Vancouver, BC V6C 2T7

### **MANNING VENTURES RECEIVES DTC ELIGIBILITY**

**Vancouver, British Columbia, October 04, 2021** – Manning Ventures Inc. (the “**Company**” or “**Manning**”) (CSE: MANN; US: MANVF; Frankfurt: 1H5) is pleased to announce that Manning Ventures Inc.'s common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (DTC). DTC is a subsidiary of the Depository Trust & Clearing Corp. (DTCC) that manages the electronic clearing and settlement of publicly traded companies in the United States.

Manning’s common shares are now fully DTC eligible and will continue to trade under the ticker symbol MANVF on the OTC Markets. Through an electronic method of clearing securities, DTC eligibility simplifies the process of trading and transferring the company's common shares between brokerages in the United States.

“This is an important step in making Manning’s shares accessible to the widest audience possible,” said CEO, Alex Klenman. “We’re moving towards a listing upgrade to OTCQB as well, which will help us gain even more exposure in the US. We’re committed to growing our audience, and these are critical moves in accomplishing that goal,” continued Mr. Klenman.

#### **About Manning**

Manning is a broad-based mineral exploration and development company with a focus in Canada. Manning holds a 100% interest in five Iron Ore properties located in the province of Quebec and is also currently earning towards a majority interest in the Squid East Silver-Gold Property, located in the Yukon, and the Flint Lake Gold Project located in Ontario.

**FORWARD LOOKING STATEMENTS:**

*Certain information in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. Forward-looking statements are often identified by terms such as “will”, “may”, “should”, “anticipate”, “expects” and similar expressions. All statements other than statements of historical fact included in this news release are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company’s expectations include the failure to satisfy the conditions of the relevant securities exchange(s) and other risks detailed from time to time in the filings made by the Company with securities regulations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company disclaims any intention or obligation to update or revise such information, except as required by applicable law.*
