes

Upon the exercise of an Option, the Optionee shall make arrangements satisfactory to the Company regarding the payment of any taxes required by any applicable law to be paid in connection with the exercise of the Option. In order to satisfy the Company's or any Subsidiaries' obligation, if any, to remit an amount to a taxation authority on account of the Optionee's taxes in respect of the exercise or other disposition of an Option (the "Withholding Tax Amount"), each of the Company and applicable Subsidiary shall have the right, in its discretion, to:

- (a) withhold amounts from any amount or amounts owing to the Optionee, whether under this Plan or otherwise;
- (b) require the Optionee to pay to the Company the Withholding Tax Amount as a condition to the exercise of the Option by the Optionee; or
- (c) withhold from the Shares otherwise deliverable to the Optionee upon the exercise of the Option such number of Shares as have a market value not less than the Withholding Tax Amount and cause such withheld Shares to be sold on the Optionee's behalf to fund the Withholding Tax Amount, provided that any proceeds from such sale in excess of the Withholding Tax Amount shall be promptly paid over to the Optionee.

Notwithstanding the foregoing, nothing shall preclude the Company and the Optionee from agreeing to use a combination of the methods described in this Section 3.8 or some other method to fund the Withholding Tax Amount.

3.9 Amendment or Discontinuance of the Plan

The Board may from time to time, subject to applicable law and any required approval of the TSX, any other stock exchange on which the Shares are then listed for trading or any other regulatory authority having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted thereunder and the Stock Option Plan Certificate relating thereto; provided, however, that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect the rights of an Optionee under any Option previously granted under the Plan without the consent of that Optionee.

- (a) For greater certainty and without limiting the generality of the foregoing, Shareholder approval shall not be required for the following amendments, subject to any regulatory approvals, including, where required, the approval of the TSX:
- (i) amendments to the Plan to ensure continuing compliance with applicable laws, regulations, requirements, rules or policies of any governmental or regulatory authority or any stock exchange;
 - (ii) amendments of a "housekeeping", clerical, technical or stylistic nature, which include amendments relating to the administration of the Plan or to eliminate any ambiguity or correct or supplement any provision herein which may be incorrect or incompatible with any other provision hereof;
 - (iii) changing the terms and conditions governing any Option(s) granted under the Plan, including the vesting terms, the exercise and payment method, the Exercise Price and the effect of the Optionee's death or permanent disability, the termination of the Optionee's employment, term of office or consulting engagement or the Optionee ceasing to be an Eligible Person;
 - (iv) determining that any of the provisions of the Plan concerning the effect of the Optionee's death or permanent disability, the termination of the Optionee's employment, term of office or consulting engagement or the Optionee ceasing to be an Eligible Person shall not apply for any reason acceptable to the Board;
 - (v) amendments to the definition of Eligible Person;
 - (vi) changing the termination provisions of the Plan or any Option which, in the case of an Option, does not entail an extension beyond an Option's originally scheduled expiry date;
 - (vii) changing the terms and conditions of any financial assistance which may be provided by the Company to Optionees to facilitate the purchase of Shares under the Plan, or adding or removing any provisions providing for such financial assistance;
 - (viii) amendments to the cashless exercise feature set out in Section 2.8;
 - (ix) the addition of or amendments to any provisions necessary for Options to qualify for favourable tax treatment to Optionees or the Company under applicable tax laws or otherwise address changes in applicable tax laws;
 - (x) amendments relating to the administration of the Plan; and
 - (xi) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules or policies of any stock exchange upon which the Shares trade from time to time.
- (b) Notwithstanding anything contained in the Plan to the contrary, no amendment requiring the approval of the Shareholders under applicable law or the rules or policies of any stock exchange upon which the Shares trade from time to time shall become effective until such approval is obtained. In addition to the foregoing, the approval of Shareholders by ordinary resolution shall be required for:
- (i) any amendment to the provisions this Section 3.9 that is not an amendment within the nature of Sections 3.9(a)(i) and 3.9(a)(ii);
 - (ii) any increase in the maximum number of Shares that can be issued under the Plan, except in connection with an adjustment made in accordance with the Adjustment Provisions;

- (iii) any reduction in the Exercise Price of an Option granted under the Plan (including the cancellation and re-grant of an Option, constituting a reduction of the Exercise Price of an Option), except in connection with an adjustment made in accordance with the Adjustment Provisions;
- (iv) any amendment to extend the expiry of an Option beyond its original Expiry Date;
- (v) any amendment to Section 3.1(e) or Section 3.1(f) to increase participation by Insiders; and
- (vi) any amendment to the provisions of the Plan that would permit Options to be transferred or assigned other than for normal estate settlement purposes,

provided further that, in the case of any amendment or variance referred to (I) in clause (v) of this Section 3.9(b), Insiders are not eligible to vote their Shares in respect of the required approval of the Shareholders, and (II) in clauses (iii), (iv) or (vi) of this Section 3.9(b), Insiders who shall benefit from such amendment or variance are not eligible to vote their Shares in respect of the required approval of the Shareholders.

