The Company paid to certain arm’s length finders (each, a “**Finder**”) a cash fee in the aggregate amount of \$30,785.65 and issued to the Finders an aggregate of 342,063 Share purchase warrants (each, a “**Finder’s Warrant**”), representing 7.0% of the proceeds raised from those purchasers introduced by such Finder and 7.0% of the total number of Units sold to investors introduced by such Finder, respectively.