3.10 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

3.11 Interpretation

The Plan and all other agreements entered into pursuant to the Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

3.12 Compliance with Applicable Law

If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by-law or regulation of any regulatory body or stock exchange having authority over the Company or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

3.13 Effective Date

The Plan (as amended and restated) shall only become effective upon the approval of the Board by ordinary resolution.

3.14 Application of U.S. Securities Laws

Unless a registration statement on Form S-8 under the U.S. Securities Act has been filed by the Company and brought effective by the United States Securities and Exchange Commission registering the Plan and the Shares issuable upon exercise of the Options (the “**Registration Statement**”), neither the Options which may be granted pursuant to the provisions of the Plan nor the Shares which may be purchased pursuant to the exercise of Options have been registered under the U.S. Securities Act or under any securities law of any state of the United States of America. Accordingly, **every Participant** shall by acceptance of the Options be deemed to represent, warrant, acknowledge and agree that:

- (a) the Participant is acquiring the Options and any Shares acquired upon the exercise of such Options as principal and for the account of the Participant for investment purposes only;
- (b) in granting the Options and issuing the Shares to the Participant upon the exercise of such Options,

the Company is relying on the representations and warranties of the Participant contained in this Plan relating to the Options to support the conclusion of the Company that the granting of the Options and the issue of Shares upon the exercise of such Options do not require registration under the U.S. Securities Act or to be qualified under the securities laws of any state of the United States of America;

- (c) unless a Registration Statement is effective under the U.S. Securities Act registering the exercise of the Options and the issuance of the Shares, each certificate representing Shares issued upon the exercise of such Options to such Participant shall bear the following legends:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. SECURITIES ACT”). THESE SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED ONLY (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) IN COMPLIANCE WITH THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS UNDER THE U.S. SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER, IF AVAILABLE, AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS, (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT OR ANY APPLICABLE STATE LAWS AND REGULATIONS GOVERNING THE OFFER AND SALE OF SECURITIES OR (E) IN ACCORDANCE WITH AN EFFECTIVE REGISTRATION STATEMENT UNDER THE U.S. SECURITIES ACT, AND THE HOLDER HAS, PRIOR TO SUCH SALE, FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OR OTHER EVIDENCE OF EXEMPTION, IN EITHER CASE REASONABLY SATISFACTORY TO THE COMPANY. HEDGING TRANSACTIONS IN THE SECURITIES ARE PROHIBITED UNLESS IN COMPLIANCE WITH COMPANY POLICY AND THE U.S. SECURITIES ACT. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.”

- (d) prior to making any disposition of any Shares acquired pursuant to the exercise of such Options, the Participant shall give written notice to the Company describing the manner of the proposed disposition and containing such other information as is necessary to enable counsel for the Company to determine whether registration under the U.S. Securities Act or qualification under any securities laws of any state of the United States of America is required in connection with the proposed disposition and whether the proposed disposition is otherwise in compliance with such legislation and the regulations thereto;
- (e) the Participant will not attempt to effect any disposition of the Shares owned by the Participant and acquired pursuant to the exercise of such Options or of any interest therein which might be subject to the requirements of the U.S. Securities Act in the absence of an effective registration statement relating thereto under the U.S. Securities Act or an opinion of counsel satisfactory in form and substance to counsel for the Company that such disposition would not constitute a violation of the U.S. Securities Act or any securities laws of any state of the United States of America and then will only dispose of such Shares in the manner so proposed;
- (f) the Company may place a notation on the records of the Company to the effect that none of the Shares acquired by the Participant pursuant to the exercise of such Options shall be transferred unless the provisions of the Plan have been complied with; and

- (g) the effect of these restrictions on the disposition of the Shares acquired by the Participant pursuant to the exercise of such Options is such that the Participant may not be able to sell or otherwise dispose of such Shares for a considerable length of time in a transaction which is subject to the provisions of the U.S. Securities Act.

4.2 Terms and Conditions of Options Granted to U.S. Participants

In addition to the other provisions of this Plan (and notwithstanding any other provision of this Plan to the contrary), the following limitations and requirements will apply to Options granted to a U.S. Participant.

- (a) The number of Shares available for granting Incentive Stock Options under the Plan may not exceed 3,000,000. For greater certainty, such number of Shares is a subset of, and not in addition to, the maximum number of Shares reserved for issuance pursuant to Section 3.1(a).
- (b) The stock option agreement relating to any Option granted to a U.S. Participant shall specify whether such Option is an Incentive Stock Option or a Nonqualified Stock Option. If no such specification is made, the Option will be (a) an Incentive Stock Option if all of the requirements under the Code are satisfied or (b) in all other cases, a Nonqualified Stock Option.
- (c) In addition to the other provisions of this Plan, the following limitations and requirements will apply to an Incentive Stock Option:
 - (i) An Incentive Stock Option may be granted only to an ISO Employee (including a director or officer who is also an ISO Employee) of the Company (or any Subsidiary of the Company).
 - (ii) The extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any U.S. Participant during any calendar year (under this Plan and all other plans of the Company and of any parent or subsidiary of the Company) exceeds US\$100,000 or any limitation subsequently set forth in section 422(d) of the Code, such excess shall be considered Nonqualified Stock Options.
 - (iii) The exercise price payable per Share upon exercise of an Incentive Stock Option will not be less than 100% of the Fair Market Value of a Share on the Grant Date of such Incentive Stock Option; provided, however, that, in the case of the grant of an Incentive Stock Option to a U.S. Participant who, at the time such Incentive Stock Option is granted, is a 10% Shareholder, the exercise price payable per Share upon exercise of such Incentive Stock Option will be not less than 110% of the Fair Market Value of a Share on the Grant Date of such Incentive Stock Option. For greater certainty, the minimum Exercise Price set forth in Section 2.3 will also apply to each Incentive Stock Option.
 - (iv) Notwithstanding any other provision of this Plan to the contrary, an Incentive Stock Option will terminate and no longer be exercisable no later than ten years after the date of grant of such Incentive Stock Option; provided, however, that in the case of a grant of an Incentive Stock Option to a U.S. Participant who, at the time such Incentive Stock Option is granted, is a 10% Shareholder, such Incentive Stock Option will terminate and no longer be exercisable no later than five years after the date of grant of such Incentive Stock Option;
 - (v) To the extent that an Incentive Stock Option is not exercised on or prior to the date that is three (3) months following the date on which the Participant ceases to be employed by the Company (or by any Parent or Subsidiary of the Company), such Option will no longer qualify as an Incentive Stock Option. Notwithstanding the foregoing, if a Participant’s termination of employment is due to Disability, to the extent that an Incentive Stock Option is not exercised on or prior to the date that is one year following the date on which the Participant ceases to be employed by the Company (or by any subsidiary of the Company), such Option will no longer qualify as an Incentive Stock Option.

Option. For greater certainty, the limitations in this paragraph govern the U.S. federal income tax treatment of an outstanding Option and whether it will continue to qualify as an ISO. Nothing in this paragraph shall have the effect of extending the period during which an Option otherwise may be exercised pursuant to its terms. For purposes of this Section 4.2(c)(v), the employment of a U.S. Participant who has been granted an Incentive Stock Option will not be considered interrupted or terminated upon (a) sick leave, military leave or any other leave of absence approved by the Administrator that does not exceed ninety (90) days in the aggregate; provided, however, that if reemployment upon the expiration of any such leave is guaranteed by contract or applicable law, such ninety (90) day limitation will not apply, or (b) a transfer from one office of the Company (or of any Parent or Subsidiary) to another office of the Company (or of any Parent or Subsidiary) or a transfer between the Company and any Parent or Subsidiary.

- (vi) Notwithstanding any other provision of this Plan to the contrary, an Incentive Stock Option granted to a U.S. Participant may be exercised during such U.S. Participant's lifetime only by such U.S. Participant;
 - (vii) Notwithstanding any other provision of this Plan to the contrary, an Incentive Stock Option granted to a U.S. Participant may not be transferred, assigned, pledged or hypothecated or otherwise disposed of by such U.S. Participant, except by will or by the laws of descent and distribution; and
 - (viii) No Incentive Stock Option will be granted more than ten years after the earlier of the date this Plan is adopted by the Board or the date this Plan is approved by the shareholders of the Company.
- (d) The Company intends that any Stock Options be structured in compliance with, or to satisfy an exemption from, Section 409A of the Code, such that there are no adverse tax consequences, interest, or penalties pursuant to Section 409A of the Code as a result of the Stock Options. Notwithstanding the Company's intention, in the event any award is subject to Section 409A of the Code, the Committee may, in its sole discretion and without a participant's prior consent, amend this Plan and/or outstanding Stock Option Plan Certificates, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and actions with retroactive effect) as are necessary or appropriate to (i) exempt this Plan and/or any award from the application of Section 409A of the Code, (ii) preserve the intended tax treatment of any such Stock Option, or (iii) comply with the requirements of Section 409A of the Code, including without limitation any such regulations guidance, compliance programs and other interpretive authority that may be issued after the date of grant of a Stock Option. This Plan shall be interpreted at all times in such a manner that the terms and provisions of the Plan and the Stock Options are exempt from or comply with Section 409A of the Code.
- (e) The Company shall have no liability to any U.S. Participant or any other person if a Stock Option designated as an Incentive Stock Option fails to qualify as such at any time or if a Stock Option is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code and the terms of such Stock Option do not satisfy the requirements of Section 409A of the Code.
